Firing Begins Today In Annual D.C.R.A. Shoot

CONNAUGHT RIFLE RANGES, South March, Ont., Aug. 12 (CP)—Firing at the 53rd annual Dominion of Canada Rifle Association prize shoot opens tomorrow on these ranges, 14 miles west of Ottawa.

More than 600 Canadian, American and British riflemen will compete in at least two dozen matches during the week-long meet. Shooting concludes Saturday with the final stage of the Governor-General's match, the featured event of the six-day shoot.

The big prize for Canadians is a berth on the 1952 Canadian Bisle team. All Provinces are well represented. Top aggregate standings during the week are added to the scores posted in the final stage of the Governor-General's match. Out of this comes the 18-man Bisle team.

Britain has 18 men entered in addition to a 16-man cadet team and riflemen from many parts of the United States have taken up quarters at the ranges.

Two grand aggregate matches, the Tilton and the Connaught, are hot the first day in addition to

the tyro match — for shooters not ranking in the first 150 in the grand aggregate for the last 10 years.

Women, too, will be on the firing mounds. Ten will compete on an equal basis with the men.

Among them is Lieut. Mary MacLennan, a Prince Edward Island school teacher who became the first woman ever to go to Bisle with the Canadian team this year.

Lieut. Gilmore Boas, 27-year-old member of a famed Toronto family of rifle experts, heads Canadian sharpshooters. He brought back the King's Prize to Canada this year from Bisle, Eng., after an absence of 22 years.

CHRYSLER CORPORATION CANADA LIMITED WINDSOR, ONTARIO

Many local baseball fans were disappointed when they arrived at Memorial Field yesterday afternoon with the expectations of seeing a visiting baseball club from New Glasgow, N.S., tangle with the local Abegweits in an exhibition tilt, only to be told on their arrival that the Nova Scotia team wasn't coming but that the City Junior diamond artists would take on the intermediates to give the fans some ball anyway. This news was received with misgivings at first but by the time the game got rolling, fans soon forgot about the visitors.

Pushing the intermediates every inch of the way, the juniors made what started out as a scratch game into one of the best ball contests to be witnessed here this season that saw the older ball tossers only top them out by a narrow 4-3 verdict. Both clubs came up with smart ball and strange to say, many fans who arrived there feeling disappointed, were anything but that when they quit the park to wind their way home wards after nine classy innings of ball.

Six New Records Set At Racing Meet Saturday

Old marks fell by the wayside Saturday night as six horses set new records at the Charlottetown Exhibition track in a nine dash meet that produced its share of close finishes and clever driving.

Four new marks were set in the first four races as Belle Budlong, Captain Missouri, Anyway and Just Lucky lowered their marks. Anne's Boy and Jimmy A. set their records in the last two races of the night.

Randall MacDonald drove Belle Budlong to a new mark of 2:14 4/5 in the first dash as she beat out the favored Mary's Delight and Bonnie June.

Then Archie Llewellyn, who has been winning with quite a number of long shots, took Captain Missouri under the wire in 2:15 3/5 to win the second dash for pacers.

Captain Missouri pulled out from third place in the back stretch and came home about two and a half lengths ahead of Harroad Bill.

Roach McGregor piloted Anyway to a new mark of 2:18 in the third heat. Anyway, the favorite of the bettors, came home about a half length ahead of Winnie's Last driven by R. C. Shea.

Just Lucky, a pacing brown gelding went the fastest mile of the night as driver Shaw took him under the wire in 2:11 3/5. Just Lucky led practically all the way and beat off a strong stretch drive by Carl Aubrey.

But Carl Aubrey with Sam Kennedy in the sulky was not to be denied in the seventh race. Carl Aubrey went to the top at the first turn and stayed there to the wire. Billy Conn finished second.

Harold Stead drove Yankee Dale to a win in the fifth race. In the eighth race Anne's Boy, owned and driven by George Callbeck, Summerside, came through with a great stretch drive to beat out Lady Abner and Yankee Dale. Anne's Boy set a record of 2:16 1/5.

Guy Harvester won the sixth race for trotters and Jimmy A. won the second dash in the same class. Driver Harvester opened up long leads with Guy Harvester in both dashes but in the last race Jimmy A. came up fast to pass Guy Harvester at the top of the stretch and win easily. Jimmy A. set a record of 2:13 3/5.

The daily double combination of Captain Missouri and Anyway paid \$53.00.

Exhibition Baseball

In a well-played exhibition baseball tilt at Memorial Field yesterday afternoon, the intermediate players of the City League squeezed out a close 4-3 verdict over the junior members of the same loop.

The game was arranged as a social affair when a team from New Glasgow, scheduled to meet the tilt, but just a quick fill-in when both clubs came up with some smart ball for a good afternoon of baseball entertainment.

Lefty McAleer was the winning moundsman for the intermediates, giving up nine hits and striking out seven. The juniors used three hurlers, Cliff Ready for the first three innings, Benny Carson for the next three and Jackie Burke the remaining three.

Ready gave up four hits for three runs and whiffed one, while Carson came up with some really sharp hurling for three innings to keep the intermediates hitless without a man reaching first base. He had one strikeout, Burke went almost as good, giving up only two hits and allowing no runs.

The intermediates got their only counters with three runs in the first and one in the second, while the juniors chalked up two in the third and one in the fifth for their three tallies.

U. S. In Clean Sweep Of Davis Cup Matches

MONTREAL, Aug. 12 (CP)—The United States today made a clean sweep of the North American final Davis Cup tie to move into inter-zone competition against Sweden.

The U. S. team had an easy 5-0 victory over Canada, taking two singles matches Friday and a doubles Saturday. Two more singles today were considered exhibition matches.

Winner of the U. S.-Sweden tourney will challenge Australia at Sydney next December for the Davis Cup.

Canada moved into the zone final by defeating Cuba last weekend in a similar sweep, while the U. S. team ousted Japan and Mexico, also by 5-0 victories.

The U. S. Aces put the finishing touches to their top heavy victory today as Art Larsen, U. S. national champ, sailed through Henri Rochon of Montreal 6-2, 6-1, 6-3 and lanky Budge Patty of Los Angeles coasted through Vancouver's Lorne Main 6-3, 6-3, 6-2 in the fourth singles match of the three-day competition.

Saturday, the American team of Patty and Tony Trabert slammed through Brendan Macken and Rochon 6-4, 6-3, 6-2 to win the clinching match of the best-of-three series. Last Friday, Trabert defeated Main in straight sets and Dick Savitt did the same trick against Macken.

It was a disappointing show for about 10,000 fans that attended the three-day matches as Canada's color bearers failed to come through with a set victory.
