THE STOMACH RULES.

Cross and Cranky Mortals Who Suffer Untold Misery.

Have Only One Hope of Release and Health—That Hope is in Dodd's Dyspepsia Tablets Which Always Cure.

"The stomach is the man—too often," says an eminent medical writer. The assertion is true. As the stomach is, so is the man. If the stomach is out of order, weak or over worked the man is cross, fretful, irritable, short-tempered, "cranky" and miserable. He is wretched himself, and he makes all who come in contact with him wretched too. The stomach can't be out of order if the man will use Dodd's Dyspepsia Tablets.

Many troubles originate in the stomach, though their source is little suspected. We find headaches, giddiness, sleeplessness, palpitation of the heart, flushing of the face, cough, skin diseases and other affections are caused by dyspepsia. Each of these complaints is dangerous to life, inasmuch as it will lead to worse trouble—palpitation developing into heart disease for instance if Dodd's Dyspepsia Tablets be not used.

Each of these troubles, being the result of dyspepsia, disappears as soon as the dyspepsia is removed. To remove dyspepsia is very easy if you know how. And nothing is easier than to learn how. If you can remember to take one or two of Dodd's Dyspepsia Tablets after each meal the thing is done.

Dodd's Dyspepsia Tablets are immediate in effect, permanent in their cure. They act on the stomach, the stomach and bowels, digest the food and bring health and ease to all who use them.

He Walked The Floor

In Agony With Pains in the Back—Sleep Impossible—Medicine of no Avail—Until He got Dr. Chase's Kidney-Liver Pills.

Mr. Patrick J. McLaughlin, Beauharnois, Que., states:—"I was troubled with Kidney Disease and Dyspepsia for 10 years and have been so bad that I could not sleep at nights on account of pains in the back, but would walk the floor all night and suffered terrible agony.

"I tried all sorts of medicines but got no relief until I began using Dr. Chase's Kidney-Liver Pills. They made a new man of me, and the old troubles seem to be driven out of my system."

Dr. Chase's Kidney-Liver Pills have an enormous sale and owe their popularity to the fact that they can be absolutely relied upon to cure all ailments of the kidneys, liver, and stomach. They are purely vegetable in composition, prompt and effective in action, and cure permanently. A dose, 25 cents a box, at all druggists. Edman, Bates and Co. To

THE WORLD'S MOST FAMOUS PICTURE.

In the Dresden Gallery in Germany hangs the most valuable picture in the world (worth \$500,000), Raphael's "Sistine Madonna and Child."

This great picture has, by permission, been specially copied and reproduced on heavy paper, size 22x30, in all the colors and beauty of the original, and is given with this year's TORONTO SATURDAY NIGHT'S CHRISTMAS NUMBER. "The Modern Madonna," admittedly the most beautiful picture ever made by photography, has also been reproduced, size 16 x 21, and is given as another premium with the most beautiful book ever issued in Canada, full of stories, poems and artistic illustrations, some of the pictures occupying full pages. A boy's picture, "An Impromptu Speech," is also in colors, and "Don't Cry Mamma," is the most touching picture of the home of a missing Canadian soldier yet produced. The whole sixty pages are original, bright, clean and typical of Canada, as also is the title cover, which depicts, in six colors, an Indian boy playing a drum from a log-trunk of the forest which he has slain. Order at once, for nothing as good has ever before been offered in Canada, and last year's SATURDAY NIGHT'S CHRISTMAS was sold out within three days of its publication. Price 50 cents, in tubes ready for mailing. At all newsdealers, or from The Sheppard Publishing Company, Limited, Toronto.

\$25,000 Given Away. In the past year Dr. R. V. Pierce has given away copies of his great work, the People's Common Sense Medical Adviser, at an expense to him of \$25,000.00 exclusive of postage. The standard book on medicine and hygiene, contains 1008 pages and more than 700 illustrations. It treats of the greatest and gravest problems of human life in simple English, from a common sense point of view. It answers those questions of sex which linger unspoken upon the lips of youth and maiden. It is essentially a family book, and its advice in a moment of sudden illness or accident may be the means of saving a valuable life. This great work is sent free on receipt of stamps to defray the cost of mailing and customs. Send 31 one-cent stamps for the book in paper binding, or 50 stamps for cloth covers. Dr. R. V. Pierce, Buffalo, N. Y.
