

Lucky Debonaire's Injury Is Cleared For Preakness

BALTIMORE (AP) — Lucky Debonaire's right hind-leg late Wednesday.

He went real good over the track with the first three-eighths of a mile right around 35 seconds," said Catrone.

Lucky remains a 7-to-5 choice but it wouldn't be surprising if the odds lengthen when the expected crowd of 35,000 congregates at the old hilltop course.

Reports were equally encouraging from the barns of the eight other three-year-olds who will face the starter at 6:46 p.m. ADT today for the 1.36-mile race over Pimlico's sharply-banked track.

morning Tom Rolfe, third-place finisher in the Derby, again will be ridden by jockey Ron Turcotte, the former lumberjack from Grand Falls, N.B.

Confidence flowed at the stalls of Native Charger and Hail to All.

LEAR CONFIDENT

Even trainer Les Lear was confident Needles Count, an extreme outsider, would get a piece of the purse. Lear went into horse racing after a professional football career as a player and coach with Calgary Stampede of the Western Football Conference.

With nine starters, the race will be worth \$100,000, with \$128,100 going to the winner, \$30,000 to second, \$15,000 to third and \$7,500 to fourth.

The weather promises to be fair and warm for the race, the middle event of the triple crown, which also includes the Derby and Belmont Stakes.

The race will be televised by CBS in the United States and by the CBC in Canada starting at 6:30 p.m. adt.

SOME GOT WORKOUT

Most trainers were content to gallop their charges around the lightning-fast oval. But Gin Collins, trainer of Arkansas Derby winner Swift Ruler, Harold Young, who handles Selari, and John Jacobs, who trains the speed horse of the field, Flag Raiser, had their horses out for short workouts.

Fla. Raiser, quoted at 5 to 1 by the track oddsmaker, couldn't do better than eighth in the Derby after setting the pace for one mile. Bu he has won four straight stakes in New York at distances up to 1 1/2 miles.

Bill Winfrey, trainer of Dapper Dan, remained steadfast in his unconcern over the slow workout turned in by the Kentucky Derby runner-up in the middle of the week.

All the preakness entries are on the grounds except Tom Rolfe, the second choice at 3 to 1. He is quartered only an hour away at Laurel, Md. Trainer Frank Whiteley doesn't plan to bring the son of Ribot to the battle scene until Saturday morning.

Ch'town Holds On To Lead

SHELburne, N.S. (CP) — Charlottetown Aces carry a healthy lead into today's final rounds of the Maritime Women's Five-Pin Bowling tournament here.

The Aces, defending champions, held a 44-4 win-loss record after Friday's play and were far ahead of their nearest rivals, the Summerside, P.E.I. Crests. The Summerside team had a 20-20 record and Shearwater, N.S., was next with 24-24.

Shirley Clements of Summerside had the high single after Friday's play — 338 — while Marion Forman of Shelburne Shadows topped the triples with a mark of 830. Summerside held the high team single with 1,219 and Charlottetown had the high triple, 3,310.

Bobby Hull Wins Award

By JIM CULLEN

Bobby Hull, the golden jet of the Chicago Black Hawks, has been awarded the Lady Byng trophy and he feels it was a most wise decision on the part of the sportswriters and broadcasters in the six NHL cities that had a vote on the award.

Hull had a tremendous first half this season as he connected for 32 goals and contributed 21 assists, but slipped considerably in the second half when he ran into a rash of injuries and finished fourth in the scoring race while he spent 32 minutes in the penalty box.

Hull played several games in the second half while suffering from two gimpy knees which added to the strain and tension of National Hockey League play and if it hadn't been for this factor we feel he wouldn't have spent as much time with the penalty-box timekeeper.

Although the Black Hawks didn't give us too much cause for joy in the NHL playoffs we experienced a type of warm feeling inside for Bobby Hull when after taking a 4-0 beating at the hands of the Montreal Canadiens in the seventh game of the Stanley Cup final the Hawk's scoring ace proved to be a true gentleman.

Hull had fought harder than any of the Black Hawks to down the "Flying Frenchmen" but when the final whistle went he was the first to congratulate them and we noticed Hull was the last member of the Windy City aggregation to leave the ice surface.

Alex Delvecchio of Detroit was second in the Lady Byng voting and the perennial star of the Wings had a tremendous year as he finished fifth in the individual scoring and collected 25 goals.

Delvecchio is the easy going type of player and is always in the running for the award, but when it comes to a trophy for a player adjudged to have exhibited the best type of sportsmanship and gentlemanly conduct combined with a high standard of playing ability during the season we can find nobody more deserving of the award than Robert Melvin Hull of Point Anne, Ontario.

Tid Bits From Here And There

Wrestling fans are reminded that tonight is the big night at the Charlottetown Forum, with a full scale wrestling card set to get underway at 9:00 p.m. Emile Dupre will take on Black Spider and Chief Young Eagle will be pitted against the rugged and wily Bill Munroe. These bouts should be worth seeing as these grapplers are experienced and talented and anxious to prove who the better man is. Perennial favorites wherever they visit, the world famous midgets, will excite the fans when they square away for a two out of three falls bout, with a 60 minute time limit. "Farmer" McGregor and "Prince" Nickel are the handles these midgets go by and they are reportedly among the best at their trade.

We had a chat with Will McCuskey, last night, and Wilfred, who is an avid follower of the fight game informs us that Eddie Trembley, whom we featured in this column a couple of days ago boxed an exhibition bout at the New Annapolis race track in August 1921. Will confirmed the report that he had obtained from one of our readers, that Trembley was definitely among the best men to ever lace on a pair of gloves on Prince Edward Island.

John LeBlanc, 24, gave a fine display of horsemanship Friday when he won the first three races on the eight-race program at Toronto's race track. LeBlanc, once seriously injured when a horse stepped on his stomach, took the opener on Tulmar and returned to win the second race on Rega Bega. The Rogersville, N.B. jockey came back in the third aboard Royal Course and coasted to an easy 11-length victory ahead of Gay Robin and Tract.

Bold Lad has a slight case of anemia which may have accounted for the disappointing Kentucky Derby performance of the top rated colt of 1964, trainer Bill Winfrey said Friday. Bold Lad finished next to last among 11 colts in the May 1 Derby, in which he went off the favorite.

Jockey Bill Hartack reported his colt did not warm up properly and Winfrey said he concluded he was unsound. "Whatever problems he has I believe are temporary," Winfrey said. Winfrey will saddle another starter in today's Preakness, Dapper Dan, who finished second in the Derby.

Jack Nicklaus Is Leader In New Orleans Tourney

New Orleans Open golf tournament.

Frustrated by a string of 13 straight pars, Nicklaus weathered a flash shower and climaxed his effort with a pinpoint shot from the rough on the next-to-last hole.

Ten under par for 36 holes, Nicklaus overtook a quartet of new bloods on the professional tour—Ray Floyd, Sam Carmichael, Bill Martindale and Homero Blancas. They were tied for second at 136.

Another stroke back at 137 was a group which included Australian Bruce Devlin, George Knudson of Toronto, Bob McCallister, Jacky Cupit and Dick Lytle.

Arnold Palmer and Tony Lema had to rally to escape the cutoff which reduced the field to the low 70 shooters and ties for the final two rounds Saturday and Sunday.

Palmer had to get birdies on three of the last five holes for a 70 and 143. Lema managed a 69 despite some shaky putting for 144.

The cutoff was 144, even par for the 7,020-yard, par 72 Lakewood course.

The early 136 scores were already on the board when Nicklaus teed off.

Playing the back nine first, he never got his sticks clicking and shot 13 straight pars—a slump for him—before finally getting on the beam.

At the 530-yard fifth, he hit a wedge to within eight feet of the cup and sank his first birdie. On the 300-yard dogleg sixth, he cut the corner with a towering shot over a clump of trees and half-veeched his approach to within 18 inches.

His crowning blow came on the 410-yard eighth.

He boomed his tee shot into the rough at the right of the fairway and was stymied by a tall tree. He hit a wedge shot high over the tree onto the green five feet from the cup, then sank it. He had to sink a five-footer for his par on the finishing hole.

Baseball Meeting Is Held

There will almost definitely be a Kings-Queens Baseball league operating this summer, it was decided at a meeting of the representatives of various interested clubs which met last evening at the Charlottetown Legion.

Representatives from Montague, Charlottetown and Kings County were present at the meeting which was held in order to discuss the formation of a league and the problems involved in doing so. It was agreed upon that a three men per league should be formed with the possibility of a fourth if a few relatively minor details are ironed out.

The attendance and spirit at the meeting was said to be the best in years and the delegates soon discussed many of the more minor items such as the length of the playing year, the questions of umpires and of a schedule, sites and times for games, and general operating expenses.

As a good number of the players in the league have work the arriving at games in time would seem to present some problem. Therefore the league in order to operate successfully are now looking for some means by which it may obtain the use of the lights at Memorial Field for night games.

It was then agreed to adjourn and hold a meeting next Friday evening when the constitution of the league will be drafted. At this time the decision of the fourth team will be learned and the schedule of the new league drawn up.

Floyd Patterson Floors Herring

STOCKHOLM (AP) — Floyd Patterson of New York, former heavyweight champion, stopped unranked Tod Herring of Houston, Texas, in 40 seconds of the third round Friday night and moved another step toward a new chance at the title.

Herring was on his feet but helpless when the scheduled 10-round match was stopped in the third round.

Patterson moved in quickly with two hard left hooks to Herring's chin. He opened up with a two-fisted barrage and Herring staggered back dizzily against the ropes. Patterson punished the Texan when he drove him against the ropes before the sudden ending.

It was the fifth straight victory for the 30-year-old former champion since he started his comeback campaign after suffering two first-round knockouts at the hands of Sonny Liston. Patterson, who is regarded almost as a home town boy in Sweden after his three championship matches with Sweden's Ingemar Johansson, had launched his comeback in Stockholm, Jan. 6, 1964, when he knocked out Sante Amonti of Italy and continued it by outpointing Eddie Machen in 12 rounds last July 5.

In his last previous outing, Patterson scored a 12-round decision over George Chuvalo of Toronto in New York Feb. 1. Patterson weighed 195 pounds. Herring came in at 210 pounds.

SPORT IN KING'S

Summer Activity Is Looming Near

By ED CLINTON

Souris Bureau of The Guardian

With hockey and basketball, also volleyball, behind us, the next sports to look forward to are baseball, softball, and track and field. The latter sport is already being practiced in some of the schools, and the meet will probably be held the latter part of this month. First, there are the local meets, with the winners advancing to the County meets, and then its on to the provincial finals in Charlottetown.

Two years ago, in this county, records were kept for the first time since records were made to be broken, many fell by the wayside last year, and many more are expected to go again this year. Track and field is, without a doubt, one of the fastest growing sports in this country. Each year, more and more competitors are taking part, along with more and more fans in attendance at each meet.

Turning to baseball, the King's County League, without a doubt will operate again this year. As we understand it, only one team is a doubtful starter, and there is a new team looking to enter. The doubtful team is the Souris Centennials, composed of Nova Scotians working in Souris, who played last year for the first time. Another team, as yet nameless, from Souris, will seek entry into the league.

All other teams from last year are expected back. In case you've forgotten who they are, here's the list: Morell, Mr. Stewart, Peakes, Cardigan, Georgetown, and Vernon River. It is also possible that St. Peter's may be back in the fold. They were granted a year's leave of absence last season. A meeting to find out all the facts is planned for the near future.

The King's County Girls Softball League, after a successful start last year will once again operate this year. They play their games on Sunday evenings and outdrew the baseball buffs. Peakes Bombardiers won the title last year, but members of one other squad have assured us that it won't happen again. How about that, Anne?

There's a movement afoot in Souris to get a Men's Softball League going. This league is supposed to induce some of the so-called older citizens of the town back into action. Plans call for a three team league, three evenings a week. Let's hear some more about it, eh.

Action continued last week in the Souris Mixed Bowling League. Following are the results of games played: Lucky Six 6, Ramblers 0, Jets 6, Heart Breakers 0, Hillbillies 6, Tempos 0, Road Runners 4, Flyers 2, Lucky Six 6, Globe Trotters 0, Bluffers 4, The C's 2, Road Runners 4, Lucky Ones 2, Hillbillies 6, Flyers 0, The C's 5 1/2, Jets 1 1/2, and Globe Trotters 4, Tempos 2.

League standings: Hillbillies 27, Lucky Six 19 1/2, The C's 17 1/2, Bluffers 16, Tempos 14, Heart Breakers 13 1/2, Jets 12, Road Runners 11, Lucky Ones 10, Ramblers 9 1/2, Globe Trotters 7 1/2, and Flyers 4 1/2. Top seven women: Anne MacDonald 196, Mary-Clifton 168, Anna McCormack 167, Frances LaVie 167, Margaret Hebert 166, Bertha MacAulay 159, and Lois Fogarty 156. Men: Edward McGaugh 195, Daniel Johnston 191, Gordon Creamer 191, James MacIntosh 186, Ed Clinton 190, James MacDonald 178, and John MacLean 176.
