

A New Scheme for Beating the Tailor.

He went into the store of one of the most fashionable tailors in Chestnut Street and arrayed himself in an expensive summer suit. Then he said: "I must pay you by check, but as you do not know me I will not ask you to take one of my own. You are acquainted, of course, with the gentleman who keeps the drug store on the corner? Let us go in there. He is a friend of mine and is preparing a check for me."

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites

Dr. Ira M. Lang—a prominent physician in New York, says:—I am greatly pleased with your Emulsion. Have found it very serviceable in above diseases, and it is easily administered on account of its palatableness.

A Philadelphia man was notified the other day of his appointment to a Federal position. Going to the office, and announcing his name, he was invited to sit down. "No, thank you," was the reply. "I haven't more than a minute to stay. Just put my name on the pay roll and I'll call around in time to get my money. When do you have pay day here?"

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain; and the little child awakes as "bright as a button."
