Squarebriggs' Rink Is Winner Of P. E. I. Junior Curling Championship

The Johnny Squarebriggs skipped rink of Charlottetown won the final match over the Clifford MacDonald rink, also of the City, at the Charlottetown Curling Club last evening to win the Prince Edward Island Junior Curling championship and the Department of Physical Fitness Trophy. Squarebriggs won by a 12-8 score to remain undefeated in the two-day play.

As the winning and runner up teams, both the Squarebriggs and MacDonald rinks also earned the right to represent the Province in the Maritime Junior Curling Championships which will be held in Charlottetown commencing March 15th.

The following are the members of the winning and runner up rinks: — Winning rink — Roy McCabe (lead), Bill MacNeill (2nd stone), Andrew Likely (mate), Johnny Squarebriggs (skip).
 Runner up — Art Roper (lead), Harry McInnis (2nd stone), Eimer MacDonald (mate), Clifford MacDonald (skip).

The two visiting rinks who were still in the running up to semi-final play were the C. Boudreault rink of Alberton and E. Morrison of Summerside. Boudreault was eliminated yesterday afternoon by the MacDonald rink by a score of 13-6, while Morrison was put out

In the morning also by the MacDonald team by a score of 14-3. Morrison led by an 8-3 margin at the conclusion of the eighth end, but taking a big six end in the ninth, MacDonald came from behind to continue on for a six-point victory.

The following are the results of yesterday's play and the final standings: —

Murray Harbor Captures Intermediate B Series

Vancouver Prepares For Big 'Spiel'

Preparations to handle British Columbia's first Canadian curling championship rolled a little faster today to be ready for the first straw Monday.

The cream of the Canadian curling world for 1950 will be assembled then for a nine-round, four-way round-robin to decide the title. Of the 10 Provinces, only Newfoundland is not represented.

Ken Watson's Winnipeg Strathomas won't defend the title they won last year. They were defeated a few weeks ago in the Manitoba provincial championship.

Site of the classic is the new \$1,000,000 Kerrisdale arena four miles from the city's centre. Last year it was held in Hamilton where Manitoba won the crown for the 12th time.

British Columbia, as host province, will be looking for its second victory. The first was in 1948 when the Trill, B.C., rink of Frenchy D'Amour won at Calgary.

New Brunswick, Prince Edward Island, Quebec, Northern Ontario and Saskatchewan have yet to win the championship. Northern Ontario is one of two entries from that Province — making up a perfect draw for round-robin play. Newfoundland may enter in 1951.

In the final game of the Intermediate "B" hockey playoffs at Murray Harbor rink last night, the Murray Harbor Bruins battled it out to a 6-6 tie with the Montague Meteors to win the home and home, total goal series by a 14-9 margin, and continue to advance along the line in King's County play.

The Bruins took the opening game earlier in the week by an 8-3 count.

Playing before a capacity crowd, the game was a fast affair that came up with smart passing attacks by both squads in one of the best matches to be seen there this season.

Several Members Of Moncton Hawks Are Suspended

MONCTON, N. B., March 2 — (CP) — Several players of Moncton Hawks were suspended today because they refused to play in an exhibition game with Sydney Millionaires without a bonus.

Gene Connolly of Sydney, N. S., secretary of the Maritime Amateur Hockey Association, suspended the players after the exhibition game was cancelled.

Names of the suspended players were not made known.

The suspension will have no effect on the club this year — its schedule in the Maritimes Senior

Hockey League is over and it failed to reach the finals. But it leaves the players open to a two-year suspension by the Canadian Amateur Hockey Association.

Club officials said the split in the team developed last Monday night during a semi-final game when Saint John Beavers knocked Moncton from the playoffs. They said several players threatened during the game to stay off the ice unless they were guaranteed their salaries for a full week.

Officials said the club gave in to the players and paid the salaries. Frank Ryder, Hawks official, said he arranged with Sydney for the exhibition game, scheduled for tonight, but some of the players refused to make the trip.

Ryder said he was told of the suspension by Connolly after con-

Chicago Defeats Montreal 5-2

CHICAGO, March 2 — (CP) — Doug Bentley scored twice tonight to raise his National Hockey League lifetime goal total to 202 as Chicago Black Hawks defeated the Montreal Canadiens 5 to 2, before a crowd of 13,114.

Coming through to hand the Abbies their second and only defeat this season, the Vics moved into a tie position with Saint Dunstan's University for second place, just two points behind the final league winning Abbies. But they were not the only ones to make it a closely-contested league. Battling hard all season, the Summerside Crystals and the Prince of Wales College Welshmen, although trailing second place teams by six points, have also ended in a deadlock for third place, or if you wish to consider the tie for second spot, fourth place in the final league standing.

This means of course that four of the six teams in the league are going to have to play extra games in order to decide the final standings, so one couldn't ask for any closer competition than that, and although we refer to the schedule as over, there are still a few stout battles ahead before the final standings can be decided.

This applies particularly to the Crystals and Welshmen, who entered the first of a home and home, total goal series last night at the Western Capital to decide which team will make the fourth place berth in the playoffs. At time of writing, however, the results of that game had not been decided, but we think it safe to say that it was a close battle, and that it will be another close one here next week when the two teams meet in the final contest.

As to what will take place between Saints and Vics as regards their second place tie, has not been released yet, but according to the playoff rules laid down by the League executive, the first place team will meet with third place, and second with fourth. For that reason some policy will have to be laid down by the league to decide which team will be second and which will be third.

We can only guess as to what the solution will be at the moment, although from our point of view it can be only one of two things. Either the two teams will meet in a series similar to the one in progress now between Crystals and P.W.C. or they will flip a coin to decide it. The latter is quite a possible prospect as it is not going to jeopardize either team's playoff chances, but will only determine which team they will meet in semi-final series, and in this way will save time in getting the playoffs underway.

Of course the two squads may prefer to play it out instead, as they may have a preference as to which team they wish to meet in the semi-finals, and we imagine that is the case, they will be allowed to do so, but in the meantime, we will just have to bide our time until some decision is reached, which may be forthcoming at any time in the next day or so.

Surprises are always a feature that makes sport interesting, and local hoops fans certainly were treated to one at the P.W.C. auditorium on Wednesday night when Ray's Millionaires roared back from behind a five point deficit to send the Saint Dunstan's University hoopers down to a 46-40 defeat. The victory gave them the two-game total-point semi-final series by a slim four point margin to advance into the Island Physical Fitness Basketball League finals.

It was a really nip-and-tuck series with the Saints winning a close series opener by a 46-41 count last Saturday night to take a five point lead into Wednesday night's fray with them and making the situation even grimmer for Ray's, took a five point lead in the first half of Wednesday's game, to hold a 10-point overall margin.

Hungarian Partridge In Need Of Help

Hun covets have been having rather lean pickings for nearly a week now and conditions have grown worse instead of better. At least 95 per cent of their food and grit is incased in a coating of snow and ice. Its rather pathetic to see the partridge wandering aimlessly over winter fields or huddled in hungry covets on crusted snow with no food in sight.

The birds need help and need it badly. If this type of weather continues for another week or ten days there's no telling what may happen. Pheasants appear to be having better success in their search for food. The big Cocks pack a lot of weight and have strong hooked beaks and are able to break up the crust around weed clusters. They also feed a lot on rose hips and around thorn hedges. It is hoped that school children will look after covets in their respective school districts. Farmers as usual are the Hun's main standby.

REMEMBER WHEN

For the eighth time, Glen Cunningham bettered the 4:10 mark for the mile race when he set a mark of 4:04.4 at Hanover, N. H., 12 years ago today. Cunningham was 27 at the time of the record run. His record was surpassed by the 4:01.4 race of Sweden's Gunnar Hag in 1945.

Jersey Joe Meets Cuban Boxer Tonight

NEW YORK, March 2 — (AP) — Jersey Joe Walcott, still a heavyweight contender in his 24th year in the ring, returns tomorrow night to the scene of his greatest glory, when he faced wild-swinging Omello Agramonte of Cuba in the main 10-rounder at Madison Square Garden.

It was Dec. 5, 1947, when the 36-year-old campaigner from Camden, N. J., made his last fighting appearance in the Garden. The 10-to-1 underdog dropped Joe Louis twice and almost won the bombastic heavyweight crown.

Walcott this time is the 1-to-1 favorite. A crowd of around 9,000 is expected to pay \$30,000 at an \$8 top; and many of the customers will be shelling out the cash to see a featherweight in the eight-round semi-final.

He is Jimmy Rooney, the knock-out kid from Bridgeport, Conn. The fighting orphan, who also played his best game of the current season. Benny Grady was never better and led his team in scoring points with three goals and five assists. His teammate, Garth Gay, was second with two tallies and four assists, scoring the picture goal of the evening half-way through the third period.

McCallum led the College boys with a goal and two assists while Howatt shot a brace of goals.

Line-ups:
 Prince of Wales — Goal, Simmons; defence, McLeod, McNevin, Allan; forwards, Howatt, McCallum, Downe, Brown, McLean, Nicholson, McRae, McDonald.
 Crystals — Goal, Sprague; defence, Grant, Davis, Shields, B. Gay; forwards, G. Gay, B. Grady, J. Schurman, S. Bernard, G. Kelly, Trainor, S. Gallant.

Crystals Take 3-Goal Lead In First Of Home & Home Series With PWC

The Summerside Crystals defeated the Prince of Wales College Welshmen 3 to 2 at Crystal Rink last night giving them a three goal lead to take to Charlottetown Forum where they play the second game of a home and home series to determine the occupant of fourth spot in the Prince Edward Island Physical Fitness League.

P.W.C. took an early lead, having a 2 to 1 edge at the end of hostilities in the first period, and leading 4 to 2 after five minutes of play in the middle frame. The home forces then suddenly caught fire and banded home five goals without a return to skate off the ice with a 7 to 4 count in their favor.

The Collegians came back strong in the final chukker, scoring two quick goals to draw to within one counter of the Grant-coached crew. Summerside got back into their stride, however, and shot two goals to regain their three goal edge. P.W.C. was forcing the play in the dying minutes.

The two goals, Sprague and Simmons, rose to heights on occasions but were beaten by a few soft ones too. Stan "Mooney" Gallant came back to the Crystal team last night after a lay-off of nearly a month and won his way back into the hearts of the fans by playing his best game of the current season. Benny Grady was never better and led his team in scoring points with three goals and five assists. His teammate, Garth Gay, was second with two tallies and four assists, scoring the picture goal of the evening half-way through the third period.
