Inquest Is Adjourned Into Tryon Boy's Death

SUMMERSIDE BUREAU OF THE GUARDIAN
The inquest into the death of Ray Myron Dawson, 11, son of Mr. and Mrs. Myron R. Dawson, North Tryon, was adjourned last evening in Summerside to a later date following testimony by five witnesses.

DEATH NOTICES
(Received too late for Classified Death Notice column.)

BLANCHARD — At Charlottetown Nov. 21, 1963, Robert Blanchard, 21 King Street, formerly of South Rustico in his 89th year. His remains will rest from noon today at the Charlottetown Funeral Home from where the funeral will be held Saturday morning, leaving the funeral home at 8:45 for Requiem High Mass at St. Augustine's Church, South Rustico, at 9:30. Interment in the church cemetery.

MacGREGOR — At Victoria General Hospital, Halifax, Nov. 19, 1963, Alexander MacGregor of Mt. Stewart in his 79th year. Resting at the Cat-

presided with George R. McMahon acting for the Crown.
The boy was injured when struck by a car Oct 12 in North Tryon and died the next day in Prince County Hospital following an operation.

At the time of the accident he was in the process of crossing the Trans-Canada Highway to a tractor driven by his father on the highway facing east. He had just disembarked from a tractor which he had been operating and which was facing west.

A written statement given by the operator of the car which struck the boy, Mrs. Rebecca Yarowski, Des Moines, Iowa, was read in court by Cst. Don-

cliffe Funeral Home from where the funeral will be held Friday, service commencing at 2:30 p.m. Interment: Bellairs cemetery. Please omit flowers.
HIGGINS — At the Prince Edward Island Hospital, Nov. 19, 1963, Wallace L. Higgins, Sr., of 91 Fitzroy Street, in his 75th year. Resting at the Catcliffe Funeral Home until noon Friday, then to Trinity United Church, service commencing at 1:30. Interment in the People's cemetery.

Cairns, 18 North Tryon, and George Robert Mitchell, 15, North Tryon, corroborated the father's evidence.

Dr. David Stewart, Craपाud, who was called to the scene, testified that he examined the boy at the scene and found there could do nothing for him. He had given him morphine and then made arrangements to have him admitted to Prince County Hospital.

He said the boy found difficulty in breathing. Dr. Stewart said he was unable to determine the cause but thought he might have internal injuries, possibly serious.

He said that at the hospital later, Dr. A.R. Grant, assisted by Dr. Henry Moyses and himself had performed an operation which had lasted between four and five hours. He said the deceased had several internal injuries including a tear in the diaphragm some five inches in length.

Dr. Stewart said he felt the operation was successful in regards to repair of the injury but the boy had responded slowly in coming out of anesthetic. He died early the next morning.

Due to Dr. Grant being out of the province, Dr. McMahon thought Dr. Grant might be able to give a statement to possible cause of death as no autopsy had been performed.

Members of the coroner's jury were: foreman, John Muttart, althorp; Thomas J. Robinson, Borden; Leonard James McLellan, Carleton Place; Lawrence Christopher Robinson, Borden; William Andrew MacDonald; Borden; Albert Russell Bell, Borden; Arthur Roland Sherren, Borden.
