DOWN THE BACK STRETCH

A well known horseman throughout the Maritimes is Glen Jenkins of Chatham, N.B., who served an apprenticeship with Johnny Conroy and knows how to train horses and if necessary drive them as well as anybody in the business. Now here is Glen . . . "Just a few lines to let you know that the recent ad I had on the sports page of the Guardian re Norman Frisco 2.09 bore fruit, as Norman has gone to the province of Quebec. I wasn't long without buying another, in fact I bought two from parties in Rimouski, Que. One is a black horse weighing 1200 pounds—Ritz Chilcoot 2.09. He is a lovely horse and has won a lot of races. Was second three times at Richelieu track in 2.07, 2.07 1/5 and 2.08 and was lapped on the outside the first heat. They were down to the half in one minute, so you can see that he has real whiz and wears nothing but a set of hopples. His sire, The Ritz, was by Mr. McElwyn 1.59 1/4, dam, Blue Mountain Chilcoot by Chilcoot 2.04 1/4. The other horse is True Holme by True Brooke 2.03 and his dam is Annie Grattan by Orcus Grattan, next dam, Margaret Dillon 2.05 1/4, a trotter by Peter V. Dillon.

"Wilbur Jardine is at the Chatham track wintering five head including that good little Illinois pacer Abbeland 2.10 3/5. The horses are owned by James Watt of Gaspe, Que. Wib is being ably assisted by his father, Orin, the veteran trainer. Earnest Bernard has two colts by Federal 2.01 1/2 which look like ready money. The two-year-old is out of Tilly Direct and the three-year-old out of Diana O. Grattan 2.13 1/2, one of the gamest race mares that ever stepped on a track in New Brunswick. The two-year-old is owned by Ellis Thompson of Chatham Head, a C.N.R. employee at Newcastle, and the three-year-old by Eldon J. Fowley, popular manager of W. S. Logie Motor Sales, Chatham. That is all the news at present" . . . Thanks, Glen, for so kindly remembering us.

Aubrey Keizer in his Sports Cycle column, Sydney Post-Record, writes . . . "Cape Breton horsemen were tossing money around like water at the Harrisburg sale. That is the way it looks like. At the close of the first night they had eight new horses including the $5,100 Victorious Guy, bought by Harry Hirsch. Yesterday it was learned that they had added Connally 2.10, Josedale Clansman 2.09, Flaxscot 2.08 and Vanguard 2.09." Now let us see what they look like . . . Connally is a four-year-old bay gelding that took a three-year-old pacing record of 2.10 2/5 on a half- mile track. He is by Siskiyou 2.04 1/2 and his dam is Dori-Lee 3, 2.11 1/2. She is by Mc I Win 3, 1.59 3/4, and her dam is Our Own Royal 3, 2.13 1/4. Connally had winnings of over $2,000 last year and was eligible to the 23 class at the start of this season.

Josedale Clansman is a three-year-old brown colt that took a two-year-old record of 2.09. He is by Dick Reynolds 1.59 1/4 out of Josedale Volo Scott and his pedigree is one of the best in the book, his grandsire on his sire's side being the redoubtable Single G. 1.58 1/2 and his granddam, Estabelle 2.05 1/4. He is equally well bred on his dam's side., is eligible to the 2.25 pace and was a mile in 2.05 over the Indianapolis track and is perfectly sound.

What looks to be a rival for the trotting supremacy in the Maritimes with Harry Hirsch's Peggy Lee Frisco 2.09, is Flaxscot 2.08 2/5 a seven-year-old chestnut gelding by Athlone Flaxey Guy, that has raced at the better night racing plants in the United States for the past three years and has always given a good account of himself. He was a close third just previous to the sale in a fast class at Yonkers Raceway. Vanguard is a four-year-old roan gelding that took a record this season of 2.09 2/5 over a half-mile track. He is by the noted pacer Cardinal Prince 1.58 3/4 and his dam was one of the greatest race pacers on the Grand Circuit some years ago—Queen Wilkes p. 2.01 3/4. She is also the dam of the sensational Spruce Up p. 2.01 2/5. Vanguard ended last season eligible to the 2.24 pace with his allowance as a three-year-old. We have no line on him for this year. With his breeding it looks as though Cape Breton will have another top pacer for the raceways next season.

Our call for information through this column last week to Colonel James Calkin brought a telegram giving us the Woodstock buys at Harrisburg. Here they are . . . By private sale Bill Stiles bought the red roan three-year-old pacing stallion Mighty Bold 2.11 2/5 from S. A. Wathen and Sons, Fort Fairfield, Me. He is by Mighty H. 3, 2.04 by Volomite 2.03 1/4,, dam, Eula H. 2.06 1/2. Arthur Kelly, Woodstock, bought the three-year-old pacer Betty's Princess at Lewiston, Me. She took a two-year-old record of 2.25 3/5 and is by Prince Spencer p. 2.01 3/4. Bob Brown, Woodstock, bought the two-year-old gelding Worthy Rosecroft from the W. E. Miller consignment at Harrisburg. He is very handsome and shows promise of speed. His sire is Symbol Gantle 2.01 3/4 and his dam is Town Talk 2.08 1/4. He also bought the three-year-old filly Titan's Lucy, by Titan Hanover 3, 1.58, dam, Certified Check 2.25. She is a trotter and with her breeding was considered a good buy.

Other buys at Harrisburgh were Walnut Hawk, a five-year-old gelding with a record of 2.12 3/5 on a half-mile track. He was timed in 2.08 in a race and is by Black Hawk 2, 2.03 1/2, dam, Rose Signal. He goes into the stable of George Walker, St. Stephen, who also bought Spencer Key and Top Royal. Spencer Key is a six-year-old that took a record of 2.12 1/5 on a half-mile track. He is by Long Key 3, 2.00 and his dam is Zoom, the dam of three in 2.10. He is described as a perfect pacer, eligible to the 2.20 class. Top Royal is a two-year-old bay pacing filly by Royal Napoleon 2.00 3/4, dam, Sadie Hanover 4, 2.11, dam of two in 2.10. She was third to Knight's Princess 2, 2.08 1/5 early in this year's racing season. She showed great promise, could pace a half in 1.03 and a quarter in 31 seconds, but became sick and was turned out for the summer. She is engaged in six big stakes for 1953.

Alfie Ringuette of Edmunston, well known to horsemen throughout the Maritimes, also fortified himself with what looks like real speed at Harrisburg. He was high bidder on Bob Mitchell 2.05 2/5, by the former world's champion three-year-old pacer Chief Counsel 3, 1.57 3/4, and his dam is Almeda Mitchell, dam of four in 2.10, by Napoleon Direct 1,59 3/4. His pedigree teems with speed and he is described as having the best of manners and will race with or without hopples. He won at Baltimore, Maryland, half-mile track in 2.07 2/5 and at Harrington, Delaware, in 2.08 1/5 free-legged. He was racing at Yonkers when consigned.

Alfie also bought the double-gaited My Majesty p. 3, 2.05 1/5, t. 4, 2.06 4/5, the trotter Rex Day, also Bright Star and the double-gaited Joe C. Blackstone. My Majesty is a six-year-old brown stallion by His Majesty 4, 1.59 3/4, dam, Home Girl 2.16 1/2. He was raced by the Canadian trainer-driver, Lorne Tolhurst, at Batavia, N.Y., and was still racing when consigned. Lorne describes him as a good, reliable race horse either on the trot or pace. Rex Day is a nine-year-old trotter with a record of 2.07 2/5 which he took at Roosevelt Raceway. He has won over $12,000 and is a full brother to Dutch Harbor 2.04 2/5, winner of over $67,000. He is by Guy Day 3, 2.04 1/4 and his dam is Queen Mary 3, 2.05, dam of six in better than 2.10.

Bright Star is a seven-year-old bay gelding by His Excellency 3, 1.59 3/4, dam, Star Flight by Spencer 3, 1.59 3/4. He took a record as a two-year-old of 2.09 3/5 trotting. His total winnings were $4,493 up to the end of 1951 when he was eligible to the 2.18 trot. Joe C. Blackstone is a nine-year-old chestnut gelding by Blackstone 4, 1.59 1/2, dam, Gypsy Rose Abbe, dam of three in 2.10. He took a record of 2.07 4-5 trotting and was turned over to the pace and in his first start this season at Roosevelt Raceway he came from eighth position and was only beaten a nose by Adio Abbe in 2.07. He is a 22 class trotter and 22 class pacer, and his former owner believes he will make good. Thanks again, Colonel Calkin for going to so much trouble to assist us in keeping our horsemen friends informed of new arrivals.

A party consisting of Dr. R. F. Seaman, W. G. Gillespie, Don and Mrs. Don Seaman motored from Charlottetown to the Harrisburg sale, had a wonderful trip and enjoyed the holiday very much.

Islanders Fire Four Goals In Third Period To Defeat Miners 5-1

Today for the third time in two weeks a Maritime football title will be decided on the Mount Allison University football field at Sackville. It was two weeks ago this afternoon that Saint Dunstan's defeated the Mounties for the Maritime Intercollegiate championship. Last Saturday the Halifax Wonderers downed the Saint John Mariners for the Maritime Senior Rugby crown. This afternoon the two winners will meet in what could turn out to be one of the most crowd pleasing games of the season provided that the weather is right.

* * *

Today's game, in contrast to the Saints-Mounties game, should be fast and wide-open. Both the Saints and the Wanderers feature fast and smart ball-handling backfields. If it is fine and the ground in good shape, and the Sackville field is one of the best in the Maritimes, then fans should see lots of backfield running. This will be a day of comparisons with the opposing wingmen coming in for lots of attention.

* * *

It will be a history making day for the Saints because it is the first time they have ever competed for the McCurdy Cup, and should they win they won't be presented with the Cup, at least not today, for the famous mug is down at Glace Bay. The presentation to the winner will be a scroll signifying Maritime rugby supremacy. This scroll was made by a man in Halifax who also made a scroll for Queen Elizabeth and Prince Philip when they visited the Garrison City a year ago.

* * *

The Saints will go into today's game at full strength. They have been holding light practices in their gymnasium and will be in fairly good condition. On Thursday afternoon they held a 20 minute workout on the football field and yesterday they held another light scrimmage. Other than a practise last Saturday morning this has been their only actual playing on the field since they played at Sackville. However the Wanderers have not had much chance to practise either so honors should be about even-stephen as far as preparations go.

* * *

A number of the boys today will be playing their last game of football in a Saint Dunstan's uniform. Among them will be Pete Dunphy, Copy Callaghan, Clarence MacDonald, Cy MacIsaac, John Mullally, Joe Mullally, Charlie Cheverie and Paul Jay. Among them and the other team members they have given Saint Dunstan's its most successful football season. They deserve a win today to make the season complete.

* * *

Hub Macey, coach of the Glace Bay Miners, who has been sidelined with a broken bone in his foot, may take to the ice tonight in Halifax against the Atlantics. Hub was disappointed over last night's loss to the Islanders but was realistic about it when he stated that you can't win games if you can't score goals. Macey thought the Miners might have been able to capitalize on their scoring chances. They had four of them with nobody to beat but Al Millar.

* * *

Although they did not show a powerful attacking force the Miners displayed why they are tough on the Islanders at Glace Bay. They throw the puck around well and have several very heady hockey players. Their forechecking proved troublesome to the Islanders and kept the locals from organizing too many dangerous looking attacks in the first two periods. They showed a marked ability to get their men in the clear and there were at least seven times during the game that they were in all alone on the Islanders net.

* * *

Macey realizes however, that he will need strengthening in order to get into the M. M. H. L. race. His biggest need is goal scorers and to secure them he has been in contact with Central Canadian teams. He was supposed to get two good forwards last week but injuries prevented the players from showing up. He still has hopes of landing these two players.

* * *

The line of Buck Whitlock, Gary Gordon and Jim MacKenzie presented the Islanders most sustained attacks and after a few more outing together may well turn into the best line in the League. They were instrumental in the scoring of three goals last night and had chances for at least ten more but their bids were turned aside by the sharp playing of Don Lockhart. Connie Bonhomme only had about two good scoring chances all night but he made both of them pay. Hub Beaudry had the most chances of anyone on the Sudbury line but Hub found Lockhart a tough customer to beat.

* * *

Cecil Dowling, Ralph and Wally Shephard of the Saint John Beaver spent the last two days in the City and will return today to Saint John where they play against the Moncton Hawks tonight. The boys report that attendances at the Moncton and Fredericton games have been exceptionally good but the Saint John fans have not been turning out in very large numbers. The answer to this, they believe is Saturday night games.

* * *

According to Dowling, Frank Roper of Charlottetown is having a great season as netminder of the Fredericton Caps. Frank worked out with Moncton, went to Saint John but left for the Caps when the Fredericton team offered him more money. Bubby reports that Nick Nicolle is going well and is leading the league's scoring race. Nick is playing coach of the Beavers but is resigning the job in favor of George Boucher former Boston Bruins coach. Dowling, Nicolle and Mike Daksi form one line on the Beavers.

The Charlottetown Islanders picked up valuable ground in their race with the Halifax Atlantics for League leadership as they scored four third period goals to defeat the Glace Bay Miners 5-1 last night at the Forum in an M. M. H. L. game.

The win moves the Islanders to within four points of the Halifax Atlantics. The Halifax team dropped a 4-2 decision to the Sydney Millionaires during the time the Islanders were turning back the Miners.

The Islanders struck for their four third period goals within the space of six minutes and 37 seconds as they applied the pessure to Hub Macey's Red Raiders after playing through two indifferent periods of hockey.

The teams battled to a 1-1 draw in the first two sessions with out standing features being the work of goalies Al Millar and Don Lockhart.

The Islanders counted the only goal of the opening period although they probably should have been on the short end of a 4-1 score. Four times Glace Bay forwards rode in on Millar unmolested and four times the black thached netminder from the Quebec Aces turned them back.

Miners Even Count

In the second period the Miners evened the count as starry Johnny Raynak half pushed Millar into the net to get the puck across the goal line. Johnny Myketyn and Ron Miller drew assists on the play.

Lockhart showed top form in the second period and early part of the third period. Finally MacKenzie beat him from close in and that was the signal for the Islanders to spring to the attack.

Their last three goals came in a little over two minutes with Connie Bonhomme, Buck Whitlock and Bob Gray being the marksmen.

The goal by Bonhomme was his second of the night as he counted for the Islanders in the first frame.

Both teams were at almost full strength. The only player missing was the Miners playing coach Hub Macey. Hub was out with a foot injury but may play tonight in Halifax.

The Miners played a strong forechecking type of game. They showed good passing on their attack but their skating was weak and also their marksmanship when they worked in close.

The Islanders save for the last period and occasional bursts in the other two frames were off stride.

Jimmy MacKenzie made the first smart play of the game at the four minute mark when he sent Buck Whitlock away with a rink wide pass. Buck rode in on Lockhart but his shot was turned aside.

Minutes later Raynak went coasting in on top of Al Millar but the Islanders goalie outguessed him. At this point of the game the Miners showed some of the best passing attacks and they hemmed the Islanders in their own territory.

Open Scoring

Big Marcel Clements did the work for the Islanders first goal as he carried the puck almost the length of the ice. He cut though the Glace Bay defence as three defenders attempted to take him out of the play. Clements almost reached the goal mouth before the puck rolled off his stick and Connie Bonhomme caught the loose disc to flip it behind Lockhart.

The Miners raced right back and team captain Bob Cooper almost scored around the fifteen minute mark. Cooper was sent into the clear but again Al Millar turned back the threat.

Shortly afterwards Keller of the Miners had a great scoring opportunity but again Millar blocked the way. Raynak carried behind the net and centred out in front only to see Millar block Keller's point blank shot.

The whistle had hardly blown for the opening of the second period when the Islanders Millar stopped the Miners Miller at the goal mouth. The stop was in vain, however, as the Miners scored seconds later.

Defenceman Johnny Myketyn fired a high shot towards the Islanders net that was knocked down. The puck rolled near the goal mouth and Miller of the Miners got his stick on it. However he was held by an Islanders defenceman but Raynak managed to get enough of the puck to push it and Al Millar into the cage.

Hub Beaudry and Jim MacKenzie had the best scoring opportunities for the Islanders. Beaudry was turned back twice on hard drives and MacKenzie once.

Jimmy, however came back at the 8:04 mark of the final frame to score the game winning goal. Lou Kiley passed the puck in from the blueline. MacKenzie made a swipe at the disc and lifted it into the net.

Connie Bonhomme made it 3-1 by scoring from a face-off. Beaudry centred the puck to Bonhomme and the later drilled it into the far corner.

Buck Whitlcok was sprawled on the ice when he scored the Islanders fourth goal. McLagan started the play with a hard shot that took Lockhart out of the net. Buck picked up the loose puck but his shot hit Gary Gordon at the goal mouth. Whitlock fell after shooting but managed to get the rebound and knock the puck into the cage.

Just a little over a minute later Bob Gray on a three way play with Gary Gordon and Whitlock scored the final goal. Whitlock started the play with a pass to Gordon. Gary carried past the defence before centering back to Gray. Bob's shot from about 10 feet out caught the upper left hand corner.

Lineups

Glace Bay—Goal, Lockhart; defence, Hinchberger, Cooper, Myketyn, Burega; forwards, Backor, McCracken, Schiller, Keller, Amadio, Raynak, Russell, Miller, Batten.

Charlottetown— Goal, Millar; defence, Travis, McLagan, Kiley, Gray; forwards, Whitlock, Hurst, Hagan, Gordon, MacKenzie, Beaudry, Bellringer, Bonhomme, Clements.

Hugh Gillis, referee; Art Perry and Johnny Squarebriggs, linesmen.

SUMMARY

First Period

1—Charlottetown, Bonhomme (Clements) 13:13
Penalties—Myketyn 9:05, Amadio 15:04, Gray 15:04.

Second Period

2—Glace Bay, Raynak (Myketyn, Miller) ..... :58
Penalties—Hagen 6:16.

Third Period

3—Charlottetown, MacKenzie (Kiley) 8:04
4—Charlottetown, Bonhomme (Beaudry) 12:17
5—Charlottetown, Whitlock (Gordon, McLagan) 13:35
6—Charlottetown, Gray (Whitlock, Gordon) 14:41
Penalties—Hurst 17:46.

STOPS:—

Lockhart	5	10	15	—30
Millar	8	8	8	—24

During the past year this Department, Industry and Natural Resources, has been swamped with complaints regarding beaver. If they are not damming railway or road culverts, thus creating serious transportation problems, they are building dams on various streams and flooding pasture and timber lands. This columnist has lost a lot of time trying to live trap the animals.

* * *

Three years ago I live trapped a crusty old codger that would weigh close to fifty pounds at Hermitage. He persisted in damming up the railway culvert a short distance east of the Station. People in Eastern King's were hollering for beaver so I transported this sour old bachelor to the Souris Line Road and let him go at the old McInnis Mill site. He didn't take long getting into trouble. He decided a miller in the district was losing too much water and persisted in damming his waste-gate.

* * *

I hated to see him all by his lonesome and the following year live trapped a pair that were making themselves a nuisance and let them go in the same area. This pair established a home at Big Pond and it wasn't long till his nibs made a call on them and decided to stay. Apparently he wouldn't do his share of work or something for in a few months they put the run to him and he moved back to his original hangout. This spring the pair at Big Pond raised a family. I don't know how the old bachelor found out about this but in the early fall he went on a courting visit and persuaded a sweet young thing, about a quarter as big as himself, to accompany him to The Glen, about three miles as the crow flies from Big Pond. He sure robbed the cradle that trip.

* * *

He didn't waste any time on their honeymoon but put her to work right off the bat damming a road culvert. The resultant dam flooded a large area of swampland and made the highway impassable. A gang of road men cleared the culvert every morning and installed two new ones bu every evening, as deep dusk fell, two busy beavers went to work. Observers watched them, the wee little girl beaver and her big, hulking kidnapper, carrying material to plug up the breach. They'd hold a bunch of mud and twigs tucked under their chins with their fore paws, like two hands, and paddle with their hind feet and steer with their tails. Now there's a big howl from King's County to live trap those heaver and move them somewhere else First they wanted them . . . now they don't.

* * *

The point is: where to. There's no place where they'll not get into more trouble. No person thinks more of the beaver than does this columnist but I have to admit they are a big problem in this agricultural Province. The Department concerned has been under heavy pressure for an open season on the animals for the past two years. Either that or make good the damage caused. I guess the lesser of two evils will be an open season. If the animals are given continued protection they'll continue to increase and spread and for every complaint regarding beaver damage received this year, and there were many, there'll be two in 1953. Naturally if a land owner has beaver on his property he doesn't want destroyed he can post his land as Enclosed Property and be given police protection in looking after the wellfare of the beaver living thereon. If an open season is declared this doesn't give a trapper any right to trespass on private land without the permission of the owner.

Millionaires Score 4-2 Victory Over Atlantics In Sydney

SYDNEY, Nov. 21 — (CP) — Cliff Roach's Sydney Millionaires reduced Atlantic's lead in the Maritime Major Hockey League before 1,671 fans here tonight by downing Halifax 4-2 in a crowd-pleasing contest which produced some of the fastest hockey of the season.

Millionaires' peanut line of Alex Birukow - Freddie Hildebrand - Bruce Gallagher, played a prominent part in the Sydney win. It held the high-scoring Halifax unit of Billy Watson - Hughie Campbell - Bill Ford to a single goal, besides the one Watson scored when both clubs were playing two men short.

Moneymen built up a three-goal lead in the first period while Nick Pidsodny was holding Halifax scoreless. Pidsodny rose to sensational heights and was particularly sharp against little Muckle Hollett who rolled in about four times in the first two periods.

It was a typical Halifax-Sydney contest with trouble threatening to break out all through the game. Twice each team was caught with two men short, and the only damage was the Watson goal, set up by Hughie Campbell.

Bill McDonagh opened the scoring on a Ronnie Rowe handout. Then Nick Hill picked the short side on a play with Nobby Clarke midway in the period and at 15:42 Gallagher finished off a play with defenceman Eddie Marineau and Dunc MacIntyre.

Halifax got one back in the middle heat, Watson doing the firing while Lepine, Hill, Marineau and Hayes were in the sin bin. Halifax moved it up to 3-2 at 1:02 of the final period, on Ford's goal, then Sydney took over the play and after a number of dangerous sorties they finally clicked with Robertson counting the insurance marker.

At 18.49 when Marineau was chased for interference, Halifax pulled goalie Roy McMeekin for the last 71 seconds but Sydney held them out with Birukow, MacIntyre and Whalen flashing good form in front of Pidsodny.

There were 11 penalties, six to Sydney. Pidsodny had 22 saves against 19 for McMeekin.

Lineups

Halifax—Goal, McMeekin; defence, Bloom, Hayes, McLaughlin, Lepine; forwards, Watson, H. Campbell, Ford, Goold, Hollett, McPhee, McNeil, King, Bergeron.

Sydney—Goal, Pidsodny; defence, MacIntyre, Marineau, Whalen, Tyshko; forwards, Gallagher, Hildebrand, Birukow, Robertson, Rowe, McDonagh, Clarke, Hill, R. Campbell.

Officials—Goode, Peters, Thompson.

SUMMARY

First Period

1—Sydney, McDonagh (Rowe) ..... :41
2—Sydney, Hill (Clarke) 10:47
3—Sydney, Gallagher (MacIntyre, Marineau) 15:52
Penalties — MacIntyre 1:54, Goold 2:40, Ford, H. Campbell, MacIntyre and Gallagher 13:41.

Second Period

4—Halifax, Watson (Campbell) 14:53
Penalties — Lepine 13:01, Hill 13:01, Marineau 13:27, Hayes 13:27

Third Period

5—Halifax, Ford 1:02
6—Sydney, Robertson ((Tyshko, Rowe) 9:07
Penalties—Marineau 18:40.

Millionaires Will Demand Full Explanation

SYDNEY, Nov. 21 — (CP) — Sydney Millionaires will ask a full explanation on why Charlottetown Islanders didn't show up for a scheduled Maritime Major Hockey League game here Wednesday.

The Millionaires, at a special meeting, deplored the "lack of co-operation" of the Islanders. Club delegates also will ask a league meeting to be held at New Glasgow Sunday for clarification of the ruling on postponed games.
