Pithily Put.

Kind treatment is an equivalent of food.

The greatest enemy of agriculture is ignorance.

The mule is hardy and handy, if not handsome.

If you would have your boys profit by your mistakes, don't repeat them.

Some farming is like an old jacket—frayed at the edges and very thin elsewhere.

Growing a boy on the farm is a mighty good foundation preparation of him for an honorable business.

There is this difference between the poor and the good farmer: One complains of the bad seasons, the other rejoices in the good seasons.

Two horses of one kind will do as much work as four horses of another kind, and it ought not to be hard to determine which is the more profitable.

When a man comes half a mile to borrow a hoe or a fork, you may depend on his coming some day to borrow money, but never coming to pay it back.

Perhaps it can't be remedied, but it is, nevertheless, a pity that the creature flattered by the nod of a politician casts a vote that counts as much as the ballot cast by a true man.—*American Agriculturist for November.*

We may live without conscience, we may live without heart;

A wealth of illustrations of the highest quality adorns the pages of the *American Agriculturist* for November, making it one of the finest and most useful issues of this sterling magazine ever published. The leading article describes the Lakeside farm and herd of Holstein-Friesian cattle and thorough-bred Clydesdale, Hambletonian and French coach horses. The numerous illustrations of famous cattle and horses are reproduced direct from life, without the intervention of mechanical engraving, thus making the pictures so natural and true to life as to really mark a new departure in live stock illustration.

WHAT AILS YOU?
Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, lifting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?
If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, **Dr. Pierce's Golden Medical Discovery** will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.
Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.
Dr. Pierce's Golden Medical Discovery
CURES ALL HUMORS,
from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.
"FOR THE BLOOD IS THE LIFE."
Thoroughly cleanse it by using **Dr. Pierce's Golden Medical Discovery,** and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.
CONSUMPTION,
which is **Scrofula of the Lungs,** is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for Consumption, but for all **Chronic Diseases** of the
Liver, Blood, and Lungs.
For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.
Sold by Druggists, at **$1.00,** or Six Bottles for **$5.00.**
