Tribe Shades Tigers 2-1; Dodgers Down Baby Bears

By THE CANADIAN PRESS
A six-game winning streak by Detroit Tigers ended abruptly Friday when Cleveland Indians used four singles off Paul Foytack to maul a 2-1 win over the Tigers. Cal McLish gave up nine hits over the first seven innings, but Jim (Mudcat) Grant turned in a brilliant relief job to secure McLish's 16th pitching triumph. The Tigers couldn't get anything moving for them, and stranded 16 base runners. Four times they left the bases loaded. The lone Detroit run came on Harvey Kuenn's homer in the fourth. Kuenn had a double in addition and raised his batting average to .316. Al Kaline, another contender for the American League batting title, went into the game with a .310 average, but was hitless in five trips. **SINGLE WINS IT**
Larry Doby won the game for the Tribe with a two-out eighth-inning single that drove in the

run that broke a 1-1 deadlock. A walk and single by Russ Nixon and Randy Jackson accounted for the other Cleveland run in the second. Los Angeles downed Chicago Cubs 5-1 in the National League. Two Dodger rookies hit homers and Ralph Maueriello won his first league victory to give his team sole possession of sixth place. **SCATTERS FIVE HITS**
Mauriello scattered five hits until he was relieved by Johnny Podres in the eighth. Rookie outfielders Ron Fairly and Don Demeter of Los Angeles hit bases-empty homers in the sixth off Cub starter Johnny Briggs. The Dodgers belted Briggs, Taylor Phillips and Don Elston for 14 hits, scoring an insurance run in the ninth off Elston. **BALTIMORE (AP)**—Baltimore scored five runs, including Gus Triandos' two-on homer, in the ninth inning Friday night to defeat

penant-winning New York Yankees 5-4. **PHILADELPHIA (AP)**—Right-hander Bob Friend became the season's top winner in the majors Friday night, bagging his 22nd with a five-hitter as Pittsburgh's persistent Pirates defeated Philadelphia 4-2. **BOSTON (AP)**—Boston's determined Pete Runnels added two points to his American League batting average Friday night as the Red Sox defeated Washington 2-0.

Ortiz Wins From Busso

NEW YORK (AP)—Carlos Ortiz evened an old score with the only man who beat him when he won an unanimous decision over Johnny Busso Friday night in a fast 10-rounder at Madison Square Garden. Ortiz weighed 137, Busso 140. Despite his defeat in their first meeting, June 27, Ortiz was the 7 to 5 favorite.

SPORTS FRONT

By PIUS CALLAGHAN

IVAN DOHERTY is working at top speed on his big boxing attraction which goes on next Wednesday night at the Sports Arena. Headlining this card will be the ten round fixture which brings together Charlotte's Don 'Duck' Trainor and Bob Leadley of Halifax. Don needs no introduction to fight fans here. He has been on many of Doherty's cards and the fact Ivan has him back again shows that the genial promoter considers Trainor a good attraction. Right now 'Duck' has his sights set on the Maritime middle-weight crown and, according to reports out of the trainer camp, this fellow Leadley is not going to stand in the way. Trainor is in the pink of condition and is oozing confidence for his test next Wednesday night.

HOWEVER BOB LEADLEY is the type of gentleman that has made it a habit of upsetting well-laid plans and nothing would please the 26-year-old ring veteran more than causing Mr. Trainor a slight detour along the road to the crown. He's the very scrapper that can cause grief and he'll do just that if he's given the opportunity. He is popular with the fans, likes to really mix it up and won't get on his 'bicycle' for anybody. All of which sounds interesting because Trainor promises he'll be looking for a knockout early in the battle.

FOR HIS SEMI-FINAL, Ivan is presenting the burly French Canadian from Chicoutimi, Bruno Boucher. This is the fellow that should bring back memories of the gamester, Gaston Roy, who never once disappointed local fight fans. Little is known of Boucher except that he is a real muscle man and possesses plenty of power behind those punches of his. His opponent, Vince Cook, Halifax is a rugged 160-pound individual who likes the going rough and will mix it plenty with Mr. Boucher. It would appear like the makings of a most entertaining evening.

A FORMER CHARLOTTETONIAN, Doug Howatt, is in attendance at the pre-season training camp of the National Hockey League's Boston Bruins. Doug was with Bathurst Papermakers of the North Shore league and played Charlottetown Royals last April in the Maritime final. With Howatt is Willie O'Ree. Willie played with Quebec Frontenacs and Kitchener Canucks during his junior hockey career and had a tryout last year with the Boston club. He finished up last season with the Quebec Aces.

ONE-TIME BATTING CHAMPION, Ernie Lombardi, thinks it's a shame the way some young ball players are trying to murder the ball. Ernie certainly is the type of spokesman that definitely deserves to be listened to because the big catcher was a pretty fair hitter in his day. Ernie has this to say: "As usual, the kids are aiming to belt homers each time they come to bat. That's pretty much of a shame. The fact is that the great ones don't come along very often. A lot of potentially good hitters don't make the grade. The little guys go home run crazy and miss the boat. If they concentrated on other phases of batting they might turn into .300 hitters, and earn more money, too."

BOB TURLEY, the ace of Casey Stengel's pitching staff, wasn't always able to control the ball. He had his bad moments and that's what delayed his arrival at greatness. He knows what it feels like to have loads of stuff and a world of speed and yet have wildness threaten to ruin your career as a pitcher. Turley puts his thoughts this way: "There have been many wild fast ball pitchers who did not succeed in gaining control. Rex Barney had great speed and I know he worked as hard as any pitcher, but he could not go all the way. I don't know why. Neither could I be sure four years ago that I would be able to get that extra strike in the clutch when one pitch means the difference between an out and a walk." Turley apparently has won the fight—and how.

THE GREAT VETERAN of many baseball wars, Yankee outfielder, Enos 'Country' Slaughter hasn't too much praise for a lot of the kids coming up in the big time today. Enos claims there are too many who know it all and aren't ready to pay attention to the voices of experience. Perhaps 'Country' is getting a bit sour and then again perhaps what he claims is all too true. At any rate here's his comment for what it's worth. "The kids coming up today would rather tell you how to play than take advice. When I was in St. Louis a kid tried to tell Stan Musial how to hit. The kid didn't hit .260 and wound up where he came from. Same thing today. You take fielding. You see a boy catching a fly on his left side. That means he has to bring his arm all the way across before he can throw. Tell him to catch it on the right side so he can throw quick and he looks at you. Then he starts to tell you how to do something." Well, Slaughter may have valid grounds for such a blast at youth, but we do think that the larger percentage of youngsters who break into the majors are most eager and happy to listen to what veterans like Slaughter have to say. And we like to continue to think along those lines.

Leafs Blank Black Hawks 7-0

PETERBOROUGH, Ont. (CP) Toronto Maple Leafs blanked Chicago Black Hawks 7-0 here Friday night in a bruising exhibition hockey game played before 4,448 fans. The two National Hockey League teams clash again tonight in St. Catharines. The Leafs grabbed a 2-0 lead in the first period and were ahead 7-0 going into the third. Thirty-five penalties were handed out by referee Dalt McArthur in the rough battle, featured by a second-period free-for-all. Hawks took 18 of the penalties, including seven majors for fighting.

Two Ball Games On Tap Today

Two mainland teams will be seen in action here today. Both squads are from Saint John. The Charlottetown Junior Legionnaires will be hosts to the Saint John Juniors in the first game of a best of three series for the N.B.-P.E.I. Junior Baseball Crown. The Juniors won the right to represent the island in this series by defeating the Mount Stewart Juniors two straight in a best of three series for the Island title. This game is scheduled to get underway at 1 o'clock. Shortly after the game's end both teams will leave for Saint John where the second, and if necessary, third game of this series will be played on Sunday. Immediately after the junior game the B.I.S. Shamrocks, Island Senior B Softball champs, will take on the Saint John Burma Royals in the opener of a best of three series for the N.B.-P.E.I. Senior B Softball Crown. Ev Beagan, manager and coach of the Irish, will have his ace moundsman, Joe Thistle, on the mound for this fixture. The Burma Royals are expected to have Gord Drillon, former NHL star veteran of 20 years softball, handling the pitching chores for them.

DOWN THE BACK STRETCH

Despite the unseasonable weather racing is being carried on at seven Maritime tracks, but closing dates are nearing. Charlottetown will have two more meets and then call it a day, or a night. We feel that the management deserves great credit for the large amount of money they have handed out in purses this year—certainly more than any other year since night racing started, and we must also praise the horse owners, drivers and trainers who have given. And to the judges stand—congratulations for the attention they have given to the rules and the carrying out of their orders. Without proper discipline, it was found year ago, that harness racing rapidly deteriorates. Because of that, many changes have been made in recent years, all with the intention of protecting the public, and also protecting the owners and drivers. **GOOD FINISHES**
Wednesday night's card at Charlottetown was witnessed by a small crowd, but it was a very interesting one and they saw some of the best finishes of the season. We particularly liked the trotting event, dashes 5 and 8, and like others we were surprised but glad to see the dainty, little trotter, Connie French, driven by owner Sid Stead, winning from six others in 2:15. Bernie Dan, owned by Jack Brown and driven by Joe Hennessey, took second, with Tommy Shanter (J. Arsenault) third. In the other dash of this event, Miss Tom Scott, driven by Don Seaman, showed excellent manners and won from Bernie Dan (Hennessey) in 2:13 2-5—a new record and excellent time for the conditions. Sally Volstadt showed a lot of speed, but apparently hasn't recovered from the accident in which she was involved some weeks ago. George Sobey made a very heady drive with Vivien M. in the 4th dash, placing enough daylight between himself and the others early in the race to win by a length from Moriell Woody, owned and driven by Sam Kenney, time 2:14 2-5. Jolly Bud, who has gotten away badly from the gate in the first dash of this event, showed that he deserved the con-

fidence of his backers by winning in a good contest with Nell's Lad (H. Willis), time 2:13 4-5—the second fastest dash of the night. Vivien M. is owned by J. A. MacNeill, Summerside, and Jolly Bud by H.P. Cudmore of Brackley. **DOING WELL**
Driver Lem Neill, whose stable has been racing particularly well this season, won the first dash on the program with the trotter Lucky Logan, with Lady Audrey (E. Bernard) second, time 2:17. Lucky Logan is owned by Roddy Ford, Hunter River, who has had several good trotters and pacers and has taken a great interest in the sport. The Bernard Stable is never absent when the roll is called at the Charlottetown track, and you can always figure that "dad" (Emmett) and his son will always win a good slice of the purse money. Wednesday night Emmett won with Brian's Dream, owned by Elmer Ferguson of Charlottetown, with Moab (L. Neill) 2, time 2:16 3-5. For many years we have known Ralph MacFadyen, Hunter River, as one of the largest growers of potatoes in the province, but Ralph also has a hobby that he quite often shows skill in, and that is driving a pacer. On Wednesday night he came from far back with Gay Spirit to be a close second to Jean Clegg, driven by Sid Stead, in dash 3, time 2:15. And in the remaining dash of this event, Ralph won nicely from Jean Clegg in 2:15 2-5. Jean is owned by Jim O'Brien of Alberton, who has bred some of the best pacers racing out of that locality for years. **IS GROWING**
The limelight was very strongly focused on a driver from Prince Edward Island at Delaware, Ohio last Thursday afternoon when the "Little Brown Jug" for three-year-old pacers was raced there. This stake was started in 1946, with a purse that year of \$35,353. Year after year, it has increased and this year it was \$70,000 that the three-year-olds entered raced for. Everyone was expecting that it would be won by Bye Bye (Continued on Page 9)

COME OUT THEY DID

NEWARK, N.J. (AP) — It takes girls to bring out the boys for athletics. Noting a decline in the number of lads trying out for the football teams and other sports, the girls at West Side High School put on a parade of white cloths on the bulletin boards of the boys' gym, and paraded through the school's corridors with a sign reading: "This is addressed to the men, and not the boys. Come out." And "come out" they did. The football coach found 33 men on his squad yesterday. Twenty-nine showed up for soccer and 19 for track.
