New Jet Squadron Will Cost Almost 100 Million

In Memoriam

COMPTON — In loving memory of Hector Compton, Bangor, who passed away June 25, 1953. Gone but not forgotten. Always remembered by wife, Nellie.

GURNEY — In loving memory of a dear mother, Mrs. Henry E. Gurney, who passed away June 25, 1955. Lovingly remembered by son and daughter-in-law, Lyall and Janie.

FERGUSON — In loving memory of Ellsworth K. Ferguson, who was killed in a car accident June 25, 1952.

A precious one from us is gone. The voice we loved is still. His chair is vacant in our home. No one will ever fill.

Oh Angel watch him up above. Please, God just let him know. The ones he loved will never forget. Tho we love and miss him so.

Lovingly remembered by Mom, Dad and brothers.

GURNEY — In fond and loving memory of our dear mother, Mrs. Henry E. Gurney, who departed this life June 25, 1955.

If all the world was ours to give. We'd give it yes and more. To hear your voice and see your smile. Just as we did before.

Sweet are the memories that linger. Dear is the one that is gone. In memory we hold you dear. As long as the years roll along.

Lovingly remembered and sadly missed by the family.

CARD OF THANKS

I wish to thank Mrs. Pike and Mrs. McLean for getting up a farewell party for me before leaving Borden. Also for the beautiful gift I received. I appreciated it very much. To my friends and all who helped in any way I thank you all. Mrs. Reg Collier.

British Boost Investment In Commonwealth

WARWICK, England (Reuters) Prime Minister Eden said Saturday there has been a "remarkable increase" in British investment inside the Commonwealth, notably in Canada.

In an address to a Conservative party rally, he referred to the government's approval of the proposed sale of the British-owned Trinidad Oil Company to the Texas Co., a large American firm.

"It would be utterly wrong to assume that because we have agreed to the sale—subject to certain important conditions—of the Trinidad oil shares that we are in any way blind or indifferent to these issues."

"If you take the oil industry as one example net investment in the Commonwealth in the last few years amounts to much more than the proceeds we shall receive from the sale of the Trinidad oil shares," he said.

RUSSIANS LEAVE CANADA

MONTREAL (CP) — Eighteen camera-shy Russians, most of them in their late 60s, left here aboard the liner Saxonia Friday after living in Canada for a varying number of years. Communist governments concerned about refugees reaching the west, are said to be trying to lure them back.
