SUMMER OUTINGS.—The picnic at Kelly's Cross yesterday was well attended and proved most enjoyable. A great many drove out from Charlottetown, and all report having a good time.

There was also a large attendance at St. James' Church picnic at Suffolk, and the little ones and their teachers and friends thoroughly enjoyed themselves. The train returned early in the evening.

The tea at Vernon River on Wednesday was a distinct success in every respect. The attendance was unusually large, Charlottetown being exceedingly well represented. All had a most enjoyable outing.

ATHLETIC ASSOCIATION.—At a meeting of the shareholders of the Charlottetown Amateur Athletic Association last night the following directors were elected: A. E. Ings, J. B. Dawson, B. C. Prowse, Dr. H. D. Johnson, Geo. J. Rogers and Geo. A. Dixon. The work of building the fence and grand stand will be proceeded with at once. All the shares have been taken except eleven. The grounds are expected to be ready about the middle of August. The opening of the grounds and track will be on Labor Day, when the Maritime C. W. A. meet will be held on the grounds.

ATTACKED BY A HEIFER.—A correspondent of the St. John Sun writes: Mrs. George Peardon, now living on the Union road, was preparing to go to the Winsloe road tea meeting on Wednesday last. When having dressed herself she thought she would first go and milk a young heifer, which a few weeks ago had dropped her first calf. It was a very hot day, and as soon as Mrs. Peardon commenced to milk the animal she turned on her, threw her up in the air and tore her clothing from her body, even to her stockings. Her clothing, which was most of it new, was torn to shreds, and her body covered with bruises. Her little daughter took a stick and struck the animal on the head, but she seemed unwilling to leave her victim until the third blow, when she turned on the child, and had the mother not had presence of mind enough to tell the child to run away and climb a ladder near by the child would have been killed. It is thought that no bones are broken, and although very sore and much bruised, Mrs. Peardon will soon be around again.

The Liberal Conservatives have engaged the Lyceum as their Campaign Rooms, from this date till after the Election. This Hall will be open every day and evening. All friends of the party are expected to attend, and will be made welcome.

THREE QUESTIONS.

Six.—I want to ask the officers of the Methodist Churches three questions through the columns of your paper.

First, is it true that an officer of one of the Sunday schools is canvassing on behalf of his political party for the liquor vote on the promise that every man and his friends of a certain establishment will vote against the Scott Act?

Secondly, does the Methodist Church allow its Sabbath School officers to work and talk against the Scott Act to aid politicians or for any other purpose?

Third, is it true that some boys were the worse of liquor at the picnic yesterday?
