APPEAL CASE - Mr. Justice George J. Tweedy in Summerside Police Court yesterday heard the appeal in the case of the Queen versus Emmanuel Gallant. The appellant, Emmanuel Gallant, was charged with the conviction of the magistrate, allowing the appeal and dismissing the case against the defendant. Mr. John Stewart appeared for the Crown with Mr. J. A. MacDonald for the defendant. The case was one under the Temperance Act.

SIDE ROTARY - With Doctors J. C. Simpson, W. E. Howitt, and A. R. Gray, supplying the answers to the questions asked, a round table discussion on matters relating to the advancement of medical science provided the interesting program presented at the regular weekly meeting of the Summerside Rotary Club yesterday. The meeting was presided over by the president, Mr. T. Earle Hickey, and the only guest was Mr. Herbert Clark, of Alberton.

YOUNG ADULTS GROUP - The Young Adults Group of Trinity United Church, Montague, held an enjoyable social evening in MacKenzie Hall on Monday evening. Under the direction of Mrs. J. M. Fraser a pleasant hour was spent in games and contests. Following an excellent lunch served by the ladies. All joined in a lively sing-song, accompanied by Mrs. Fraser at the piano. During the evening a Young Peoples Society was organized, and the following officers elected: President, Miss Lorraine MacLure; vice-president, Billy MacIntyre; secretary, Mr. Harold Whitman; treasurer, William Bourke.

YOUNG WOMEN'S GUILD - At the December meeting of the Young Women's Guild of the Summerside Presbyterian Church held at the Manse on Monday evening. The following slate of officers was brought in for the ensuing year: President, Miss Constance Enman; 1st vice president, Mrs. Ralph Ramsey; 2nd vice president, Mrs. Keith Johnston; secretary, Mrs. David Larkin; treasurer, Mrs. Russell Hunter; lunch convener, Mrs. Seaver MacDonald. The retiring president, Mrs. Elmer Oker, was in the chair and opened the meeting with the repeating of The Lord's Prayer in unison. Plans for the coming year were discussed. Delicious refreshments were served by Mrs. Ramsey and Mrs. Hazel Dwyant.

EXTENDING POWER LINES - The work of extending the electric power lines from Montrose, where a temporary halt was made several weeks ago, to Tignish has been proceeding at full speed and yesterday afternoon reached the outskirts of the village. Immediately following the tying in of the transmission lines, the job of extending the lines throughout the village will be rushed in order to provide electric lights and power to as many residents as possible before Christmas. Considerably more than the required 100 consumers are already wired and more are being wired daily. A number of farm homes along the route of the power lines are already hooked up. Work is expected to be proceeded with by the Maritime Electric Company as long as weather conditions permit.

LAURA BAIN W. M. S. - The December meeting of the Laura Bain Missionary Society of the Summerside Baptist Church was held on Monday evening at the home of Mrs. C. B. Jelly, with the president, Mrs. J. F. Jenkins, in the chair. The singing of the hymn "O Come All Ye Faithful" with Mrs. Edward Poole at the piano, was followed by the Scripture lesson in Luke 21, read by Mrs. Harry Crossman, and the poem "They follow the Christ" by Mrs. Roy Lidstone. After the president offered prayer she read an article "Let's Keep Christmas." The hymn "Silent Night" sung and prayer was offered by Mrs. Jelly. The Mission Study "Christmas in Africa" was presented by Mrs. Bruce Johnston and Mrs. Clifford Smith. After the final benediction a social hour was enjoyed when Mrs. J. Garth Tombs and Mrs. Clarence Mercer were the lunch hostesses.

Annual Inspection Of Air Station Next Week

Air Commodore A. D. Ross, G. C., C.B.E., C.D., air officer commanding, Maritime Air Command, is scheduled to make his annual inspection of R. C. A. F. Station Summerside next Tuesday and Wednesday, December 16th and 17th.
A/C Ross after inspecting the guard of honor, immediately after his arrival, will tour the married quarters section, and visit the Air Marshal Johnson School, the school for dependents of personnel living in married quarters.
Later he will visit such outlying points as the transmitter site, the new fuel strip, the new sewage disposal plant, and the buildings in use for armament storage.
After noon luncheon he will inspect the composite mess, sergeants' lounge and quarters, airwomen's lounge, hospital, station theatre, chapels, library, rifle club, barber shop, hobby shop, bowling alley, snack bar, sport stores, and trade advancement centre.
On Tuesday evening the A. O. C. will be the guest of honor at a mess dinner.
On Wednesday morning at a ceremonial parade and inspection, he will present coronation medals to personnel of R. C. A. F. Station Summerside.
Later he will visit the supply section, central heating plant, fire hall, station workshops, the various hangars, central warehouse, photo section, C. E. section, and M. E. section.
The afternoon will be spent in inspecting the accommodation for the Maritime operational training unit and in conferences with service personnel on matters relating to the inspection.

Discusses Possibilities Of Small Industries

Mr. R. C. Bethune, settlement supervisor, Department of Citizenship and Immigration was the guest speaker last evening at a postponed meeting of the Summerside Board of Trade. Mr. Alan Holman, president of the board presided.
The guest speaker was introduced by Mr. John Mungall.
In his talk Mr. Bethune spoke of the possibilities of establishing small industries in Summerside. He pointed out that in all small towns across Canada.
He said that statistics and basic information gathered by his department are sent to branch offices located in different countries in Europe where it is available to people wishing to emigrate to Canada and establish industries in this country.
Considerable thought had been given, he said, to what is the best type of small industry suitable to this Province. He pointed out that one sees on the shelves of grocery stores cans of vegetables that are brought here from a thousand miles away while right here in the Province the contents of these cans are grown in great quantities. If this product were canned here in Summerside everyone would benefit, from the farmer to the purchaser.
He felt that there are plenty of opportunities in Prince Edward Island to induce tradesmen and technicians from other countries to come to this Province and establish themselves in small business such as this.
Routine business conducted by the board consisted of a report by Mr. William Haywood on the parking problem with which his committee is dealing. He said that he had proposed to the Town Council that the Armouries lot be kept clear of snow during the winter months provided that the necessary authority to use the lot as a parking space can be obtained from the military authorities.
The council had indicated that it would be pleased to see that the lot was kept clear of snow if the authority to use it were forthcoming.
The Board went on record as supporting the request from the Charlottetown Board of Trade that at the next civic election in Summerside a referendum be held to ascertain the desires of the people regarding the matter of daylight saving time in Summerside.
The board tendered congratulations to Mr. Harold B. Schurrman on his appointment as a director of the Bank of Canada.

Sport Echoes From Prince County

Summerside High, Freetown, R. C. A. F., and Albany are the four teams that will be "bullying off" at Bedeque Rink this winter.
The airforce sextet are the biggest question marks at present, as little or nothing is known about the personnel of their aggregation. Summerside, Freetown and Albany will all probably have some new players on their line-up, but there will also be a lot of familiar faces remaining with each team.
Summerside should be stronger. True, they have lost Laysh Schurman and Benny Grady, two valuable pieces of hockey bric-a-brac, but, to offset this, they have picked up Paul Schurman, Maynard Schurman, Vance Harris, Peter Pope and Dee LeSagey. The balance seems to have swung a bit on the side of improvement.

Garth Gay, Roy "Chick" Gallant, and Reg Phillips are three who were members of last year's team, and will probably remain with the club. It is expected Gay will coach the team, and "Chick" has turned out for the one practice they've had. We're not sure about Phillips but expect he will be with the squad if he plans to remain in Summerside during the winter months. Reg has grown a lot during the last year, and should show improvement on the ice lanes.

We were sorry not to have been present at the meeting called to discuss what should be done with the Mayor's Rink Fund (another commitment made it impossible) but we were interested in the suggestions put forth, and feel that virtually all of them were worthwhile, and deserving of careful consideration.

At first glance the question of using this money as a basis for building a community swimming pool seemed very attractive, but as we kept thinking about it, doubts began to rise. Swimming pools in universities, high schools and other such restricted groups have certainly proved successful. Perhaps a community swimming pool have proved equally successful. We wouldn't know about that, but perhaps there are people in town who can cite examples to show that they do. In any case, we think that the problems of congestion and sanitation would have to be carefully looked into before embarking on such a project.

Plan Christmas Concert At Air Station School

On Friday evening of this week, the pupils of the Air Marshal Johnson School at RCAF Station, Summerside, are presenting their annual Christmas concert in the station theatre.
For the past four weeks teachers and students have been rehearsing daily for this important occasion.
At the same time many of the mothers on the station have been busy making costumes.
The concert this year is entirely original, having been prepared by teachers of the staff. The script is such that it brings into the program each department of the school. It will include the kindergarten, rhythm band, drills, recitations, carol singing, choral readings, and a short play.

Kinsmen Club Christmas Tree Project Opens

The Summerside Kinsmen Club's 5th annual Christmas tree project was officially opened last evening by Mayor Henry Wedge at a banquet held in Howard's Restaurant.
A number of Charlottetown Kinsmen and Kinettes were welcomed to this meeting as part of a club visitation program.
Eimer Oker, chairman of the Kinsmen Christmas tree committee, presided at the meeting, and Richard Henthorn acted as master of ceremonies.
Mayor Henry Wedge, a life member of the Kinsmen Club, in his remarks paid tribute to worthy work of the Kinsmen Christmas tree project. He referred to the Christmas trees placed in the stores of R. T. Holman and the Co-Op Super Market, by the club.
He said that groups of individuals were invited to leave gifts of food or clothing under either of these trees.
He said all clergymen in the town had been asked to provide lists of the less fortunate families in their congregations, to whom these gifts should be sent, to make their Christmas more enjoyable.
He said these parcels would be delivered on Christmas eve by members of the Kinsmen Club.
Dave Carnegie, president of the club, said that none of the various Kinsmen projects which are conducted each year, gives as much individual satisfaction to the various members as does working for the Christmas tree project.
Frances Henthorn, of the Summerside Kinette Club, announced that the ladies of the club have, for some time, been knitting socks, mittens, and scarves for the children in families who will be among those receiving the Kinsmen Christmas gifts.

Charlottetown guests at the banquet included: Miss Elaine Burke, Mr. and Mrs. Ian Rankin, Freeman Archer, L. I. Duffy, Wally Higgins, Mr. and Mrs. Eddie Martin, Mr. and Mrs. Ken Martin, Mr. and Mrs. Bob Jorgenson, Mr. and Mrs. Alf Cordell, Mr. and Mrs. Clive Cudmore.
Following the banquet dancing was enjoyed to music furnished by Lowell Huestis and his orchestra.
