TELEGRAPHIC NEWS. DOMINION PARLIAMENT

Summary of Proceedings.

OTTAWA, April 1.

After routine, in answer to Mr. Weldon Sir John Macdonald said no export duty had been enacted upon piling and small timber shipped from New Brunswick ports to the United States, these classes not being subjected to export duty.

Mr. Jones, Halifax, moved for an order in council relating to the division of the subsidy of \$250,000 to the International Railway Company between the different positions of the road from St. Lawrence to Lennoxville, More River, Mattawakeg, Hawey and Salisbury, the number of miles in each division and the amount appointed thereto. He also moved for a return of survey of the Annapolis and Liverpool Railway.

The resolution to refer the case of Mr. Robertson, of King's, P. E. I., to the Privileges and Elections Committee, on the charge that he had violated the Independence of Parliament Act by receiving pay for medical attendance on sick mariners at Montague, was dropped from the paper today by general consent.

Mr. Eisenhauer started the debate this afternoon on the sawdust nuisance in Nova Scotia rivers by moving for returns of correspondence evidence between the department and overseer for Lunenburg; also for a copy of Rodgers' report on the question. He charged the Government with political favoritism in enforcing the law.

Hon. Mr. Tupper, while having no objection to furnishing the returns, denied the charge of favoritism of any kind, and showed that the act had been interpreted in a liberal spirit, so far as the lumber men were concerned.

At 5:45 Sir John announced in feeling terms the death of Hon. J. H. Pope, and on his motion, after brief remarks by Hon. Messrs. Laurier and Mitchell, the House adjourned till to-morrow afternoon.

John Ead Dead.

HALIFAX, April 1.

John Ead, Chairman of the Board of Fire Wardens, died to-day, aged 60. He was a prominent Irishman and an active ward politician.

Promoters of Existence.

Disease is a mean fellow; it always strikes a man when he's down. Two men came into a car together—one overworked, depressed, worried and exhausted, the other interested in his work, which employs every faculty to the uttermost, comfortable and happy, with the conviction that his wife is the dearest woman in the world, his children as bright as any one's children, and that he isn't a very bad sort of a fellow himself. A draught blows through the car as usual, striking both men. They both take cold; one has pneumonia and dies, and the other a cold in his head, which he sneezes away in two days. It is easy to draw the inference and with it to deduce the formula that comfort, cheerfulness and hopefulness are the best promoters of existence.

"Ayer's Sarsaparilla is selling faster than ever before. I never hesitate to recommend it."—George W. Whitman, Druggist, Albany, Ind.

"I am safe in saying that my sales of Ayer's Sarsaparilla far exceed those of any other, and it gives thorough satisfaction."—L. H. Bush, Des Moines, Iowa.

"Ayer's Sarsaparilla and Ayer's Pills are the best selling medicines in my store. I can recommend them conscientiously."—C. Bickhaus, Pharmacist, Roseland, Ill.

"We have sold Ayer's Sarsaparilla here for over thirty years and always recommend it when asked to name the best blood-purifier."—W. T. McLean, Druggist, Augusta, Ohio.

"I have sold your medicines for the last seventeen years, and always keep them in stock, as they are staples. There is nothing so good for the youthful blood as Ayer's Sarsaparilla."—R. L. Parker, Fox Lake, Wis.

"Ayer's Sarsaparilla gives the best satisfaction of any medicine I have in stock. I recommend it, or, as the Doctors say, 'I prescribe it over the counter.' It never fails to meet the cases for which I recommend it, even where the doctors' prescriptions have been of no avail."—C. F. Calhoun, Monmouth, Kansas.
