"Making lifelong learning a way of life" (A reality)

Accreditation = A Piece of the Puzzle.

All levels of Government (Federal, Provincial & Municipal) and other sponsors/co-ordinators (Businesses, Organizations, Public Health and

Educational Institutions, Native Band Councils) who initiate (EIC, HRDC, UIC)k approved projects/programs through their local (UI) Offices can provide the usual financial support along with academic credits.

CERTIFICATES OF COMPLETION: = The Method/Process/Vehicle.

1. Take into account the in & out of classroom learnings and emphasize the level, quality and degree of the participant's contribution leading to the successful completion of the project's/program's goals and objectives.

2. Can be provided by the project/program sponsor, co-ordinator, community project team co-ordinator and/or a (UI) office education counsellor upon successful completion of the project/program.

3. Project/program participants can present the certificates to their local/regional participating educational institution for academic credits as related to the institution's, appropriate, (in classroom) educational programs: (High School Up-Grading to Graduation, Colleges/Universities)

NOTE:

Any of the Federal, Provincial & Municipal Government programs that have, at least, a project and/or on-the-job training component can/will benefit from the employment of this accreditation strategy, as an addition to the project/program.

a. The Atlantic Groundfish Strategy (TAGS). (Especially in the GREEN PROJECTS and in projects generated by the COMMUNITY OPPORTUNITIES POOL).

b. The PROJECT-BASED TRAINING PROGRAM (EIC) LM-174/11/91 (6)

c. The WORKPLACE BASED TRAINING PROGRAM LM-174-16-06-94

d. The PURCHASE OF TRAINING PROGRAM LM-174-11/91 (8)

e. NCARP, AGAP, FCTA, etc.

Accreditation of non-classroom (as well as classroom) learnings that take place as a result of participation in various (UIC) projects/programs can contribute to the further development of WIN-WIN relationships between project participants/students, educational institutions and government agencies.

Sincerely,

James Halstrum
