

There's This Wind

A wind unprecedented in its wonder, beautiful in its course, bountiful in its immediate effects, unimaginably glorious in its ultimate consequences, is at present sweeping the face of the earth. Its driving power is remorselessly gaining in range and momentum. Its creative force, however much undetected, is increasing with every passing day. Gripped in its palm, you and I, are in the vortex of its vivifying power and are surrounded by the evidence of its wondrous joy. We can perceive its origin, probe its significance, and discern its outcome. Full of beauty and gladness, we can see this great and mighty wind of God swirling around us, invading even the remotest and most secret reaches of our lives. Full of its creative power and light, this wind brightens our lives and fills us with the breath of happiness. In it we find the source of light and life.

This wind is the teachings of Baha'u'llah, the Messenger of God in this day. He challenges us to meet this wind in our own heart, so that we can recognize the fullness of our destiny. A destiny of unlimited beauty and unparalleled joy.

There's this wind in this heart of mine.

Come Saturday, October 5th, 2:00p.m. to a gathering sponsored by the U.P.E.I. Baha'i Club. Check the posters for the location on Campus.

Career Planning

Are You an Occupational Ignoramus?

Student Services are endeavoring to meet the needs of students through a variety of activities. We have developed a program for Freshman students designed to provide assistance in the area of Career Planning.

Groups of not more than seven students meet weekly for six sessions and have a definite theme for each session, with ample time for free discussion. This program was offered in the past and was received with great success.

We are inviting you to drop into Student Services Wed. and Thurs. and choose a suitable time for the group meetings. Someone will be available to give you further information on the program should you require it.

Looking forward to meeting with you.
