Cheap Printing

Charles Austin Bates in an article on Booklets and circulars says:—

"Cheap printing may possibly pay sometimes, but the chances are that the attractive will pay very much better in proportion."

Cheap printing does not necessarily mean that it costs little. It means that it has a cheap look about it.

We will make your printing attractive—that will attract attention. We will use good paper and the cost will be very little more—possibly less, than you pay for the cheap trashy kind. Let us show you some samples of Booklets and circulars. When well printed they are Business Bringers.

FIELD DAY AT ST. DUNSTAN'S

An Interesting Program of Sports Successfully Carried Out.

The St. Dunstan's field day sports, postponed from last Saturday, were held on the college campus yesterday afternoon. A number of spectators were present from the city, but the uncertainty of the weather, coupled with the fact that the event was not advertised prevented a large crowd from attending. The day was not an ideal one, the afternoon being rather chilly, and the dampness of the ground made those competing in the jumping contests complain that they could not make a good spring. The records of former years went down yesterday before the students of 98-99, especially fast time being made in some of the bicycle races.

The following is a summary of the different events with the winners of each:—

100 dash—1, G Roy; 2, J Hughes; time 11 1/2 secs.

Quarter mile bicycle race (juniors)—1, A Stewart; 2, G Bears; 46 secs.

Broad jump—1, K McPherson. 18 ft. 8; 2, J Donahoe

Hop step and jump—1, K McPherson, 39 ft.; 2, J Donahoe.

High jump (juniors)—1, J McGrath 3ft. 10 in.; 2, F McDonald.

Quarter mile bicycle race (juniors)—P Caughlan; 2, A Stuar; time 1.29.

Half mile bicycle race (seniors) 1, P Brown; 2, B Brown; time 1.19.

220 yards dash—1, K McPherson; 2, G Roy; time 24 secs.

Quarter mile bicycle race (seniors)—1, P Brown; 2, B Brown; time 37 secs.

High jump (seniors)—1, K McPherson; 2, J McPherson; 5 ft. 5 in.

Two mile bicycle race (seniors)—1, P Brown; 2, B Brown; time 6.13.

Quarter mile foot race—1, J Donahoe; 2, G Roy; time 58 sec.

One hundred yds three legged race—1, C Roy and J Gaudet; time 14 sec.

One mile bicycle race—1, P Brown; 2, B Brown; time 2.50.

Hurdle race—1, J McPherson; 2, J Donahoe; time 15 1/2 secs.

Pole vault—1, J Donahoe and J McCloskey, equal; 2, J McPherson; 9 ft.

Half mile foot race—1, J Donahoe; 2, G Roy; time 2.0.

In the evening the prizes were distributed in the study-hall. These prizes were donated by business firms and other friends in Charlottetown, and, needless to say, the students will remember them.

GOOD ADVERTISING.—A landlord advertised a house to let in the DAILY EXAMINER the other day. That evening he had four applications for the house and secured a tenant. The cost of the ad was so small that it isn't worth mentioning. Have you anything to advertise?

FOOTBALL.—McGill lost to Toronto on Saturday, 11 to 5. P F Duffy, of Charlottetown, made four of the five points won by McGill. His playing is highly spoken of by the critics. The Dalhousie team is expected here next week to play a match with the Abegweits.

The evening was spent very pleasantly. Songs were sung by the favorite trio, Messrs Arthur Trainor, Fred Kennedy and Wm Hughes. A cornet solo by Mr. Peter Perry was one of the best pieces of the evening. After partaking of the good things provided Joseph McCarron, on behalf of the ladies, in a neat speech brought the proceedings to a close. "Happy to meet, sorry to part, happy to meet again."

A FINE MAGAZINE.—We have received the current number of the Windsor Magazine which is one of the most interesting periodicals now published. The variety of the table of contents is simply wonderful when the low price sixpence is considered, the subjects treated ranging through the realms of science, history, adventure, sensational fiction, and the interesting topics of the day. The serial story is Pharos of the Egyptian, by that master of sensational work, Guy Boothby, and there are several short stories in the number, besides poems and some biographical and humorous sketches. The magazine is handsomely illustrated. It can be obtained from booksellers here or from the general agents, T. C. Allen & Co., Halifax.
