There's a difference in the quality of cream, there's the watery kind it isn't as pure as it might be, there's the milky kind it isn't as rich as it might be, then there's the kind we sell—its pure, rich and fresh. We keep it on ice, and deliver it when you want to use it. And it only costs

**DEMON OF DYSPEPSIA**

Banished for Ever by Dodd's Dyspepsia Tablets.

Snow cannot withstand the heat of the mid summer sun. There's no ice on the creeks in August.

No more can indigestion and Dyspepsia exist when Dodd's Dyspepsia Tablets are used. The sun melts the snow; Dodd's Dyspepsia Tablets digest the food. That is all that is needed to banish indigestion and Dyspepsia.

But Dodd's Dyspepsia Tablets do more. While they are digesting the food, they rest the stomach; tone it up, restore all its old strength, and give it a new supply. You don't have to take Dodd's Dyspepsia Tablets for ever. A short course of treatment, two or three weeks, is enough for any case. Then you can quit using them and enjoy the benefits they have given you.

Dodd's Dyspepsia Tablets are specially suited to every form of dyspepsia. They will positively cure any form of the disease.

Dodd's Dyspepsia Tablets prevent the formation of poisonous gases in the stomach by digesting the food at once. There is no time for it to ferment and create gas.

If the bowels need treatment Dodd's Dyspepsia Tablets won't give it. But in each box is a package of smaller tablets that will. Thus there is a double treatment in every box.

Dodd's Dyspepsia Tablets, each box containing the double treatment, can be procured from all druggists.

Mr. Harold T. Morris, graduate of the New England Conservatory of Music, Boston, will be in Charlottetown for a week or two and will be at the service of all people who wish to have their pianos tuned or repaired. Orders left at Mr. E. W. Taylor or G. F. Hutcheson's stores, will be quickly attended to.

**PARALYSIS CURABLE**  
Stricken ones to be Seen Everywhere—This Form of Living Death Cured by Dodd's Kidney Pills.

The most startling example of human helplessness is the paralytic. The victim excites your commiseration, but resents your pity.

He of the palsied hand stiffly pressing the benumbed side is to be seen everywhere we go.

The most convincing proof that this pitiable condition is the outcome of kidney disease is the fact that Dodd's Kidney Pills cure it.

Not generally recognized as a kidney disease, it succumbs to kidney treatment.

Did you ever know of a cure? Just think a moment.

If you do it must have been the work of Dodd's Kidney Pills, for no other medicine ever yet cured.

The infant of the household was in its cradle. The head of the household was at home, peevish and fault-finding. At length he became unendurable.

"You've done nothing but make mistakes tonight," he growled.

"Yes," she answered, meekly, "I began by putting the wrong baby to bed."

**What is Dr. Chase's Nerve Food?**

In appearance Dr. Chase's Nerve Food is an oval, chocolate coated pill. In the condensed form it contains all of nature's most strengthening and invigorating tonic and restoratives and for this reason it is unapproached as a blood builder and nerve restorative. It cures all diseases caused by thin blood and exhausted nerves and makes pale, weak nervous men, women and children strong and healthy. 50 cents a box.

**TWO NUISANCES.**—The unsightly and dangerous "Ladner's Patent" was yesterday applied to the sidewalk on Great George Street, near Duchemin's factory. For the sake of the city it is hoped that the use of the patent will not be extended. Between this nuisance and the offensive odor from one of the warehouses on the Navigation Company's Wharf, strangers coming by the Princess are not likely to form a very high opinion of the place.
