Make Yours A Happy Marriage

Do you know one fundamental way to prevent money quarrels? The best way to handle your husband when he's sick? How to make him want to buy that new rug? In August Reader's Digest, author Agnes Rogers gives a few modest suggestions to brides on some practical details of married life that aren't always covered in the books, and adds the one essential rule all married women should follow to ensure marital harmony. Get your August Reader's Digest today: 41 articles of lasting interest, condensed from leading magazines and current books.
