 Montreal: Market mixed; moderate trading.

CURRENCY

MONTREAL (CP)—The U.S. dollar closed at a premium of 8 3/16 per cent in terms of Canadian funds, up 3/32 from Thursday's close.
 Pound sterling closed at 83.05, up 5/16.

NEW YORK

NEW YORK (AP)—Stock market trading for the first half of 1962 ended today with the Dow Jones Industrial Average at 100.44, up 1/2 from a month-losing for two straight sessions.

The week's gains were the greatest in two years. Although they were made from the bottom of the long lull in trading since 1961, they were cheering to the majority of Wall Streeters—those who want higher prices for the stocks they own.
 Two strong buying waves accompanied by late ticker tapes brought the list to impressive peaks for the day, but the best gains came away in a late spell of prodding. Nevertheless, the overall gain was substantial.
 Steels came to the fore surging in the afternoon to pace a renewed advance but a spate of reports about steel production in heavy trading rose three cents to 24 and Helium Corporation added 29 cents to \$1.19.
 The index, banks were up 0.61 to 58.57, utilities up 0.9 to 130. Industrials up 0.7 to 256.6, combined 0.7 to 242.5, papers up 5.8 to 470.7 and golds off 0.79 to 76.58.

Among grains Intercontinental Pipeline rose one point to 69, Shawinigan 1/2 to 20, and Dominion Tar and Chemical 1/2 to 17 1/2.
 Central Del Rio in western oils rose 25 cents to \$3.25.
 Among mines, Mount Pleasant rose 14 cents to \$1.82. Tache Lake in heavy trading rose three cents to 24 and Helium Corporation added 29 cents to \$1.19.

There's much to amuse youngsters at Island beaches, and probably one of the favorite pastimes, next to building sand castles, is the somewhat dubious pleasure of "burying" each other... however, this young lad seems to be enjoying it, as he undoubtedly enjoyed his swim... in the warmest salt water north of Florida.
