

Expect Gov't To Continue Heavy Loans For Housing

By DON DEACOCK
Canadian Press Staff Writer
OTTAWA (CP) — Substantial new federal funds—possibly almost \$300,000,000—will be provided for mortgage lending by the government at the session of Parliament opening next Monday, it was learned Monday.

But officials said no early decline in the current six-per-cent interest rate ceiling on government-guaranteed housing loans can be expected.

The new federal housing money would be used to help finance what the government expects will be a record year in house building.

But the official said he does not anticipate any early decline in the current ceiling of six-per-cent interest on National Housing Act loans.

Although short-term interest rates had declined slightly in recent months, the rate on longer-term loans was almost unchanged.

IN MEMORIAM

MRS. W.J. HALLIWELL

As the closing hours of March 19th, 1958, passed, so also did the life of Mrs. William J. Halliwell pass from this earthly scene to the Great Beyond.

Mrs. Halliwell was the former Flora Bella MacDonald, born in Montague, on July 12th, 1880, and moved to Springton at an early age. She was the eldest of a large family and was indeed a loyal sister.

Her home was always open to everyone, where a cordial welcome and warm hospitality were freely given. Mrs. Halliwell was an interesting conversationalist and was blessed with the gift of a great memory, which could go back many many decades. She loved to help carry the burden of the heavy laden and alleviate the suffering of those who were ill. Never did she ignore a call to any bedside, even when ill herself.

She was humble, sacrificial, and a willing worker. She and her husband toiled many long hours together on the farm in Stanchel where they will ever be missed.

Mrs. Halliwell was a member of Hartsville Presbyterian Church. She trusted fully in her Savior, whom she came to know early in life. She was a woman of faith and prayer, who looked beyond the present to the future. During her declining years in spite of weakness, she spoke of everything as "just lovely".

Mrs. Halliwell was a loving mother to her five children, namely: Mrs. Ivan Kennedy (Annie) Breadalbane, Mrs. Robert E. McDonald (Bessie) Toronto, Mrs. Marshall Konderson (Addie) Hampton, Mrs. James R. Nicholson, (Sadie) Stanchel and William Halliwell on the homestead.

The following sisters and brothers also mourn her passing: Mrs. Gordon Waddell, Kelly's Cross; Mrs. Bessie Cameron, Albany; John MacDonald, Eckville, Alberta; Donald MacDonald, Hamilton, Ontario, and Malcolm MacDonald, Charlottetown. Also surviving are four step-children

and thirteen grandchildren. Although roads and weather were not good many friends came to the home from where the funeral service was conducted on March 23rd, by Rev. E. H. Bean who brought a comforting message from Psalm 37: 37. The hymns sung were "The Lord's My Shepherd," and "Asleep In Jesus." Mr. Murdoch MacLeod feelingly sang the solo "Going Down the Valley."

The pallbearers of her choice were her six nephews: Messrs. Donald J. MacDonald, Sterling Waddell, Lloyd Waddell, Donald Cameron, Lloyd Cameron and Dr. Sheldon Cameron. Interment was in Springton Cemetery.

Sweet the memories of the past that shall ever with us last. As has gone our Mother sweet, Where we shall meet at Jesus' feet. Keep our pain and great our sorrow. But we wait for that tomorrow, Just to see her face again. In that Land that knows no pain.

CARD OF THANKS
The family of the late Mrs. William Halliwell wish to express their heartfelt thanks to Dr. Sheldon Cameron and the nurses and staff of Prince County Hospital for their unflinching devotion and care to our mother. We also wish to thank Rev. E. H. Bean and all the other clergy who visited her and brought messages of spiritual comfort. We do not forget our friends in Summerside who assisted us during our mother's hospitalization and all those who sent get well cards and letters to her. We further wish to express our thanks to all our neighbours and friends for their many acts of kindness at the time of our bereavement, to the many who sent messages of sympathy and to Mr. J. L. Davison. We are appreciative to all who helped alleviate our burden of sorrow in any way. May God bless you all.

Ontario CCF Leader Hits At Premier

TONTO (CP)—Ontario CCF leader Donald MacDonald Monday night accused Premier Frost of "deliberate profiteering" by Public Works Minister Griesinger.

He ridiculed the premier's contention that Mr. Griesinger needed "a reasonable time" to dispose of his shares in Northern Ontario Natural Gas.

The CCF leader spoke to the CCF co-ordinating council made up of representatives from unions and fraternal organizations in the Toronto needle trades.

Text of his speech was given to the press before delivery.

Mr. MacDonald described as "incredible" Premier Frost's reaction Saturday to news that Mr. Griesinger, in addition to Philip T. Kelly, former mines minister, held stock in Northern Ontario Natural Gas.

He quoted the premier's reply to news that Mr. Griesinger bought his stock in November and sold it in June:

"You can't carry this to a ridiculous extreme. You would expect people to divest themselves of the stock in a reasonable time."

Mr. MacDonald asked: "Now, the question is, what's a reasonable time?"

"Mr. Griesinger held it until he had made the largest profit possible, and the premier defends this delay as merely representing 'a reasonable period.' In short, he is defending his colleague's deliberate profiteering."
