

Shanrocks Grab 2 Game Margin

The B.I.S. Shanrocks took a two game stranglehold in their best of five semi-final softball series with Barry's Lions by taking last night's contest, 8-2.

The Irish, who take on the Lions in the third game on Monday evening could advance against the winner of the series between the Main Brace Mariners and the National Park All-Stars by picking up another victory.

Bill Monteith went all the way for the winners and picked up the victory. He allowed seven hits while fanning one batter. He didn't walk anybody. Keir Jones was on the mound for the Lions and gave up a total of eleven bingles. He struck out one and walked one.

The Shanrocks didn't waste any time last night as they led off on Jones for five runs

in the first inning and then picked up their final runs with a three run outburst in the fifth. The Lions, after scoring twice in the first frame, weren't able to push any more alphas across the plate in the remaining six frames.

Shortstop Gene Bradley was the big gun for the winners, picking up two singles and a double in four trips to the plate. Team mate George Bradley helped the Shanrock attack with two hits, a double and a single in three tries.

For the Lions, Butch MacGee and Dick Carroll each came up with one hit in three trips to the plate.

Tonight's action sees the Main Brace Mariners meeting the National Park All-Stars in the second game of their series. The Mariners lead the semi-final set one game to nothing.

Stars Capture Baseball Win

The Stars came from behind a three run deficit last night to defeat the Flyers 7-3 in a ball action.

Forbes Kennedy started the game for the Flyers and went two full innings. He pitched one batter in the third, and issued a walk before retiring the batter of Freddie MacDonald who went the rest of the way.

George Power was on the mound for the winners and only gave up four hits, all but one in the first inning when the losers scored all their runs.

Power didn't look like he was going to last the first frame as the Flyers pounded on him for four straight hits. Freddie MacDonald singled to open the game. Billy Sherry doubled Len Bagale and then Freddie Kennedy slapped a dot-

ble as three runners crossed the plate and Bagale was the batter who could pick up a hit after that.

The winners scored all of their runs in the second and third innings. In the second frame, Emmett Ellsworth started things off with a walk. Jim Kennedy, Joe Arsenault, and Power then hit consecutive singles and T. Hendrigan reached on an error as four runs scored. In the third, Ellsworth again led off with a walk. Kennedy and Arsenault followed with their second hits and Wayne MacDonald's double bounded out the scoring.

Tonight the Flyers will meet the Rovers with the game getting underway at 8:15.

SPORT OF KINGS

Enough Concessions Made Claims Souris Columnist

By ED CLINTON

Souris Bureau of the Guardian

On Sunday afternoon past, in Souris, we witnessed the slugging in the first of the Souris Legion League by the Bombers from Peakes. The Bombers, after being held to no hits the Sunday before by young Mike Kelly of Morell took their anger on four Souris pitchers in the time of twenty-three hits and they were not without wallops. There were doubles, triples, and almost two home runs. Brian Dunlop of Peakes smashed one, but neglected to touch home plate, and had to be satisfied with a triple.

Ernie Connolly backed up the Peakes batter by tossing a mean two hitter at the Souris boys. Bob his, one a double, were picked up by Gerald Clinton. Connolly walked only one batter, and struck out seventeen. After seeing all teams in action at least once, we've come to the conclusion, that these same Bombers will be battling it out with Morell for the league title. Two of the remaining teams, Georgetown and Mt. Stewart, all have to be given an outside chance of coping the crop.

At the last meeting of the league executive, it was discussed that playoff schedules be enlarged. The present playoff schedule calls for both teams playing off, with both the semi-finals and finals being best two of three at apiece.

As we understand it, two suggestions were made. (1) That six teams be allowed in top playoffs, (2) that the present number of teams in the league be retained, but the series be extended.

player list of any in the league. Peakes were first granted the right to go into Queens's County and pick up two players to enable them to field a team. This was moved up to three players, and last year to four players. This season, Peakes asked for and received a territory limit in Queens's County, which meant that they could, if they desired, and could get the players they field an entire team from Queens's County.

Peakes have always contended that there were only a few players available in Peakes; that there was no young man or er boys to play ball. That could be. But, anyone attending games in Peakes would wonder where all these people are from who attend the games played there. These are forced to turn to a youth movement to field teams. Not Peakes. They merely get the league rules altered so that they can go to another district and get experienced players.

What's fair for one should be fair for all. And most teams in the league are not in a position to get players from Queens's county and play ball.

Twins Edge Colts 13-12

In Minor League action the Twins edged the Colts 13-12.

The hitting stars of this encounter were Francis Molyneux, Blaine Lewis, Charlie Sherry, Mike Quinn and Dennis Therr. In Bantam and Midget League the Dooters dumped the Tigers 16-3.

Carl Traylor continued to lead the league in hitting as he struck out four hits. Don Campbell also had four hits and Gregory Harding had three.

In L.L. action the Red Sox walloped the Yanks 8-3. Spud MacDonald pitched the win while Gene Power took the loss. Bob MacKenna had the longest hit, a home run for the losers.

In other L.L. action the Braves dumped the league leading Angels 6-2. Harrison Robbins was the winner while John D'Amato and Mike Rogers were the losers. Dave Murnaghan and Dave MacLennan led all hitters with two hits apiece.

In Bantam and Midget League the Cubs downed the White Sox 8-2 on Pat Walsh's three-run homer. Mike Brown, Billy Lee Clair and Dennis Atteck each had two hits in this encounter.

Local Track Has Exciting Program

The harness racing spotlight swings once again to Charlotte's Driving Park where classifier Frank Acorn has lined up nine fine looking dashes for the eager customers.

This card has the appearance of one of the most interesting of the entire season and it could well be one of the toughest nights of the campaign to pick the victors.

The feature race finds seven amoung-going pacers looking for the top money. Emmet Bernard has the rail position with his Arturo Hanover and you'll find those who insist that's all Emmet needs to win that first trip of this event. But the other half dozen are worthy opponents and any of the six could end up with the decision. Those trying for just that are Countess Alice, Ginger E. Donaway, Ellen Joyce, Anthony L. and Billy Rice. That's a good array of pacers and folks should get loads of thrills from them two meetings.

Races four and eight have the full quota of eight. Here Claude O'Brien takes a Rankine McLean's big pacer, Just Gary, away in the number one spot. The other seven hopefuls are Chief's Gal, Jolly Dick, Willard's Choice, Dunlop B. Torrid Waters, Callie Hat and Clover Boy. All in all it shapes up like a

Arsenault was the hot hitter

for the Bankers with four safeties in five tries. George Willcock and Ralph Kneebone each collected three hits in four trips for the losers.
