## The Race Continues

THE NATIONAL League pennant race continues over the weekend with San Francisco Giants visiting in Milwaukee and Los Angeles Dodgers stopping the defending champions of the National League, Cincinnati Reds. It is hard to predict how things will turn out these days. The Giants were supposed to have things a bit easy in Chicago but the lowly Cubs beat them twice and humiliated them by blanking them 10 in the final outing.

The Dodgers finished their disastrous series with the Giants on Sunday last with a two and one-half game lead. Although they lost two out of three games to the Yankees and the Athletics failed to gain ground. The Pirates, in friendly Forbes Field, took the first two from the ambitious Dodgers before falling 7-3 victims in the final game.

BOTH west coast clubs should have a rugged weekend. The Reds and Braves have plenty of power and their pitching is looking up. We can't see any team having any advantage and, in the race probably will not change too much in the next few days. Dodgers have been taking their tempo and particularly Don Drysdale who is still seeking that 22nd triumph. The Giants spoiled things the first try and then the Pirates upset matters Wednesday night.

Don Drysdale will not become too upset by these happenings. The temperamental south man has quieted down to a big degree and he takes life easy these days.

## Far From Finished

OF course, Giants are far from finished. After sweeping that three-game winner from the Dodgers last week, they have four games remaining with the Dodgers and a sweep of those could surely decide the pennant. The Dodgers have only one game to do, you are bound to miss out on some of this great action.

## Fedoram Breaks Trotting Record

A five-year-old brown mare, from Sydney, N.S., shattered the 10-g standing Charlottetown Trotting record yesterday afternoon. The record breaker, Fedoram, owned by Harry Hirsch, topped the mark of 2:07.14 set on August 14, 1945 by the great trotting, Hibernian. Fedoram's mile yesterday was 2:07.15. The mare was one of two double dash winners on the card and did the twice around the oval in 3:09 in her second race.

The other double dash winner was Rio Grande, owned and driven by Don MacNeill of Summerside. Rio Grande was also one of three winners that took new marks on the afternoon card, covering the mile in 2:12.24.
