DEATH NOTICE

CHARLES WESLEY MATTHEW There passed peacefully away at the Prince Edward Island Hospital on Saturday, June 21st, 1959, Charles Wesley Matthew of Charlottetown, formerly of York in his 76th year. He had been in ill health for some time previous to his death. All that medical care and loving hands could do were of no avail and he gradually weakened away on the above mentioned date. Born at Pleasant Grove on July 21st, 1883, he was the son of Urish Matthew and his wife Mary Ann Hughes. On December 30th, 1914 he was united in marriage to Hattie Pearl Stewart of Dunstaffnage, who still survives and mourns the loss of a loving husband. He was a member of York United Church for a number of years and highly foreman for a period of time. Also Justice of the Peace. The late Mr. Matthew was possessed of a ready sense of humor and had a gift of being a good conversationalist. His thoughtful and kindly disposition had won for him a wide circle of friends who will long cherish his memory. In his home his loss is keenly felt, there also survives besides his widow, one brother John, also one sister (Charlotte) Mrs. Fred MacDonald, both of Charlottetown. The funeral service was held at the Cutcliffe Funeral Home on Monday, June 22nd, 1959, which was conducted by Rev. Mr. Littlejohns a former minister of the deceased, also Rev. E. Evans of Charlottetown. The hymns "The Lord's My Shepherd" and "Abide With Me" were feelingly rendered. The pall bearers were: Frank Wickett, Wendall Vessey, William Crockett, Peter Proudy, Dewar Swan and Herbert Crow. The beautiful floral tokens and messages of sympathy were many and bore silent tribute to the esteem of the departed. "We little thought when you left home That you would ne'er return. That you so soon in death, would sleep And leave us here to mourn." URGENT UNIFORM SIGNALS MONTREAL (CP)—The chief of the Montreal Police School Monday urged the adoption of a uniform code of traffic hand signals for the North American continent. Inspector J. Gilbert told 30 traffic officers attending a safety course that at present hand signals vary from country to country, province to province, and "even from town to town."
