Grain

WINNIPEG, Aug. 9 - (CP) - All grains took on a good tone in moderately active trade today on the Winnipeg Grain Exchange. The advances, however, were small in most cases. Oats came in for some buying for American account as well as domestic shipper demand. Barley receives support from export houses. This was accompanied by reports of sales of Canadian barley to Germany. Rye advanced under American demand and light offerings, especially in the October contract. Flax trade was dull, but prices were firm. Export loadings of Canadian wheat saw 1,500,000 bushels go to the United Kingdom. Prices two wheat and I.W.A. classes were down one-eighth cent from yesterday. Closing prices: Oats - Oct. 84 1/2 B; Dec. 83 1/2 A; May 85 1/2 A. Barley - Oct. 1.18 1/2; Dec. 1.15-1.17 1/2 B; May 1.17 1/2 B. Rye - Oct. 1.77 1/2; Dec. 1.73 1/2 A.
