SHIPPING AT GEORGETOWN.—A correspondent writes: The Montague packet made her first trip on the river to-day, and the schr. Belle sailed for Picton.

MASONIC.—The Brethren of Victoria Lodge, No. 2 A. F. and A. M., are requested to meet this (Monday) evening at 8 o'clock sharp, for practice in the first degree.

DANGEROUS.—The sidewalk at Walker's Corner, Grafton and Great George Street, is very unsafe. If not attended to at once we may have to record a bill for damages against the city.

A GOOD CHANCE.—Anyone in want of good furniture should attend R. Beattie's sale to-morrow. A lot of parlor furniture, a bookcase, and a lot of other nice furniture will be sold.

EARLY MAYFLOWERS.—The St. John Sun says: Mayflowers are making their appearance and they are quite plentiful. A large lot came over from Digby in the Monticello on her last trip.

EMERGENCY MEETING.—An emergency meeting of the City Council for the consideration of the Act amending the Act of Incorporation, will be held in the Council Chamber this evening.

NOT COMING.—Mr. John F. Powers, in an advertisement in to-day's Pioneer, contradicts the rumor that he intended leaving Summerside, and states that he intends to continue his business there.

LET THE SKEPTIC look around him in any city or business center, and note the successful business men there. Who are they? The careful and judicious advertisers, invariably.—Reading (Pa.) Eagle.

THE BEAVER.—The steamer Beaver put into Georgetown yesterday on her return trip from Magdalen Islands, taking mails there earlier this year than ever before. She reports the seal fishery this season a failure.

FOUR GENERATIONS.—A short distance from Lower Stawiaske, N. S., there lives a family comprising four generations, viz., the great grand-mother, grand-mother, mother, and sons, aged respectively 56, 38, 20, and 2 years and 3 months, all enjoying good health.

A SPRING WEDDING IN THE AUTUMN OF LIFE.—A marriage took place in St. Dunstan's Church, Fredericton, on Monday morning, the contracting parties being M. Martin Courroy and Miss Sarah Donoghue. The bride is aged eighty, and the groom somewhere in the same vicinity.

ON May 7th there will be a tea and fancy sale in the Lyceum in aid of Notre Dame Convent. Doors open at 2 p.m.; tea ready at 6 p.m. Oysters, ice cream and refreshments of all kinds will be served. An agreeable evening is anticipated. Admission 10 cents. Tea 25 cents.

BREAKING WINDOWS.—The Summerside Agriculturalist says: One of the windows of Policeman McFarlane's residence was smashed in last Wednesday night by some unknown party or parties. Some other windows were broken during the past week, probably by the same persons.

PUBLIC MEETING.—In accordance with a requisition signed by a number of leading citizens a public meeting will be held in the Market Hall to-morrow (Tuesday) evening at 8 o'clock to consider the bill about to be introduced in the House of Assembly amending the Act of Incorporation.

TOO BAD.—The Pioneer is informed that the party from whom the Messrs. Strang, of Cape Travers and Tormentine, were buying a small steamer to run between the Capes this summer, has refused to complete the bargain, and this, too, after the Strang brothers had gone to considerable expense.

HAVEN'T PURCHASED YET.—The owners of the breweries in Halifax who have been negotiating with an English syndicate with a view of selling out, have received that the syndicate have not yet decided to complete the purchase, and an extension of time is asked for. It is probable that the negotiations will fall through.

ISLAND HORSES.—Mr. D. McKenzie, of Charlottetown, made a shipment of five horses this morning for the foreign market. Mr. McKenzie, who went in charge of them, expects to be back again about the 1st of May, when he will buy up another lot for the same market. Parties who have any good horses to dispose of will do well to give Mr. McKenzie a call on his return.

POLICE COURT.—The first fine of the season for a cow at large on the streets was inflicted to-day, viz: \$5 and costs. The Magistrate intimated that, as numerous complaints had been to him of cows at large destroying gardens and lawns, he would this spring inflict such fines as would effectually put a stop to this nuisance. One drunk was fined \$3 or 14 days.

H. M. S. PINAFORE.—The rehearsal held on Saturday night was excellent. Many of the characters taken were above the professional average, and with two or three more individual practices, the opera will excel in beauty and truth the rendition seems five years ago. Everything is pointing to a grand success, and we are glad to know that there are a few in our midst who have the courage and ability to present this the most pleasing of Gilbert & Sullivan's operas.

STEAMERS MOVEMENTS.—The steamer Princess of Wales made the run to Picton to day in four hours. Captain Cameron reports meeting with no ice on the passage.

GOFF BROS. Charlottetown, April 16, 1890.

Old Established Prices Gone!

In no branch of business has the reduction of prices been so noticeably great in the last few years as in the Furniture trade, and more especially in Parlor and Bedroom Sets of Furniture has this great reduction in prices taken place.

Housekeepers, when looking for New Sets of Furniture, often compare the prices they can buy for now with the prices they paid a few years ago, and the comparison shows that they can buy to-day for almost half the price of former years.

Witness the fact that a nice Walnut or Mahogany Bedroom Set, with a British Plate Glass, is being sold to-day for less than a good painted pine set could be bought for a few years ago. Also the fact that Walnut Parlor Sets cost to-day less than half the price paid not many years ago.

Improved machinery and new and scientific methods of production have effected these changes in the price of Furniture. As far as we are concerned, we have adopted into our Factory system such improvements as the advance of the times demanded, and our present GREAT CHEAP SALE OF PARLOR SETS and BEDROOM SETS is the result of our successful efforts in this line.

Over 100 Bedroom Sets are in process of manufacture in our Factory at the present, whereas a quarter of that quantity would be a large number to undertake at once with former facilities. We are therefore in a position to conduct our GREAT CHEAP SALE OF FURNITURE unlimited, and invite the public to come and inspect our extensive variety in Parlor and Bedroom Sets, and compare new prices with the old prices of former years.
