... no other brassiere can do so much for your figure

with or without Floating Action

by *Exquisite Form*

- Bend... and the bra will not hike up
- Twist... without pull on the shoulder straps
- Stretch... and the bra stays in place without slipping

Here's a stroke of genius — the remarkable Circl-o-form with the four section stitched cup. It's incomparably flattering — the way it makes the most of your charms — moulding and lifting like no other bra.

CIRCL-O-FORM with Floating Action — floating action for the really active woman — to follow you and support you beautifully through every activity. Broadcloth or satin in white only. Sizes 32 to 40 in A, B and C cups.
