

The futuristically designed 1955 Chevrolet, offering for the first time, a high-output 162 horsepower V8 engine as well as a more powerful six cylinder "Blue Flame" economy-leader, was announced across Canada today. Greatly increased comfort and driving qualities stemming from re-engineered frame and suspension are enhanced by the first "dream car" styling in the low price field. The Bel Air Sports Coupe (above) illustrates the broad, low grille and hood treatment, greatly increased vision through the new sweep-sight windshield, and the "fleet" look imparted to all 14 body styles by the longer, lower lines of the new models.

Honored On 80th Birthday

Mrs. Peter A. Gallant of Oyster Bed Bridge, celebrated her 80th birthday, Oct. 6th, at the home of Fr. Pitre of South Rustico.

This smart old lady, who has been a practical nurse until a very few years ago is still enjoying good health, and the proof of this is that she was actually keeping house for Fr. Sylvere Gallant, in the absence of Fr. Pitre and his sister, Miss Freda Pitre. She began her day by first attending Mass, and in the afternoon went for a tour in the western part of the Island with Fr. Gallant. The Sisters of St. Augustine had a delicious supper waiting for her and a beautiful birthday cake and gifts. In the evening, her family gathered to wish her many more birthdays and also presented her with gifts. Mrs. Gallant thanked all who

made the day such a memorable one for her.

NOT FOR SALE

LONDON (CP) — Thrown away after the brewers' exhibition here were 65,520 pints of draught beer. Official explanation: It was free, for exhibition only, and anyway would have deteriorated.

GEORGETOWN C. W. L.

The regular monthly meeting of the Georgetown, Catholic Women's League was held on Tuesday evening, Oct. 5th, with a full attendance. The meeting opened with League prayer by the Director Rev. Fr. Kiggins. Mrs. P. L. Boudreau, the League President, presided. The minutes of the September meeting were read by the Secretary, Mrs. J. B. Scully and approved. The reports of the various Conventions were read—Mrs. Alec Arsenault reported for the Education branch, stating that the school attendance was good. The Treasurer reported a substantial balance on hand. Mrs. F. J. DeLory, Convener of "Better Reading" passed a book among the members entitled "Why I Became a Priest" and stated other books for small children could be obtained from her. Correspondence consisted of a letter from the P. E. I. T. B. League informing the members that the annual meeting was to take place in Charlottetown on Wednesday, Oct. 27th, and invited one or two delegates to be present at this meeting. After some discussion it was decided that instead of sending a delegate, a donation be sent to the T.B. League instead. The workers and caretakers of the Allars for the month of October were; Mrs. Ella MacKinnon and Mrs. P. L. Boudreau. Mrs. H. Llewellyn then reported in the capacity of convener of the fancy-work booth for the annual bazaar.

She informed the ladies that everything was practically taken care of and everything was in readiness in this department. The annual report of the Catholic Women's League at Charlottetown on Aug. 18th, 19th was left over to be read at the next meeting, as the delegate had already covered the most essential details. The meeting adjourned after the Act of Consecration by the Director, Rev. Fr. Kiggins. —AG

MORSE'S Selected ORANGE PEKOE TEA in BAGS

They're better because they're the only beans baked over for 14 hours and they have just the right amount of pork and molasses. It's a Maritime-made Maritime's meal.

Who says he doesn't care about interest?

This represents the actual cash you will receive in interest over 12 years for every \$100 you invest today in

9th Series Canada Savings Bonds

Of course you get your original investment back too—at 100 cents on every dollar you've put in. Should need arise before the bond matures, you can still cash it at any bank at any time—for the same full face value (100 cents on the dollar)—plus interest earned at 3 1/4%.

P.S. If you are thinking about a \$1000 Canada Savings Bond, multiply these coins ten times.
