Life and Health Fully Protected in August.

Paine's Celery Compound Makes Sick People Well.

If you are still enduring the tortures and agonies of disease in this unbearably hot weather, your position is one of extreme danger. The enervating effects of the heated term, that test even the strength and endurance of the robust and healthy, must bring you to the very brink of the grave, unless you take the care and precaution that thousands are now exercising.

At this time your safety and life depend upon the use of Paines Celery Compound, a medicine that is giving new life and vigor to the weakly, nervous and broken down, and that is rescuing from death rheumatic sufferers and those afflicted with blood diseases and liver and kidney complaints.

The testimonials sent in weekly by happy and grateful people saved from suffering and disease are the strongest proofs of the marvellous health-giving virtues of the great medicine. A trial of one bottle in this season of danger will convince the sick that there is life and health in each drop of Paine's Celery Compound.

PRINCE EDWARD ISLAND,

THE HOUSE OF WISDOM.

I had not thought—ah, God, had I but known!—
That this sad hour should ever me befall
When thou I judged the holiest of all
Should come to be the thing I must disown.
Was it not true, that April morn, thy blown
Gold hair around my hair for coronal,
Or is this truer—thou at the outer wall,
Unroyal and with unrepentant moan?

Yet prize I now this wisdom I have won
Who must always remember—nay, my tear
Must close mine eyes, as thou wouldst hide thy face
If some great meteor, kindred to the sun,
Should haunt the undying stars ten million years
To fall, some noon, dead in thy market place.

—Francis Sherman in Bookman.

Running For Revenge.
