Marian Turns Tables on AVC... Pit Bulls Castrate Vets

The Pit Bulls dissected the Vets 6-0 on Monday night to boost their second semester record to 2-1. Bert "The Fish" Ronahan posted his first shutout of the season, with help from the virtually impregnable defensive lineup that has become known as the Electric Fence. Mark "The Blockhouse" Ronahan, Scott "Ogelthorpe" Gallant, Scotty "Caper" Lewis, Kevin "Weeble" Sark, and Chuck "Elastic legs" Keoughan provided the offense for Marian.

Winter Carnival Hockey Tournament

The Pit Bulls have set their sights on the Winter Carnival Tournament trophy, which is named after former Marian Haller Scott Holt. Scott died of leukemia in 1987, but he is remembered by his friends at Marian Hall. The Pit Bulls vow to uphold Scott's virtues of determination and sportsmanship in the Intramural Tournament.

It's Coed Time Again

The residence committees of Marian, Bernardine, and Blanchard are collaborating on another Co-ed scheduled for February 11 at Rodd's Royalty Inn. Everyone is looking forward to this event, especially since the CP Prince Edward Hotel will not have an opportunity to cancel a written contract and leave us without a location, as it did last semester.
