

N.S. Plans Move On Credit Costs

By ED WALTERS HALIFAX (CP)—The Nova Scotia government plans to introduce temporary legislation...

The report by Halifax lawyer Arthur R. Moreira recommends licensing and tighter regulation of finance companies...

Mr. Moreira recommends restrictions on certain aspects of advertising, applicable to media as well as advertising...

Mr. Doucet said the cost of credit to the consumer is higher than other forms of advances...

Mr. Doucet said: "In the instalment forms, the cost of such credit to the consumer is higher than other forms of advances..."

Mr. Doucet said: "The report suggests no one has put forward any better way of telling the borrower or credit-purchaser how much extra he is paying than the simple annual interest..."

More public education is needed in borrowing and credit, he said, suggesting this could be cured by including an appropriate course in school curriculums...
