THE CHOIR EXCURSION.—The excursion on the steamer Princess last evening was a most successful affair. About three hundred ladies and gentlemen attended. The steamer left the wharf about 9 o'clock and returned at midnight. The three hours were pleasantly passed in vocal and instrumental music. The band of the 82nd Regiment was in attendance, and discoursed excellent music. The excursion was under the auspices of the choir of the First Methodist Church, and Prof. Watts and the ladies and gentlemen associated with him are to be congratulated.

—The fact that such active Government campaigners as Sir Louis Davies and Messrs Fielding and Blair are about to spend their holidays in Paris and other parts of Europe, for the good of their health, argues that there will be no election this fall. But it is not decisive of the point. Perhaps they are only taking advantage of a last chance.

ANOTHER NAME ENROLLED.

Growing List of those who Testify to Dodd's Kidney Pills in Montreal.

MONTREAL, July 9.—The list of those who have received benefit from the great medicine, Dodd's Kidney Pills, is steadily growing in the city. Since Mr. Robert Thomson's name was published, Mr. M. Mullin, of 4 Egin Street, has stepped forward and submitted his testimony. His case was Rheumatism which though now generally recognized as a kidney disease is not always treated as such.

People waste a lot of money trying to drive Rheumatism from the system. If they would all follow Mr. Mullin's example they would be saved much pain and expense.

Says he: "I have had Rheumatism for some time and could get nothing to cure me until I used Dodd's Kidney Pills. I have now taken three boxes and am cured."

EARLY CLOSING.—We, the undersigned, merchant tailors of this city agree to close our respective places of business each evening at six o'clock, Saturdays excepted, from July 17th to September 15th.
