Yankees Edge Phillies 1-0 In Pitching Duel As World Series Opens

By GAYLE TALBOT
PHILADELPHIA, Oct. 4 (CP) — Vic Raschi, big New York Yankee fireballer, bested the amazing Jim Konstanty of the Philadelphia Phillies in a brilliant pitching duel today as the American League champions scored a 1-0 victory in the opening game of the World Series.

Raschi, fogging his fast one through in the clutches, sat the whiz kids down with two hits, both singles, and did not permit a Phil to reach third during the tense contest played before 30,746 spectators.

Konstanty, starting his first game since 1948, more than repaid manager Eddie Sawyer for his daring gamble in entrusting the big task to him, but no living pitcher could have beaten the Raschi who threw for the Bombers today.

Konstanty allowed only four hits as he was lifted for a pinch-hitter in the Phillies' eighth, but one of them was a lead-off double by Bobby Brown in the fourth which led to his downfall.

The Yankee third baseman, always a hot batter in the World Series, reached third after Hank Bauer drove deep to Richie Ashburn in centre and trotted home on Gerry Coleman's long fly to Dick Sisler against the left field wall.

Third Straight Two-hitter

Raschi's two-hitter was the third straight in the opening World Series game. Alie Reynolds of the Yanks beat Brooklyn Dodgers with a similar effort just a year ago, and Bobby Feller of Cleveland limited Boston Braves to a pair in the '48 opener, only to lose it, 1-0. The first 13 Phillies went down in order before Raschi's searing fire today, then Willie (Puddin'-head) Jones slashed a hit past the Yankee hurler and into centre-field with one out in the fifth. Gran Hamner filed to right for the second out, and Andy Seminick

rifled a hit into left — the second and last safety that Raschi was to yield.

With runners on first and second, Mike Gollat took a healthy cut at a third strike and missed. Only one Phil reached first in the last four innings, Eddie Waitkus working Raschi for his only walk with one out in the sixth. He died there as Ashburn skied to centre and Sisler, the hero of Sunday's pennant clincher against Brooklyn, popped out.

Dick Whitman, who batted for Konstanty in the eighth, hit the ball well and appeared to have an extra-baser going for him as the sphere soared toward the right wall. But Hank Bauer bounced against the balustrade and hauled it down.

Russ Meyer worked the final inning for the Phils. Bauer, the first man he faced, scratched a single to third as the ball took a bad hop past Jones, but Meyer escaped without additional damage.

Raschi Well Supported

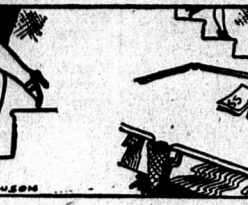

Raschi struck out five and victimized Sisler twice. He was seldom behind a batter, and on the few times when he was threatened mildly he simply blazed his fast one down the slot. His teammates backed him with superb fielding.

In some respects, Konstanty's performance was as wonderful as Raschi's. The bespectacled curver had established a major league record by relieving in 74 games during the regular season, but he had not started since he was with Toronto of the International League in 1948.

It didn't look so promising for Jim when he walked the Yankees' first batter, Gene Woodling, and Phil Rizzuto followed with a solid shot to left. Meyer was on

Good Racing At Benefit Meet At Montague Race Track Yesterday

Three classified events, two match races and other special features, produced some really keen racing at the King's County Memorial Hospital benefit race held at the Montague Raceway yesterday afternoon.

The big winners in yesterday's events were Daisy Budlong, who captured the number one classified with a 2-1-3 summary. Real Set the number two with a 2-1-1, and Highland Budlong with a 6-1 score in the number three classified.

Valley Long took top honors in the Match Race in straight heats over O. U. Volo, while in the special match race, Hector won out over Major S.

In the first heat of the number one classified, Belle Budlong and Daisy Budlong battled it out neck and neck with Miss Commando right to the three-quarter pole before Belle took over at the top of the home stretch and came under the wire a nose ahead of Daisy who made a terrific drive down the stretch for the place position.

In the second the same two horses battled for positions in the back stretch until they hit the upper turn. At that point Miss Commando and Bonnie Dale moved up ahead of Belle, but couldn't head Daisy coming down the stretch to the wire.

Best Heat of Day

The third heat was the best of the afternoon. All four horses moved in line to the three-quarter pole when Miss Commando made a strong bid and took over the lead by a half-length. Hard drives coming home by Daisy and Belle, however, saw the race end in a blanket finish, with Commando on top by a nose. Although there were three heat winners, the race was declared finished by the judges, giving the race honors to Daisy Budlong with the best summary.

Taking the lead right from the opening of the first heat of the number two classified, New Money held the pole all the way, and after throwing off a stiff challenge by Real Set at the three-quarter mark, came home a winner to set a new record of 2:20. New Money again took the lead in the second heat to the three-quarter pole, but this time Real Set's challenge put her in the lead position to coast under the wire a winner. The third heat was practically a repetition of the second, with Real Set again on top at the wire for race honors.

In the first heat of the number three classified, Penny Royal led all the way to take the heat by a considerable margin over Money Adds and the rest of the field. It was a different story in the second heat that brought up a thrilling race. Jeanette Spruce led to the half, Money Adds to the three-quarters, and Highland Budlong making his challenge at the top of the stretch home, with the three horses closing in to a blanket finish, Highland Budlong showing in front by a nose. In the first heat, Highland Budlong was

set back from third to sixth position, for performing at a mixed gait.

There was no third heat, due to the fact that all the entries were young horses, and the judges didn't deem it wise to allow them to go a third heat.

The opening heat of the match race saw Valley Long lead all the way over O. U. Volo to the wire, but in the second had to give way to a strong challenge by the Volo horse at the three-quarters. Putting on a drive at the top of the stretch, however, Valley went out in front again to lead by six lengths at the wire.

Added Feature

As added features to the afternoon's racing, a special race was staged between "Hector", driven by Master Ralph Annear, and Major S. Major S led to the three-quarters but broke at the top of the stretch and with skillful driving, young Annear forged ahead to lead at the wire by three lengths amidst an ovation of applause from an enthusiastic audience.

Another added feature was a spectacular race between man and horse when Mr. Joseph P. O'Brien, noted runner of former days, beat out Gary D. to the wire in a thrilling one hundred yard dash.

The officials who presided over the meet so capably are as follows: Presiding judge—Dr. Heath MacIntyre; associate judges, F. R. McLaine and Dr. R. F. Seaman; timers, Jack Mulligan, James Arbing, J. H. Hewitt; game starter, Russe Abbott; clerk of the course, Ida Yeo; announcer, F. R. McLaine.

Special winners of the events were as follows:

No. 1 Classified — Robin Hood, P. U. R. Mills.
No. 2 Classified — The doctors of the King's County Memorial Hospital.
No. 3 Classified — The business men of Montague.

School Kids To Get First Peep At Team

Charlottetown school kids will be the first to get a peep at Charlottetown's new hockey team in action, and the show will be a free one. A full dress preview of the team's probable line-up will be obtained at this game, to be played on Tuesday afternoon October 10th at 4 P.M. at which Charlottetown's primary school population will be invited guests. By that date "Murph" Chamberlain will have thinned out the ranks of his hockey school to workable size, and from the players then on hand, he will select two teams for a game that will mean much to the players who participate.

Watching the contest, Chamberlain will make up his mind on future cuts in his squad, and those who remain will represent Charlottetown in the first league game of the season. It will be seen therefore, that it will not be any milk and water routine practice but one which will decide the future for this season at least of many of the players.

The school children, therefore, will be privileged spectators of the Charlottetown Club on this occasion, and no one will be allowed in the Forum so long as any children remain unseated. The invitation takes in all Charlottetown schools, and also Spring Park and Parkdale Schools. The hockey management did not feel that they could accommodate Prince of Wales and St. Dunstan's students, because of the high enrollment in the city's primary schools.

Jack Kane and Walter Lawlor have been named as referees, and there will be a good staff of ushers on hand to handle the large crowd of children expected. Hockey Club officials have asked that the children, once seated remain in their seats and maintain good order and some restraint in moving about.

This is the first time in the city's hockey history that such a treat has been arranged for the younger generation and the only appreciation asked can be expressed by their conduct at the game.

The kids will see a number of players fresh from Big League training camps who with seasoning will be back there some day with the Rangers, Maple Leafs or Canadiens or some other big time team.

One of the worthwhile by-products of good hockey is the opportunity that youngsters and juveniles have of learning good hockey in the only practical way, by seeing it. No single coach can take a team and teach them everything they should know in a single season but youngsters can learn visually and by imitation what is difficult to impart to them by lectures and on-the-ice coaching.

Undoubtedly this generous gesture on the part of Charlottetown's new hockey club will meet with the approval of the many fans who are backing them and in fact the approval of this growing city's whole population.

P. W. C. And Saints In Football Game Today

Rugby fans in the City will get their first taste of intercollegiate football this afternoon when the second Saints and Prince of Wales first team meet in their first exhibition game. Both teams will later play a series for the Island Intermediate Intercollegiate Rugby Title which was won last year by the S. D. U. team in a gruelling two-game series.

The Saints team will likely be an altogether different team than last year's because of graduation but they promise to be a strong, power packed outfit which will give the local City collegians all they want in football.

The P. W. C. squad will miss a number of last year's players but there are enough back from last year, together with the usual new students, to make a snappy, fast outfit. With this in mind, the game should be a natural and it is expected that a large number of fans

C. And B. Baseball Team Downs Clark's Harbor Smokies In Twin Bill

The Curran & Briggs baseball team, Prince Edward Island champs, won the Prince Edward Island-Nova Scotia intermediate crown yesterday by defeating Clark's Harbour Smokies, Nova Scotia champions, in two straight games by scores of 11 to 4 and 6 to 0. Joe Bernard pitched the first game for C. & B., giving up 10 hits, striking out ten and walking three. The construction crew touched the two visiting hurlers for fourteen hits, among them two homers by Bob Schurman with one on in the second and by Syl Bernard with a made riding the sacks in the seventh. W. Smith hit a four-bagger for the visitors with no one on in the second. Donovan, an American playing for Clark's Harbour, hit three for five and Smith two for five. Jimmy Grady had three bingles in five trips.

Bob Schurman three for four and Syl Bernard three for five. The fielding of Gordie MacKay was a feature of the contest. Gordie making a particularly scintillating catch in the eighth inning, coming all the way from right field to gather in B. Newell's fly back of second base.

Alan Stewart's pitching was the main feature of the second con test. Stewart let the visitors down with four hits, and earned his shut out. Syl Bernard continued to lambast the ole apple, hitting two for four, while Gordie MacKay got four hits in five tries. Stewart also shone with the stick hitting two for four. Philip Jones, sixteen-year-old youngster from Clark's Harbour, made seven put-outs in centre field, some of them difficult chances.

Saints Defeat Abbies 8-0 In Exhibition Football

The Saint Dunstan University Varsity Football team yesterday afternoon made it two straight wins over the Abbies when they trounced the City team 8-0 at their home gridiron.

The Abbies, playing with a makeshift team as a result of most of their regulars being absent, made a good attempt to win the game but they were no match for the collegians, particularly in the first half of the game.

Cyril "Bun" Callaghan made a great attempt to open the scoring when he kicked a penalty kick from about 25 yards out and hit the cross bar on the attempt. Minutes later Pete Dunphy, ball quarter for the Saints, ran across the line for the winners from a scrum out fifteen yards and placed the ball between the uprights. George Cameron made the convert to have the score read 5-0 in favor of the Collegians from the "Hill".

Jimmy Ayers, playing a great game all day, made their second try near the fifteen minute mark of the first half when he scrambled across the line as the Saints pressed hard against the locals from close in. "Bun" Callaghan attempted the convert but his boot was low and short of the mark.

The second half opened with the Abbies applying the pressure throughout and although coming close on several attempts they could not cross the line. They made several good runs with their makeshift backfield but each time fell short of the mark.

The Saints broke the Abbies' strangle hold on the ball a few times in this half but they did not get far as the Abbies stopped them before they could get their half line moving in any great speed. The game was not productive of good football as players from both teams shunned tackling and when they did they invariably tackled high.

Gordon Bennett was chief referee with George MacRae and John Eldon Green helping him by handling a hat each. Line men were Fred Hine and Joe Coyle.

the approval of the many fans who are backing them and in fact the approval of this growing city's whole population.

Line-ups for the teams are as follows:
Abbies — Fullback — J. Ready, McCallum; three-quarters—Brown, J. Ready, E. Nicholson, MacDonald, Hennessy; halves — Scantlebury, Howatt; forwards — Glover, O. Ready, J. Mullaly, Jenkins, Leger, R. Nicholson.

Saints — Fullback — Martin; three-quarters — Coyle, Cash, Cherverie, Clinton, Murphy; halves — Cameron, Dunphy; forwards — Devine, MacIvor, Cyril Callaghan, Pendergast, Clair Callaghan, Ayers

Hockey School Continues; New Player Arrives

Charlottetown's "Big Four" hockey entry, the Islanders, were put through more hard work-out sessions during yesterday under the direction of manager-coach Murph Chamberlain as the school progressed through its second day of training at the Forum.

Following up an easy skating workout at ten o'clock yesterday morning that lasted for about an hour, Chamberlain really put the boys through their paces last night in the first real scrimmage to date, when six of the seven imported players that have arrived so far, teamed up with a large number of local players.

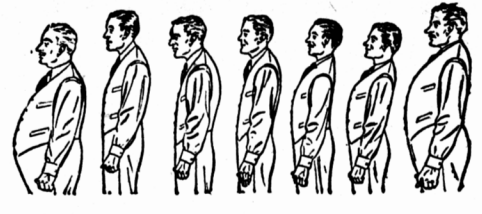

The newest import arrival, Kevin Conway, husky 20-year-old defenceman from last year's Memorial Cup champions, Montreal Junior Canadiens, was on hand to take part and really made an impressive performance when he gave some of the incoming forwards a real shaking up with plenty of solid checking.

Conway arrived early last evening, direct from the New York York Ranger camp at Saratoga Lake, where he has been training with the N. Y. L. club for the past three weeks or more.

During the one and a half hours that the boys were on the ice last evening, Chamberlain put them through line against line tactics, forwards against defence and also had a short game session made up from two teams of the school.

The other outside players who took part in last night's session were goalie Dennis Money, George McLagan, defencemen John and Danny Horeck and Walter Pawlynshyn, all forwards. Wes "Buko" Trainor, although a reinstated pro, but can hardly be termed an import, was also on deck. Howard Beaudry, another import on the forward section, didn't turn out due to a slight cold.
