### In Memoriam

**KNOX** - In loving memory of our dear husband and father, John Bertram Knox, who was killed July 16, 1954.

He has not died who leaves us, For the better land of day, He would not so bereave us, He's only "just away."

And right behind life's curtain Beyond all grief and pain, There'll be a happier dawn, When we shall meet again, Lovingly remembered by wife and daughter, Lillian and Cheryl Ann.

### Eden Warns Britain Needs More Trade

**PADIRAM**, England (AP) - Prime Minister Eden warned Saturday night that Britain stands "in mortal peril of... poverty by stages" unless she increases her share of world trade.

"There is no international welfare state," he told a meeting here.

"There is no lack of demand. World trade is expanding but if we do not do these things, our competitors will."

"They will forge ahead relentlessly without regard to any who slip back in the race."

Eden said "the dread menace of a world war" is receding, "but while the threat of war grows less another threat looms larger."
