Will Supply Respirators For Use On Ferry

Following discussions with officials of the Department of Transport, Mr. J. Watson MacNaught, M. P., parliamentary assistant to the Minister of Fisheries announced yesterday that respirators will in future be made available to crew members of the S. S. Prince Edward Island when cleaning boilers, furnaces, or smoke boxes aboard this ship. Previously, the men assigned to this work had experienced prolonged physical discomfort to e. s. and respiratory systems due to the effect of the fine sooty carbon dust from the oil burning furnaces which filled the air in the confined areas in which this work is conducted.
