SPECIAL NOTICES.

Holloway's Ointment and Pills —Lumbago, Rhematism, Tic Doloreux.—All Excruciating pains of the muscles and nerves are relieved with astonishing rapidity by the use of this extraordinary Ointment. The affected parts, previously fomented with warm water, have only to be briskly rubbed with this soothing unguent to obtain instant ease. The Pills much assist in banishiny the tendenty to rhematism and similar painful disorders. Whilst the Ointment cures the local ailment, the Pills remove the constitutional disturbance, and regulate every impaired function of every organ throughout the human body. The cure is neither temporary nor superficial, but permanent and complete, and the disease rarely recurs, so perfect has been the purification performed by these searcing yet harmless operations.

Tested by Public Approval.—Modern science applies itself to every department that promotes health, comfort and luxurious ease; and among the chemists of the day who have greatly multiplied these appliances, Joseph Burnett & Co. stand pre-eminent. We have received in a neat little case an admirable cosmetic; an *Oriental Tooth Wash;* and a new and delicate perfume, under the pleasant name of *Florimel.* These articles have been before the public for some time, *and have been tested by its approval.* Having used these preparations very freely, we can cordially recommend them to our readers. —*New Bedford Mercury.*

Much has been said of the Eastern Esculapius' labors for the sick; not one half has yet been told of the indomitable perseverance of this singular man. Imbued with the conviction that Scrofula is the parent of disease, he has been years engaged in searching the boundaries of the earth for its antidote. With vast labor has he canvassed the products of sea and land, through both continents, until he has discovered that combination of remedials which expurges this human rot and corruption from the system. This new invention we now offer in our columns under the name of Ayer's Sarsaparilla, although its virtues are from substances far more active and effectual than Sarsaparilla.—*Mercantile Journal.*

THE OXYGENATED BITTERS.

A Query. Why will you suffer? Dyspepsia is a brief but comprehensive term for the numerous diseases which affect the stomach, liver, and in fact the whole human system. Until Mr. Green discovered the Oxygenated Bitters, medical science was at fault and had exhausted itself in fruitless efforts to cure this disease. The Dyspeptic need suffer no longer with a disease that is always painful, and frequently a fatal affliction.

This unique and peculiar compound will as certainly cure the disease as the disease exists. Had it not this power, such testimony as follows would not be given in its favor:

Dyspeptics, Read!

Messrs. S. W. Fowle & Co.—

Gents:—Nine years ago I was so much reduced in strength as to be unable to attend to the common duties of my household, and suffered from a complication of diseases that truly render life a burden. I resorted to various *physicians* of acknowledged skill, but *without relief,* and my case was considered beyond the possibility of cure; but at this juncture I made use of the *Oxygenated Bitters,* and so rapidly did I mend that the effect was wonderful. My physician's distrust of the medicine gave place to the utmost confidence in it. After a lapse of years, I now remain in the enjoyment of good health, and have ever found the Bitters a never failling antidote for the various symptoms which arise from constitutional derangements. I have since recommended them to several of my friends, with uniform and satisfactory results

From a respectable and well known Druggist.

Charlottetown, Prince Edward Island,
Messrs S. W. Fowle & Co. June 21, 1860.

Gentlemen:—You will please send me another supply of Dr. Wistar's Balsam of Wild Cherry, and also some more of The Oxygenated Bitters, the sale of which I am happy to state is steadily increasing. Those who have tried either of them have borne willing testimony to their efficacy as remedial agents in the diseases to which they are respectively applicable. Respectfully yours, WM. R. WATSON.

Prepared by SETH W. FOWLE & CO, Boston, and for sale by W. R. Watson (general agent), T. DesBrisay and M. W. Skinner, Charlottetown, and by Druggists generally.

A DOWN TOWN MERCHANT.

Having passed several sleepless nights, disturbed by the agonies and cries of a suffering child, and becoming convinced that Mrs. Winslow's Soothing Syrup was just the article needed, procured a supply for the child. On reaching home, and acquainting his wife with what he had done, she refused to have it administered to the child, as she was strongly in favor of Homœopathy. That night the child passed in suffering, and the parents without sleep. Returning home the day following, the father found the baby still worse; and while contemplating another sleepless night, the mother stepped from the room to attend to some domestic duties, and left the father with the child. During her absence he administered a portion of the Soothing Syrup to the baby, and said nothing. That night all hands slept well, and the little fellow awoke in the morning bright and happy The mother was delighted with the sudden and wonderful change, and although at first offended at the deception practiced upon her, has continued to use the Syrup, and suffering, crying babies and restless nights have disappeared. A single trial of the Syrup never yet failed to relieve the baby, and overcome the prejudices of the mother.

AYER'S SARSAPARILLA

Is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the disease Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proved by experiment on many of the worst cases to be found in the following complaints:

Scrofula and Scrofulous Complaints, Eruptions and Eruptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic Affections, Mercurial Disease, Dropsy, Neuralgia or Tic Doloureux, Debility, Dyspepsia and Indigestion, Erysipelas, Rose or St. Anthony's Fire, and indeed the whole class of complaints arising from Impurity of the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins: cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt people enjoy better health, and live longer, for cleansing the blood.—Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure.

The Greatest and Best Invention of the Age
FOR FARMERS.
Manny's Patent MOWING and REAPING Machine.

ONE acre of Hay or Grain cut on rough or smooth land in an hour, for less than one shilling cost, with the assistance of four or five joined in the purchase of one of those ever renowned *labour-saving Manny's Patent Mowing and Reaping Machine combined.*

Now on Exhibition and Sale, with Witcomb's Patent Horse Hay Rake, and Brown's Patent Horse Pitch Fork, at *Orwell Cheap Store*—cheaper than the cheapest Country Store on the Island, and with the greatest variety, from a Needle to an Anchor.

3 Gold, 6 Silver Prize Medals, and $100 Cash have been awarded

At the Crystal Palace and State Fares of America, where Manny's Machine has been fully tested with several other Machines, and proved to be the best, safest, most durable and cheapest Machine of the kind ever offered to the public, for saving time, labor and expense to the Farmers, by which five weeks labor and cost can be saved over the old fashion mode of harvesting with hook and scythe, which will pay a fifth share of the entire Machine in one season. It can now be got if four or five in a Settlement join together, and for which time will be given for payment by the Subscriber, for all those ordered by the 20th of May, so as to have them ready in time for harvest, to enable the Farmers to ship their produce in good weather, and a month sooner, and not fear having too much grain ripe at once, when one of these money saving machines can be had on such favourable terms and easy payment, at Orwell Cheap Store.

This is an opportunity that cannot be got every day, to clear and make large farms, and have a month's work done by lads 16 or 18 years old, in one week. This is coming up to Telegraph operation, and will make the Farmers independent, and look out for better times and more produce.

These wonderful Machines are invaluable to Ship-builders and Sea-Captains, Mechanics, Teachers, Widows, and all those whose time is more valuable at other callings, and will be set up by the maker. A trial given of them, and warranted fully perfect, or taken back.

Annexed are a few testimonials from some of our most extensive Island Farmers, that can be depended on, and who are willing to give satisfactory reference, if called on.

N. B.—All parties wishing to use any of these Machines, would do well to roll the land in time for them—*this is important.* P. S.

Certificates.

We certify that each of us have purchased one of *Manny's Patent Two Horse Mowing and Reaping Machines,* the operation of which we are highly pleased with, and it has proved much more satisfactory than we expected, having performed all our work much better, and at less cost than hand labor, and having our hay and grain secured nearly five weeks sooner than our neighbours, with the old fashion scythe and hook.

We consider *Manny's Machine* the most valuable invention ever discovered, or seen on this Island, for the benefit of the Farmers, and strongly advise every one requiring such to secure them in time, if they can arrange in any way to have one in each settlement, when the benefit will be found to save money and time—so valuable to farm workers.

N. B.—Any one wishing to see our Machine, can call at any time, or to the agent, at Orwell Cheap Store, where one is on exhibition and sale

I certify that I had one of *Manny's Patent Two Horse Mower and Reaping Machines* at work on my Farm last season, and found it proved admirably well, and far superior to any one of the kind I ever saw in England, or on this Island; and had I not succeeded in getting the use of it, I should have lost a great quantity of my grain, it having got over ripe, and I could not get men to hire at any wages at the time. I found it much less expense, and the work better done than by hand. My opinion is, that when these Machines are a little better known, no Farmer that wants to save money, or time, will be without one.

April 22, 1861. JOHN DOUSE, Port Selkirk.

"I hereby certify that I have purchased one of Manny's Reaping and Mowing Machines last summer, and I can testify to its superior construction and capabilities to perform the work for which it is designed in a first rate style. I have cut over very rough as well as smooth ground, and on all occasions its work was done well. I have also cut with it for several of my neighbours, and all were highly delighted with its performance. I can truly say it is one of the most useful articles that has been brought to this country, and I have no doubt it will be extensively used, as it saves considerable time, labour, and expense, which all farmers wish for.

EXTRAORDINARY SUCCESS OF THE NEW AND ONLY SAFE MODE OF TREATMENT. *Through all Booksellers, and of all the agents for Dr. De Roos' medicines, or sent Post free direct from the Author for 2s. 6d.*

THE MEDICAL ADVISER on premature decay of the system, arising from excesses, infection climate, &c, and its speedy restoration to health and vigour by an improved method of treatment. Chapters on all the more common diseases of the generative system, with the best means by which the most obdurate cases may be speedly cured; remarks on the use of the microscope; observations on Marriage; directions for obviating certain disqualifications; rules and prescriptions for self-treatment, &c. By W. De Roos, M. D, *of the Ecole de Medecine, Paris, Graduate in Medicine, Surgery and Midwifery,* 25, Bedford Place, Bloomsbury Square, London, W.

To those who contemplate marriage its perusal is especially recommended.—The knowledge it imparts must come *some* time, and happy they who do not possess it too late. Cure is *certain* in every curable case, and few indeed are they which are not so.—It is calculated to effect a complete revolution in the treatment of these complaints.—Simple and inexpensive, every sufferer may cure himself speedily, privately, and at the least possible cost.

Fromlong practical observation of the treatment pursued in the most famous Institutions of this country and the continent, for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that uniform success which has hitherto characterized his practice, in which the distressing consequences resulting from the injudicious employment of mercury, capivi, and similar dangerous medicines are entirely avoided. Lasting benefit in these cases can only be *reasonably* expected at the hands of those who devote their chief attention to such diseases; and to those only can confidence be *safely* extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to all who need such aid he offers every assurance of speedy restoration.

Foreign Residents can be successfully treated by correspondence, or sending the detail of their case, with a Bank note, or Bill on a London house for £5 or £10 in order that a package of medicines to meet the exigencies of the case may be sent out by next mail; thus avoiding the protracted suffering and unnecessary loss of valuable time, which must otherwise occur.

[Tuto et Celeriter.]

DR. DE ROOS' GUTTÆ VITÆ, OR LIFE DROPS, *Protected by Royal Letters Patent of England; Seals of the Faculte de France; Royal College of Prussia, &c.,* have in numberless instances proved their decided superiority over every other advertised Remedy for Spermatorrhœa, langour, lassitude, want of energy, depression of spirits, irritability, anger, excitement, needless fear, distaste and incapacity for society, study or business, indigestion, pains in the side, palpitation of the heart, giddiness, noises in the head, impotency, impediments to marriage, &c. This medicine strengthens the vitality of the whole system, gives energy to the muscles and nerves, thus speedliy removes nervous complaints, renovates the impaired powers of life, and invigorates the most shattered constitution. For skin eruptions, sore throat, pains in the bones and all those diseases in which mercury, sarsaparilla, &c. are too often employed in vain to the serious detriment of health, its surprising efficacy has only to be tested to be appreciated.

As these complaints if neglected often become "chronic" or incurable, sufferers will do well before they waste valuable time in seeking aid from instruments, and other absurdities professing to supersede medicines, to make fair trial of a remedy, which concocted on unerring scientific principles cannot fail, and may be carried about the person, or left upon the toilet table, without exciting a suspicion of its nature. Price 11s, and four times the quantity at 33s per bottle The £5 packages containing twelve 11s quantities, (by which a saving of £1 12s is effected) and the £10 packages by which a still greater saving is effected, will be sent from 25 Bedford Place only, on receipt of the amount per draft on a London house or otherwise.

Extracts from letters which can be seen by any one. "I am happy to say that I am now qnite well, thanks to you and your medicine of medicine"—*D. P., St. Asaph.* "I am happy to say that I shall not require more, thank God, and I hope He will reward you for what you have done for me."—*A. C., Hartlepool.* "If my tongue could speak, or my pen could write to express my gratitude to you I should feel appy, but neither word nor pen of mine can do so."—*H. A. Birmingham.* "Without you I should soon have been in my grave, but now I am a happy man again." *D. F. F., Inverness.* "I can never thank you sufficiently. 'Had I never read of the Guttæ Vitæ, where or what I might have been now I cannot tell." *W. G., West Pelton.*

PAINS IN THE BACK, GRAVEL, LUMBAGO, GOUT, RHEUMATISM, DISEASE OF THE KIDNEYS, BLADDER, &c. DR. DE ROOS' COMPOUND RENAL PILLS are a most safe and speedy Remedy for the above dangerous complaints Discharges and Diseases of the Urinary Organs generally, which too frequently harass the sufferer over the best years of life, and end only in an agonizing death. They agree with the most delicate stomach, and in three days effect a cure when capivi, cubebs, &c, have utterly failed. 2s 9d., 4s 6d., 11s., and 33s. per box. The superiority of these celebrated medicines over everything of the kind, is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above remedies the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

"I have taken your Pills and always derive great benefit from them" —*W. W. H., Queen's College, Cambridge.* "I have taken your Pills with the most happy result."—*B. H., Cork.* "Your Pills do me great good, I feel better this last twelve months than for years before."—*F. G., Wareham, Ashford.* "Your Pills did me more good than anything I have taken.'—*M J Dursley.* "I have tried your Pills and derived the greatest benefit theretrem"—*V. CAUTION.—There being highly injurious imitations of the above, sufferers should guard against the recommendation of other medicines by dishonest vendors, who thus obtain a larger profit. To protect the Public against Fraud, Her Majesty's Hon. Commissioners *have directed that the words* "Walter De Roos, London," *be printed in white letters on the Stamp affixed to the above, to imitate which is felony.*

We have put up and sold this article for over ten years, and can say, in confidence and truth of it, what we have never been able to say of any other medicine—never has it failed, in a single instance, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after ten years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skillful nurses in New England, and has been used with never failing success in

FRESH AND RELIABLE TESTIMONY.

"*Wistar's Balsam of Wild Cherry.*—We call the attention of our readers to the advertisement of *Wistar's Balsam of Wild Cherry* in another column, and assure them they can find no better remedy for coughs, colds, asthma, bronchial affections, or any disease of the throat or lungs.

"In August, 1858, an estimable friend of ours returned from a visit in the country much emaciated, and laboring under a severe cough, which had made such rapid inroads upon her constitution, that we felt something must be done at once, or she would become a victim of consumption. Having known the beneficial results which have occurred from the use of *Wistar's Balsam,* we made purchase of some for her, and we are happy to say, that before she had taken the contents of one bottle, her cough had entirely left her, and she is now in the enjoyment of excellent health."—*Olive Branch, June 25, 1859.*

Letter from Elder H. L. Gilman, a Minister of the Gospel in Vermont.

Glover, Vt., June 20, 1859.

Messrs. S. W. Fowle & Co.:—

Gents,—I hereby certify that I have been troubled for several years with a difficulty of the heart and lungs, and have applied to several physicians for help, and have tried almost every remedy of the numerous ones which have been recommended, without receiving any assistance, but had been growing weaker and weaker, until, hearing of *Wistar's Balsam of Wild Cherry* about *a year since, I commenced using it with immediate relief.* It has not only restored my lungs to a sound state, but I am entirely relieved of the difficulty or disease of the heart. I have no hesitation in saying that it is the best lung medicine before the public, and I most cheerfully and conscientiously recommend it to all persons suffering with pulmonary complaints.

H. L. GILMAN.

All who suffer with any disease of the Throat, Lungs, or Chest, can obtain like relief by using

CURE IS AT HAND!

HOLLOWAY'S OINTMENT.

Scorbutic Eruptions, as sore Heads and Scrofulous Swellings.

If this wonderful Ointment be well rubbed into the parts affected, all skin disease will be speedily overcome. It acts not by repression, but repulsion. It enters the system as salt enters meat, and operates not locally only, but constitutionally purefying the whole system, neutralizing all depraved humours, and affecting a radical and complete cure The Pills should be taken as an auxiliary to the Ointment, as they are so prepared as to act in unison with it, facilitating and confirming the conquest of the disease.

Diptheria, Ulcerated Sore Throat and Quinsey.

The above complaints have for twenty years been treated with Holloway's Ointment and Pills with perfect success. The cures have been so remarkable, speedy, and numerous, that these often fatal diseases are more easily cured by these medicines, than even the common sore throat, if taken in time.

The Kidneys, Stone and Gravel.

In these complaints, the Ointment almost acts like a charm, providing it is very effectually rubbed over the regions of the kidneys, which it will penetrate and give almost immediate relief, while the Pills should be taken according to the printed directions, when the most extraordinary cures may be effected by this means.

Bad Legs, Bad Breasts, Scrofulous Sores, and Glandular Swellings.

In such cases the Ointment operates surely and with a rapidity that resembles magic. It should be rubbed into the parts affected, after they have been fomented with lukewarm water. The purifying and curative powers of this marvellous unguent have never failed. Any old sore, wound or ulcer always yields to its influence, and in cases of bad breasts, or milk fevers, its action is wonderful. Glandular swellings may soon be reduced by following the printed directions.

The Action of the Heart. Dropsy.

[illegible] disease is commonly preceded by irregular action [illegible] difficult respiration; which symptoms are always [illegible] This last [illegible] bad to worse, unless proper means of cure of the heart, and [illegible] Ointment and Pills the severe, and ever go from [illegible] are resorted to. In Holloway's [illegible] advocates the dropsical patient will ever find succour; the present relief [illegible] from the use of these remedies is marvellously quick, and perseverance in the steady application of this famous Ointment, invariably results in a cure. They act with such energy in the circulation and absorbent system, that the dropsical fluid vanishes and the sufferer finds all the oppressive symptoms daily decline, till natural health returns.

Gout and Rheumatism

May be cured with the greatest certainty if large quantities of the Ointment be well worked into the complaining parts, and this perseveringly done for some time. It is no use to smear it on the skin only, it must be got into the system. Take as many Pills nighly as will act two or three times during the 24 hours; eschew the use of coffee and all stimulants. When these complaints are leaving the system, the virulence of the complaint frequently seems to increase.

Indiscretion of Youth.

Sores, ulcers, and swellings, can with certainty be cured, if this Ointment be thoroughly rubbed all round the complaining parts twice or thrice a day, keeping them covered with linen rag spread with the same.

The Pills must be taken according to the printed directions. The blood being in an impure state, perseverence is necessary. From humane motives letters of advice will be answerd gratuitously. To save carriage, the Pills and Ointment should be obtained in the neihbourhood of the sufferer, and not from Holloway's Establishment.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Chiego-foot	Fistulas	Sore-throats
Bad Breasts	Chilblains	Gout	Skin-diseases
Burns	Chapped Hands	Glandular Swellings	Scurvy
Bunions	Corns (Soft)	Lumbago	Sore-heads
Bite of Moschetoes and Sand-Flies	Cancers	Piles	Tumours
	Contracted and Stiff Joints	Rheumatism	Ulcers
		Scalds	Wounds
Coco-bay	Elephantiasis	Sore Nipples	Yaws

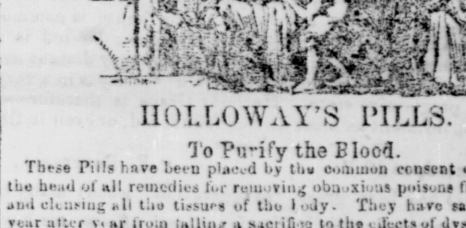
ADVICE GRATIS!



HOLLOWAY'S PILLS.

To Purify the Blood.

These Pills have been placed by the common consent of mankind at the head of all remedies for removing obnoxious poisons from the blood, and clensing all the tissues of the body. They have saved thousands year after year from falling a sacrifice to the effects of dyspepsia, dysentery, diarrhœa, constipation, liver complaints, &c., a fact attested by myriads of witnesses. Excessive weakness and debility, the warnings of decreasing organic energy and vital decay, are restored and reanimated with vigour and healthful action in every organ throughout the system, by the restorative and exhilarating influence of this medicine.

Female Complaints.

All disorders of the sex, and diseases in every crisis perilous to the life and health of women, youthful or aged, married or single, may be radically and quickly cured without risk or trouble by a few doses of these Pills, taken according to printed directions.

Indigestion with languor and want of energy.

When taking these Pills, rub Holloway's celebrated Ointment over the pit of the stomach, and over the regions of the liver, on the right side under the ribs, and you will at once experience a change for the better in your digestion, spirits, appetite, strength, and energy. The improvement, though it may be gradual, will be thorough and lasting.

DROPSY.

The efficacy of Holloway's Pills in dropsy is extraordinary. They act with such peculiar effect upon the system, that the fluids arising from this direful disease are imperceptably carried off and prevented from any further accumulation. The sufferer regains a buoyancy of spirits and rejoices in a completely renovated constitution; but it is indispensably necessary that the Ointment should be most effectually rubbed into the complaining parts.

Stomach, Liver, Kidneys, and Bowels.

Those who suffer from bile and liver complaints, should try the effects of this valuable remedy, a few doses of which will make the sufferer feel elastic and vigorous, removing all impurities, giving a healthy action to the liver; if billous attacks be allowed to continue serious casualties may arise, and the sufferer be consigned to a bed of sickness. In all disorders of the kidneys, the Ointment should be well rubbed into the small of the back, once or twice a day—and the Pills acting in unison, will cure any complaints arising from these organs.

Puffy,—Shortness of Breath with Weakness.

Very bad symptoms, which if not corrected, may tend to some serious disorders of the heart, or other vital organs. Eat moderately of solids, take six Pills nightly for some little time; take plenty of fresh air with moderate exercise, and the human machinery will be quickly restored to health and vigor. Try this but for three days only, and the result will be marvellous.

Complaints incident to Children.

All complaints of children may soon be cured if care be taken to purify their blood, correct the action of the liver, and cleanse the stomach and bowels: a few doses of these famous Pills will immediately have the desired effect, particularly if parents be careful in not allowing them to eat of things which they know would be injurious to themselves.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Dysentery	Liver complaints	Tic-Doloureux
Asthma	Erysipelas	Lumbago	Tumours
Bili's Complaints	Female Irregularities	Piles	Ulcers
Blotches on Skin	Fevers, all kinds	Rheumatism	Venereal Affections
Bow'l complaints	Fits	Retention of Urine	Worms, all kinds
Colics	Gout	Scrofula, or King's Evil	Weakness, from whatever cause
Constipation of the Bowels	Head-ache	Sore Throats	&c., &c.
Consumption	Indigestion	Stone and Gravel	
Debility	Inflammation	Secondary Symptoms	
Dropsy	Jaundice
