

Michel Milot Certified Management Accountant

ON BUSINESS – AND THE BIG PICTURE.

As Controller for the Fine Papers Division of Domtar Inc., Michel Milot is a key member of a management team functioning in one of the world's most competitive industries. As such, he is responsible for interpreting and communicating the financial and operating results of four mills, assessing performance against established short and long term plans, and ensuring proper financial management practices.

"Wherever I travel, on business or for pleasure, my camera goes with me. As a dedicated amateur photographer, I take great pride in my photographs. You have to know your subject and how to get the most from your equipment. You must be flexible enough to allow for changing conditions. Doing it right isn't a "snap," it takes planning and commitment to achieve excellence.

"Our management team is always ready to re-focus, when business conditions demand it. Senior management shows a lot of confidence in us, and we always strive to live up to it.

"My CMA training helped me acquire the management skills to understand key business issues, and to be able to respond with sound business decisions. The new Accreditation Process will equip tomorrow's CMAs with the management skills needed in the business environment of the future."

If you want to be an integral part of the big picture in business, do what Michel Milot did. Become a Certified Management Accountant.
