Prince County "B" Ball League Annual Meeting

The annual meeting of the Prince County Intermediate "B" Physical Fitness Baseball League was held in the Town Hall in Summerside last night with W. H. Bernard, the president, in the chair. The following team representatives were present: Tignish—Chas. McInnis; Miminigash—Ozell Callaghan; O'Leary—Dr. Bill MacMurdo; Wellington—Sid Goodwin; Grand River—Neil Praught; Lennox Island—Louis Mitchell; Kinkora—A. Farmer; Kensington—Art Larkin.

The following resolutions were passed: (1) No player who has played intermediate "A" baseball in 1949 and 1950 will be eligible to play in league games in the Prince County League. (2) All playing rosters must be submitted at an executive meeting to be held in Wellington on June 5, and be O.K'd by the league executive. A Summerside junior team represented by Jack Schurman was then admitted to the league.

The following officers were elected for the coming year: President, James Hogan, Jr.; Vice-President, Ray Sark; Secretary-Treasurer, to be appointed by the new president.

The retiring president, Mr. Bernard who declined nomination for re-election to the chair, was tendered a vote of thanks for his faithful service during the past two years. Discussion regarding the running of the league in two sections this year took up considerable time but was left over for decision to the executive meeting in Wellington.—S

THE FORUM

JUNE 1-2-3

Well, tomorrow will be the 25th of May. The one day of the year that nearly everybody thinks of going fishing or making their initial sojourn to the country for the first real outing of the summer season. If the weather is conducive to the activity, hundreds can be expected to take to the highways and by-ways to their favourite angling spots.

They won't all be going in cars either. If the days events follow the pattern of previous years, the pleasure seekers will be seen using all modes of conveyance including bicycles, motorcycles, and last but not least, the well-known "shanks pony". Those of the latter brigade will no doubt appreciate any little "lift" by the more fortunate car owner who's route might also lay in the same direction, which will bring the walker a little closer to his destination.

For those who will not be leaving the City, however, there will be entertainment for them too. The Department of Physical Fitness and the Charlottetown Playground Commission will hold their annual six-mile running race and 10-mile bicycle race tomorrow evening, while the Charlottetown Golf Club and the Green Gables course at Cavendish will make their official openings for the season tomorrow.

Although neither Club will hold any special opening ceremony, the Charlottetown Golf Club will hold a Club Sweepstakes Tournament over their Belvedere course, in which the competitors will be open for members in either the morning or afternoon. Contrary to other seasons, no advance entry will be made, and all that is necessary for entry is to submit your name at the Pro Shop before going out on the course.

For the information of those who will be taking in the road race and bike race, the starting time for the former event will be at seven o'clock with the starting point located at Highfield Corner, while the bike race will commence just 15 minutes later at Springvale School. Both events will finish on Richmond Street in front of the Patriot Office.

Up until last night the entry list for each event has remained unchanged from the way it was given in this column on Monday except that the bike race has only seven entries to date instead of eight as mentioned previously. Officials, however, are still expecting to have additional entries before the closing date of entry which is at noon today.

Messrs Jack Brown and Cecil Dowling, proprietors of the Sport Lodge on Kent Street, informed this writer yesterday that a trout weighing five pounds, six ounces, now leads the field of entries for the possession of the special trophy they have presented for the biggest trout landed by a local angler up to and including the 24th of May.

The big fellow was landed by Herbert Sorrey of Montague last week which overshadowed an earlier entry by Joe Adams of Mount Herbert by two pounds, five and one half ounces. The latter lead the exhibits up to the first of last week with his three pound, one half ounce catch. There is still today and tomorrow left for you anglers who might hope to walk off with the trophy, but it will take some going to outdo Mr. Sorrey's prize catch. Five pounds, six ounces is a powerful lot of fish to be wrapped up in one trout for this neck of the woods.

Baseball Season Opens At S'ide Tomorrow

The baseball season will be opened on Victoria Day at the Curran and Briggs baseball diamond when the construction crew will play an exhibition game with the R. C. A. P. Royals.

If the weather is favorable, a large turnout of baseball fans is expected. The fans will be anxious to see the players who haven't played in Summerside before. On the Air Force line there are Sgt. Bob Barlow, Auger, the catcher, another new catcher whose name we were unable to secure, Richard who played in the Town League but not with the Island League representatives and one or two others for the Almen.

Curran and Briggs will have a new first-sacker, Bill Davis of Springhill, Davis played here last year against the C and B boys and made a good impression.—S

Alerts Strengthen Bowling Lead

The Alerts bowling team strengthened their lead over the Old Timers in the final series of the Holy Name "Big Four" five pin bowling league championship, when they took 81-2 points to 1-2 in the second match of the 15-point series for the title at the Holy Name Alleys last night, to run their lead to 7 1-2 points to 2 1-2 points in the competitions to date.

The Alerts won the match with a total pinfall on the night's play 3,203 against that of 3,097 for the Old Timers.

M. MacKenzie of the Old Timers took top honors for high single with 292, while E. Robin of Alerts was the high three winner with 758.

over the Idle Philadelphia Phils to a full game.

In a night game at Cleveland, the rampaging New York Yankees backed Vic Raschi's five-hit pitch-ings with 10 asserted blows to scalp the Indians 7-2. The victory gave the Bombers a clean sweep of the three-game series.

A slim crowd of 5,132—smallest of the season at Briggs Stadium—saw Newhouse halt the surprising-potent Washington attack. Dick Kryhoski and Johnny Lipon led an 11-hit attack against the Senators with starting pitcher Ray Scarborough absorbing most of the punishment.

Kryhoski opened the scoring with a three-run homer in the second inning after the game had been held up 14 minutes by a rain-storm. Lipon got four straight hits.

Scarborough pitched even though he was notified a couple of hours before game time of the death of his father, Oscar Robert Scarborough, who died at Mt. Gilead, N. C.

Newhouse Shows Form In 5-1 Victory

Prince Hal Newhouse showed lots of his old-time pitching wizardry yesterday in twirling the second-place Detroit Tigers to a 5-1 American League victory over Washington Senators.

Newhouse, making his second start of the season after coming up with a sore shoulder in spring training, spaced eight hits and had a shutout going into the ninth.

Brooklyn's Don Newcombe once again proved that his shoulder trouble is a thing of the past by duplicating Newhouse's feat under floodlights in the National League's only scheduled game.

Newcombe pitched the league leaders to an eight-hit, 5-1 victory over Cincinnati Reds. A four-run fourth inning against Howie Fox settled matters early and increased the Brooks' first place margin.

Golf Club Opens Tomorrow

The official opening of the Charlottetown Golf Club will be observed over the Belvedere course tomorrow morning and afternoon with the holding of a Club Sweepstakes Tournament, it was announced by Club officials yesterday.

The opening tournament will mark what officials believe will be a banner season of activity this year at the Charlottetown Club, when a program of inter-club tournaments and competitions with mainland clubs is expected to be developed and carried out in addition to the regular membership play and competitions within the club itself.

With regard to the sweepstakes tournament to be held tomorrow, officials state that members taking part in the play may do so in either the morning or the afternoon, whichever time suits them best, and that no advance entry need be made. The only stipulation being that all contestants must submit their names at the Pro Shop before commencing their play.

With the course in tip-top shape as the result of the diligent work and care given it by the greens keeper, Mr. Johnny MacDonald, everything is in readiness for a highly successful opening, and with the addition of the experienced and competent services of the new Club professional, Mr. Marc Sandow, the members of the Charlottetown Golf Club are looking forward to an active and enjoyable season of golfing activity.

Arthur King Gains Decision

TORONTO, May 22 (CP) — Toronto-born Lill Arthur King gained the unanimous 10-round decision over Massimo Sanna, Italian lightweight boxing champion, in the main bout at Maple Leaf Gardens tonight before a crowd of 3,000.

King, weighing 138, took every round from the Italian, weighing 137. The Toronto Negro, now fighting out of Philadelphia employed sharp straight lefts and short rights to the head. He forced the fight throughout and jarred the Italian but could not put him down.

Plans are under way for an ex-

Sport Echoes From Prince County

The Curran & Briggs baseball team had their first official practice on Sunday afternoon. An official meeting preceded the workout. There was a cold wind blowing but most of the boys turned out and put in almost an hour of throwing and batting practice. Some of the boys hit the apple over that short left field fence. The wind was helping the ball along, of course. This fence is said to be 248 feet from home plate. A wire screen will be put above the fence and then it should be quite a feat to put the horsehide over for a home run.

Davis, a nineteen year old ball tosser from Springhill, turned out with the boys and looked very good at the initial sack. He is a left hander and report has it that he can really powder the apple.

Three or four more boys are expected to work in Summerside this summer and play with the C & B club. A playing coach named Whalen will be one of these and it is understood that he will coach the youngsters of the town in his spare time. This will certainly be a break for the younger players.

Charlie Hogan, last year's coach, has been appointed manager of the team this year, and will no doubt assist Whalen in the coaching duties. Les Gaudet, last year's manager, and the boy most likely to break up a ball game with one of his long hits, will not play with Summerside this year. Fans will regret to hear this, but there is no help for it as Les will be doing work to further his chosen profession this summer after he finishes his year at McGill, and this work takes him away from Summerside.

A southpaw pitcher, a third baseman and a catcher are expected to join the club the first week in June. Joe Bernard, C&B ace righthander, will not be able to get back on the mound until the weather gets considerably warmer. This is doctor's orders. Joe had pneumonia during last winter's hockey season and hasn't fully recovered from the setback it has given him. Cece Powell, Summerside's other first string finger, will not always be available when needed either in the earlier part of the season. His work will take him away from the town for two or three-day periods. So this new portsideer will certainly be needed.

The weekly brickbat: Believe it or not. It's the talk of the town. We were offered a hanga. And turned it down.

The weekly bouquet: To the Summerside ladies' bowling team, Proud Island champs are they: Nothing's been said of their victory. So we offer them this bouquet.

Road, Bicycle Races Features Tomorrow

The annual six-mile running race and ten-mile bicycle race, conducted under the sponsorship of the Department of Physical Fitness in co-operation with the Charlottetown Playground Commission, will be held here tomorrow evening as part of the 24th of May holiday program.

Although the closing time of entry for the events is scheduled for noon today, seven entries for the bike race and four for the road race have already been received.

The six-mile running race will commence at seven o'clock and the ten-mile bike race fifteen minutes later, and the following are the routes to be followed by the bike race and four for the road race — Commencing at Highfield Corner, straight in the Malpeque Road to Euston Street and turning right along Euston and continuing along Brighton Road and making the circuit of Victoria Park and along Kent to Queen, turning right on Queen to Richmond and left along Richmond to the finish point in front of the Patriot Office. Bike Race — Commencing at Springvale School, straight in Malpeque Road and Great George Street to Grafton, left on Grafton to Market Street, turning left and thence along Market Street to the finish point located between the Market Building and the Post Office.

Arrangements have been made to give reports of the progress of the races at intervals, along the route over Paul's public address system which will be located at the finish line.

Contestants for the events are as follows: — Road Race — John Paul of Springhill and Rocky Point, winner of last year's event; Paul Bellevue, Moncton, N.B., Jack Hennessey and Russell Doyle, both of Charlottetown.

Bike Race — Roger Clark, P.W.C.; Forbes Kennedy, Arthur King and Keith Stickings, all of W.K.S.; Arnold Mullins and Claude Carroll of Q.S.S.

The officials who will preside over the events are: — Starter—Wallace E. Rodd, Highfield; Timers — Road Race—Dick Purcell, Arthur Campbell; Bike Race—Bill Bevan, Sr., Everett Cutcliffe; Judges at Finish — Road Race — W.A. Gaudet, Major W.A. Smith, George Walker; Bike Race — George Francis, William Halpenny, James Coyle; First Aid Cars — Road Race — W.E. Scantlebury; Bike Race — Charley Ryan.
