HASZARD'S GAZETTE.

Wednesday, August 6, 1856.

The Elections for a Mayor and five Councillors, one for each Ward was held yesterday, the result has been,

Robert Hutchinson, Esq., Mayor, (re-elected)

Councillors

Ward No. 1 John Rigg, Esq.
" " 2 Donald M'Isaac, Esq., re-elected
" " 3 Silas Bernard, Esq., do.
" " 4 Neil Rankin, Esq.,
" " 5 Henry B. Smith, Esq.

We are happy to state that the election was conducted in a most regular manner, and that there was no disorder or riot of any kind or any thing approaching to it. There has been a good deal of discussion as respects that part of the Corporation Act which relates to the qualification of voters, and the *Examiner* has been very liberal of his remarks upon the conduct of the Recorder. As the right of franchise is a matter of serious moment to all classes of the citizens, we shall take an early opportunity of making a few observations upon the subject. We have to apologize for the shortness of this notice but we trust that the circumstance of our time having been so entirely occupied for the last five days with the various questions relative to the election will be accepted as a sufficient excuse.

We must not however omit to state that John W. Morrison Esq., has entered a protest against the election of Councillor Rigg, on the ground that holding the office of City Auditor he was not eligible. As the rule will be brought before the City Council any remarks on the subject would be premature and indelicate.

Mr. Rigg having resigned his office of Auditor, and paid his fine, was duly sworn into office as Councillor.

Dr. JOHNSON respectfully announces to the public the return of his son (Dr. Hammond Johnson) from Harvard and Albany Colleges, United States, and that in future his medical establishment will be conducted in the name of "JOHNSON & SON." He regrets, that his country engagements have so frequently prevented a due attention to his town patients, and feels glad in now being able to provide for any future emergency. He is extremely sorry to find, that the disreputable system of slander and detraction, so industriously active against himself for many yaars, is continued with increasing acerbity against his son. Having himself very quietly borne the assaults on his professional integrity for a long period, he is afraid, that continued silence may be considered as an admission of their truth: in justice, therefore, to himself, his family, and as a duty to the public, he will, very reluctantly, bring the subject to their attention in a form which, (though exceedingly unpleasant to himself) he has no doubt, will be satisfactory to them. In the mean time, he can most confidently and conscientiously introduce his son as having had a most complete classical and professional education, *at least equal* to his traducers. His previous liberal education and many years' professional training under the best physicians, surgeons, chemists and pharmacians that the general practice of England produces, prepared him for the liberal advantages of the "States" Colleges, of which he has availed himself with more than ordinary industry, perseverance and success, having obtained an applauded Diploma from each College. As corroborating this, his father feels it a pleasurable act of justice, to him, to append to these remarks part of a note, received some months ago, from the Dean of Faculty, Harvard College:—

"Boston, March 17, 1856.

"My dear Sir,—I regret that you did not receive my letter during the lectures. * * * * I write now merely to say, how much gratified I was during your son's entire sojourn with us; with his promptness, attention, fidelity; he was always at his post, always ready, and I was much pleased to give him a letter to Albany to my old friend Professor Marsh. I feel assured, that his course will be a brilliant one.

'With great respect, yours truly,
"D. Humphreys Storer.

"To Dr. Johnson,

THE

Mount Allison Wesleyan Academy.

Rev. M. Richey, DD., President of the Board of Trustees.
Rev. W. Temple, Secretary.
Rev. E. Evans, DD., Governor and Chaplain.
Rev. H. Pickard, A. M., Principal.
Chas. F. Allison, Esq., Treasurer.

The first Term of the next Academic Year is to commence on *THURSDAY*, the 14th of August, and the second on the 20th of November.

The Institution will continue to be conducted upon the same principles as heretofore. Everything possible will be done to promote the safety, comfort and improvement of the Students.

The exertions of the honored Founder, and of the Trustees and Officers, to extend the blessings of a sound religious, but not sectarian Education, have been, to a most encouraging extent, successful. During the last Academic Year, not less than two hundred and fifty Students gathered from families of almost every Christian denomination, and from all the various parts of these Provinces, were connected with the two branches of the Institution. Within the last twelve months, nearly two thousand pounds have been expended in still further improving the buildings, and otherwise increasing the Educational facilities afforded in the two establishments.

The Boards of Instruction include twelve Professors and Teachers, all suitably qualified for their respective departments.

Notice is, therefore, respectfully but confidently given, that a thorough Academic Training may be here obtained, by Youth of either sex, under the most favorable circumstances, and upon the most advantageous terms.

☞ *The charge for Board, &c., and Tuition in the Primary Department, is £25 N. B. Cy., for the Academic Year—18 6s. 8d. being payable in advance at the beginning of each Term.*

All communications respecting the Male Branch should be addressed to the Principal; those concerning the Female Branch, to the Governor and Chaplain. 3i (July 23, tw)
