LOCAL AND OTHER ITEMS.

I. O. O. F.—Wildy Lodge tonight. Initiation.

POLICE COURT.—This forenoon the docket consisted of two drunks—James Heunessey and Stephen McLellan. The former was fined \$1 or 20 days and the latter \$3 or 15 days.

FROM BOSTON.—The Plant Line will continue the steamship "Halifax" on the Island service during the present month. The last trip from Boston will be Saturday November 30th, and from Charlottetown Tuesday, December 3rd.

GOSPEL MEETING.—Remember the Gospel Meeting in the Philharmonic Hall every Sunday at 4 o'clock, conducted by the railway men. Strangers always welcome. Lesson, John 3-14.—Even so must the Son of Man be lifted up.

LAST TRIP.—The Plant Line steamship Halifax will make her last trip of the season from Charlottetown on Tuesday, Dec. 3rd. The very excellent service performed by the Plant Line with their superior steamers has been of great advantage, and in continuing the service so late in the season it is to be hoped they will be well patronized.

ANOTHER ISLANDER DROWNED.—A Gloucester, Mass., despatch of the 14th says: The body of a man found floating in the dock of Samuel Lane & Bro. this morning was identified as that of Peter Gillis, a fisherman for the firm. Gillis was unmarried, about 58 years of age, and a native of St. Peter's, P. E. Island.

AN OMISSION SPECIFIED.—In THE EXAMINER'S notice of the recent tea and entertainment in the basement of the First Methodist Church, the name of Mr. H. A. Woodworth was inadvertently omitted when speaking of those who assisted on the occasion. Mr. Woodworth contributed a reading which was greatly appreciated.

THE PLANT LINE.—Since the opening of Navigation the Plant Line have given a very prompt and reliable service between the Island and Boston, with fast steamer, superior to any heretofore employed, and we are pleased to announce that notwithstanding the small freight offering that they will continue the service until Dec. 3rd, which will be the last sailing from Charlottetown this season.

NEW EXPRESS AGENT.—Mr. George E. Henderson, in the employ of Messrs. R. Hearst & Son, has been appointed agent for the Canada Express Company in this city in the place of Mr. W. W. Clarke, who resigned that position. While the public will regret that such an efficient officer as Mr. Clarke proved himself to be has ceased to act as agent, it must be admitted that the Company has made an excellent selection for his successor and he is to be congratulated upon securing the services of Mr. Henderson.

AN OLD FRIEND HEARD FROM.—We clip from the Philadelphia Sunday Item of the 10th inst., the following interesting piece of news, which besides all the news will be valuable as divulging the address and whereabouts of "Mr. F. W. Williamson, Cruse"; Mr. and Mrs. John Rodgers have issued invitations for the marriage ceremony of their daughter Miss Josephine Parke Rodgers, to Mr. P. Williamson Cruse, son of the late Captain Peter N. Cruse, of the United States Navy, which will take place at the residence of the bride's parents, No. 1224 South Fifteenth Street, on Wednesday evening, Nov. 20th, at 7 o'clock precisely. The reception will follow from 8 to 10 p. m. Mr. and Mrs. Cruse, after their return, will be "at home" Thursday evenings, after January 1st, 1895, at 2306 Gray Street.

THANKSGIVING DAY.—Mr. D. McLean has secured an excellent attraction for the Thanksgiving holidays at the Opera House, consisting of the Trilby comedy, which appeared here and left such a good impression last May. The company returns to Charlottetown for one night only, and will present for the first time in this city Henry C. G. Gibson's comedy "The Irish Senator," also a curtain raiser entitled "A Quiet Family," making an excellent double bill. The company is a strictly first class one, and includes Mr. Harry C. Gibson, the famous Irish comedian, and Miss Cecile Lorraine (of Trilby fame) and an exceedingly strong company of artists, all direct from New York City. "The Irish Senator" is exceedingly funny, and all those who like to enjoy a good laugh should visit the Opera House next Thursday night. Seats will be on sale Monday at the usual places.

BIKE ACADEMY AND ROLLER RINK.—Our enterprising townsman, Mr. W. P. Duell, has rented for the winter months the large new brick building on Kent St. (near W. E. Dawson's store) and intends using it as a bicycle academy and roller rink. The building is 120x10 feet, and will give a track of twenty-laps to the mile. In addition he intends constructing a track which will give a straightaway run of any number of miles, the progress being indicated on a large dial or cyclometer in full view of the spectators. This arrangement, which is Mr. Duell's original idea, will be more particularly for "sprint races" and match racing, and the speed of the contestants will be given on the dial. A bicycle school, besides giving opportunity to ladies and gents to learn to ride the bicycle during the winter months, will give our flyers a chance to keep in training all winter. He wishes that parties having roller skates will communicate with him by post card or otherwise. Mr. Duell expects to be ready to start about Dec. 1st. We congratulate him on his enterprise and wish him every success financially and otherwise.

HE TOOK A DRINK TOO MUCH.

(St. John Globe.)

Bernard Heron, a Prince Edward Island man, about fifty years of age, is a saddler, but it is to be hoped, a wiser man than he was this time yesterday. He left Port land, Me., where he worked as a carpenter, on Wednesday, to visit his brother in Prince Edward Island. He had \$164 in his boots and a silver watch when he left. Now someone else has them, and who that someone is Bernard would very much like to know. The weather was fine and as the train hastened east Bernard's thoughts grew light as he thought of his good time he would have paying a visit to his native island, where he had not been for 22 years. He felt so good that, after having a dinner in a saloon in Bangor, he and a friend invested in a few hot drinks of prohibition liquor. The effect was not lost on him, and when he departed from Bangor he was in a state of alcoholic drowsiness. Nearing Vancouver the conductor of the train aroused him, and enquired for his ticket. Bernard put his hand in his pocket where it was, but it wasn't there, and he looked puzzled, then horrified, as a further search revealed to him the unpleasant fact that he had been robbed. The car was searched, but no trace was found of the missing cash, and when he found his watch was gone too, he was convinced that his pockets had been picked while he slept. He had enough money to pay his fare from Vancouver home, and this afternoon he paid a visit to the Chief of Police to ask for assistance to get to the Island. He feels badly over his loss, and wept copiously while telling the above tale.

GET RID OF CATARRH. If every sufferer from catarrh could be induced to make a trial of Hawker's catarrh cure, the disease would very soon be far less prevalent than it unfortunately is at present.

Catarrh is easily developed in this climate at this season. True, it is easily avoided, but people are generally so careless regarding cold, that it steals upon them unawares.

But they know when they have it. It makes itself known and felt. It is a disagreeable disease, and it is dangerous because of the certain complications that sooner or later result from it when it is not looked after.

Hawker's catarrh cure will at once give relief in mild cases, and a thorough course of treatment, accompanied by the use of Hawker's nerve and stomach tonic in extreme cases, will cure the most aggravated case of chronic catarrh.

The reader will, perhaps, remember cases, some most remarkable ones, of persons who had used other treatment without benefit, but who were completely cured by Hawker's catarrh cure and Hawker's nerve and stomach tonic. There have been many such.

Hawker's catarrh cure will knock out a cold in the head quicker than any other remedy.

It costs but 25 cents per box, and is sold by all druggists and dealers, and is manufactured only by the Hawker Medicine Co. (Ltd.) St. John, N. B., and New York City.
