THE RULE OF THREE.

Sir,—Is the following anything like cor-
rect? If not perhaps the Patriot will give
me some light.

Sir Louis H. Davies' advices last Sat-
urday were that "the Strait was filled with
ice from four to ten feet thick." How
much of it had disappeared yesterday.

In March there is from four to ten feet
of ice in the Straits. In January and the
early part of February there is not more
than four to ten inches. In March the
Stanley comes into Charlottetown. In
January and February the Stanley lies at
the wharf at Georgetown. Charlottetown
merchants pay freight to and from Geor-
getown. Passengers pay fare to and from
Georgetown, and pay for berths and meals
in the Minto. The Government coins
money. Don't the people lose it?

If there is from four to ten feet of ice
in the Straits in March, and if there was
never more than one or two feet in Jan-
uary and February, could not the Stanley
have come to Charlottetown nearly every
day this season? If the Minto can go
from Georgetown to Pictou in almost half
the time that the Stanley can make the
passage under the same conditions, could
not the Minto have made return trips to
Charlottetown almost every day this
winter?

Last year the Princess broke the ice for
the Stanley. This year the Stanley breaks
the ice for the Minto. The Stanley is
certainly a better ice boat than the
Princess. The Minto certainly ought to
be a better boat than the Stanley.
Doesn't it look as though there was some-
thing wrong with the management?

Yours,
SCHOOLBY.

ALMOST A MIRACLE.

Strange Case of Kidney Disease
Reported at Smith's Falls.

SMITH'S FALLS, March 19.—One of the
most remarkable cures ever performed by
Dodd's Kidney Pills was that of Mrs.
George Barnes, of this town. Mrs. Barnes
was afflicted with Female Weakness and
Urinal Trouble resulting from kidney
disease. The disease had also a serious
effect on her senses of sight and hearing,
for at times Mrs. Barnes would be exco-
singly deaf and short-sighted.

Mrs. Barnes gives an account of her
case for publication: "I have consulted a
doctor," she writes, "who gave me medi-
cine that seemed to make me worse at
times. I was told of Dodd's Kidney
Pills, and I got one box. I have used
part of the box and am completely cured,
and strange to say both my hearing and
eyesight are now unaffected."

An Interesting Case.

Mr. W. G. Phyll, proprietor Bodega Hotel,
36 Wellington Street East, Toronto, says:—
"While living in Chicago I was in a terrible
state with itching and bleeding piles. I tried
several of the best physicians and was burnt
and tortured in various ways by their treat-
ment to no avail, besides spending a mint of
money to no purpose. Since coming to
Toronto I used Dr. Chase's Ointment. I
used but one box and have not been troubled
with piles in any shape or form since."

Every man knows better than to go up
against another man's game, yet they all
do it.

A CHOSEN FRIEND

Harvard Bronchial Syrup is the chosen
friend of our best singers and most noted
public speakers. No other cough remedy
has such a widespread reputation. It
quickly stops the worse cough, banishes
hoarseness and clears the throat and bron-
chial tubes. Druggists and dealers re-
commend Harvard Bronchial Syrup.

**Minard's Liniment for sale
everywhere.**

Money is often used to cover the spots
on a man's reputation.

Don't Tear Down—Build Up.

The old-fashioned theory of tearing down
disease was entirely changed by the advent
of Dr. A. W. Chase's Nerve Food, which
cures by creating new rich blood and nerve
tissue. Through the medium of the circula-
tion and the nervous system they strengthen
and invigorate every organ in the human
body.

In order to acquire a true friend you
must first learn to be one.

Minard's Liniment Cures Colds, etc.

The average man has a poor foundation
when he sands on his dignity.

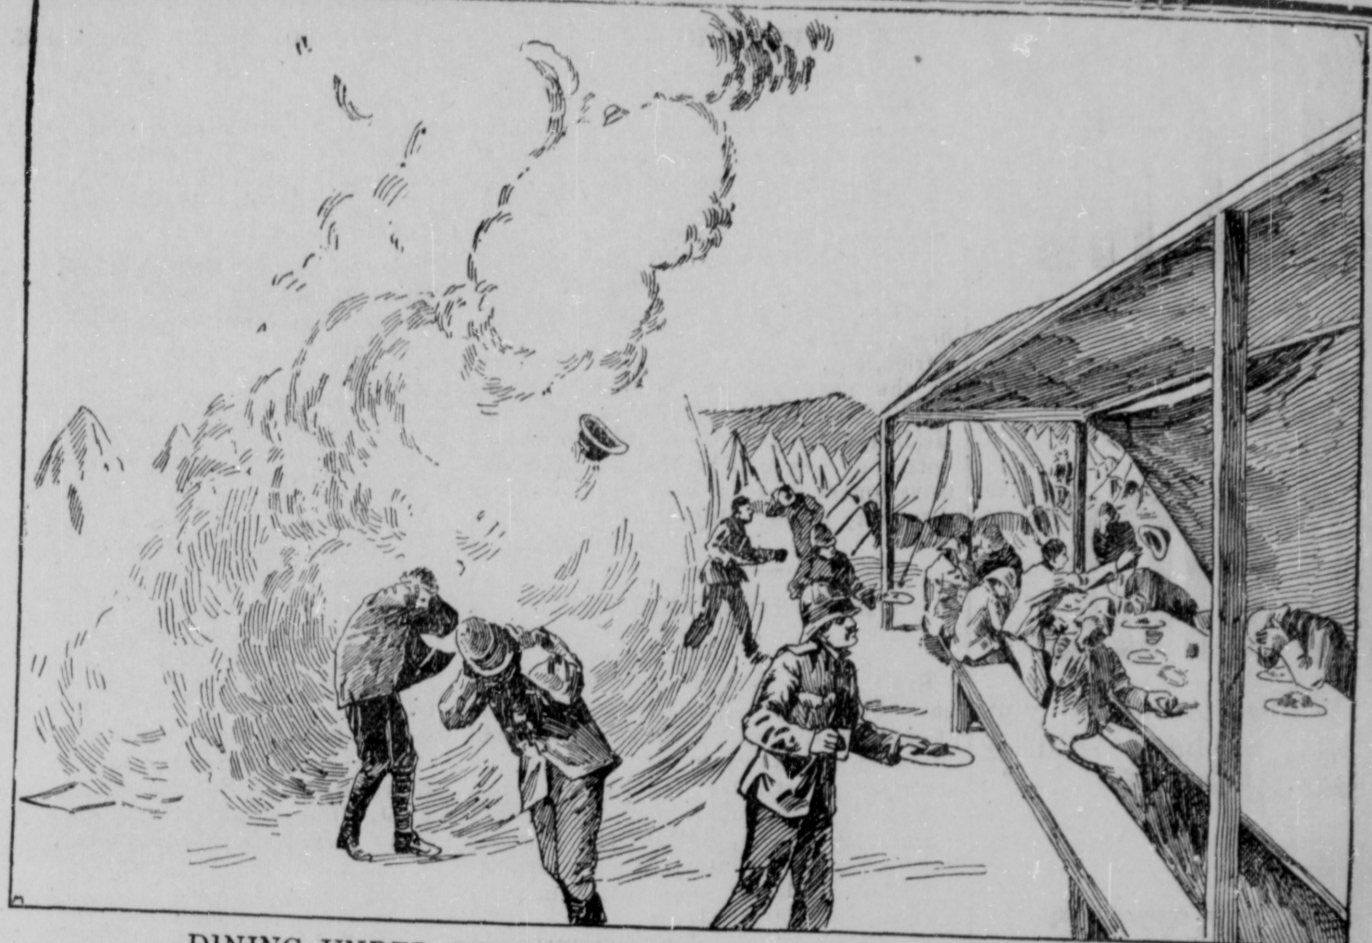

To Cure a Cold in One Day

"Catch the opportunity." By taking
Hood's Sarsaparilla now you may build
up your health and prevent serious ill-
ness.

Speaking of

Paul E. Wirt Fountain pens,
Mark Twain says:—
"An absolutely perfect
fountain pen, a pen compared
with which all other pens are
frank failures."

This may be rather a sweep-
ing statement, but evidently
Mark Twain's pen served
him well. So will yours if
you use a WIRT.
