FOR A CREMATORY.—Winnipeg is to submit a bye-law to the ratepayers for to secure the funds to build a crematory.

I. C. R. PICNIC.—The I. C. R. picnic at Point du Cap on Saturday was a great success. It took forty-eight cars to carry the excursionists.

KILLED BY LIGHTNING.—John A. Mairs, was struck and killed by lightning at Brougham, Ont., a few days ago while on his way home to dinner. He took shelter under a tree during a severe storm.

A DISASTROUS STORM.—Reports place the destruction by last week's hail storm in North Dakota and Minnesota at 300,000 acres. If the wheat should average over twelve bushels to the acre, this means a loss of 3,000,000 bushels.

NOTICE.—Those riflemen, whose names appear on the Ottawa Team, who purpose attending the D. R. A. matches at Ottawa on the 28th inst., must hand in their names to the secretary at once, so that entries may be made.

ANOTHER PAPER.—The Daily Review is the name of the latest candidate for journalistic fame in St. John's, Nfld. The Review is a four page paper, each page containing seven columns and a splendid appearance is presented. The reading matter is of a very interesting character. In politics the Review is Liberal. It is published by Devine and O'Meara, Mr. Devine being editor.

HE WANTS DAMAGES.—An ex convict is suing New York state for \$25,000 damages on the ground that the penitentiary was unwholesome from a sanitary point of view, and his health was injured. Possibly it may come to relatives of executed murderers suing the state for damages because their connection met with a fatal accident in the hangman's noose.

TEA OF THE SEASON.—The Presbyterian tea at St. Peter's Bay on Monday next promises to be most successful. The managing committee are doing everything in their power to make the occasion an enjoyable one. The site selected for the tea meeting is a grand one, overlooking the bay and everything possible will be done to make it pleasant for all who attend.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup.

A UNIQUE ARRANGEMENT.—The following is a copy of a notice which a Wesleyan preacher in England found among the announcements he had to read: "Missing, last Sunday, some families from chapel. Stopped, several hours from the Lord's day by a number of people of different ages dressed in their Sunday clothes. Strayed, half a score of lambs, believed to have gone in the direction of no Sunday school. Wanted, several young people, when last seen were walking in pairs up Sabbath breakers' lane, which leads to the City of No Good."

LATEST FISH STORY.—A Moosehead lake angler had an experience the other day, according to the Lewiston Journal, that Benjamin Franklin would have enjoyed. He was fishing with a steel rod during a thunder shower and struck a trout at the same instant that a stroke of lightning dallied with his rod. The cork handle prevented the angler feeling anything more than a slight shock, but when he hauled it in he found the trout stone dead. He figured out that the lightning bolt followed the rod and enameled line down to where the trout had just taken hold of the hook and there electricuted him. This is certainly as reasonable a fish story as many others.

Good health is worth more than anything else to you, and every bottle of Hood's Sarsaparilla contains good health.

"The Laurier Government (to the contractors)—Has the sixty millions made you rich?"

"Contractors—Not yet. But wait till you see us next year!"—Ottawa Citizen.

DEAR SIRS.—Within the past year I know of three fatty tumors on the head having been removed by the application of MINARD'S LINIMENT without any surgical operation and there is no indication of a return.

The Peoples' Druggist

Drugs are expensive. Sometimes they are more expensive than need be. And sometimes they are not so reliable as they ought to be. There was a time when the prices of drugs were away up—too high altogether. That is not the case now. The Apothecaries Hall changed that some time ago. You can get prescriptions from pure drugs at the proper prices—no fancy profits. You can get all my reliable special remedies; they've been tried and found effective.

The price—the main thing—will be found right in every case.
