CANADIAN COTTON.—A Kingston, Ont., despatch of the 18th says: A carload of cotton was shipped to China to-day, via the Canadian Pacific. This makes over 2,000 bales of cotton shipped to the same destination by the Kingston Cotton Co.

Leading physicians recommend Ayer's Sarsaparilla. Old and young take it with perfect safety. It cleanses the blood, strengthens the nerves, and vitalizes the system. Popular experience has long placed this medicine at the head of tonic alternatives.

CALEDONIAN CLUB.—The Caledonian Club holds its regular meeting on Tuesday, the 29th inst. On the same night there will be an entertainment in their rooms, Queen Street, in honor of "Burns' Anniversary." Members of the Club and all Scotchmen are respectfully invited to be present.

SKATING COMPETITION.—On Thursday evening, Robert Laidlaw, of Dartmouth, and Walter Connell, of Pictou, contested in a 20 mile skating race at Dartmouth rink. THE WEATHER.—Between one and two o'clock yesterday afternoon a heavy snow storm set in which continued until about seven o'clock in the evening. The wind, which freshened up about noon at first from an easterly direction, veering south and southwest, attained its greatest velocity about six o'clock in the afternoon, when it travelled at the rate of forty miles an hour. During the night the thermometer fell from thirty-six above zero to eleven below, which latter figure was reached at eight o'clock this morning. The velocity of the wind at one o'clock this afternoon was twenty-four miles an hour.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. [April 1 '88]

St. Dunstan's College Brass Band will be to Summerside.

Loose Planks.

Str.—Can you inform me is it the Street Committee or the City Surveyor's duty to make the men who pull up the plank on the sidewalks, take them away and break them up? Those they put back are laid down loose without spikes, as they were before. Some person will get tripped up and have his leg or arms broken, and the city will have to pay the cost.

A CITIZEN.

Another Phase of "The Truth About the Matter."

SIR.—In yesterday's issue of THE EXAMINER, Councillor Crabbe tries to exonerate himself from appointing Duncan McCrae as Sanitary Officer at a salary of \$350 per year. Had it not been for a bill which Councillor Crabbe, with his following at the Council Board tried to get passed through the House of Assembly, that office never would have been created. Councillor Crabbe forgets to state that both he and Councillor Small voted to retain one of the Market Clerks at a salary of \$450, after the tolls had been let by tender.

Best of All

Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat, and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint."—Ernest A. Heyler, Inspector of Public Roads, Parish Terre Bonne, La.

"I consider Ayer's Cherry Pectoral a most important remedy

For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Edgerly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and, before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."—Rodney Johnson, Springfield, Ill.

To the Electors of Ward 1.

LADIES AND GENTLEMEN, Having been nominated at a late meeting of the Electors of your Ward, I now propose to contest the Ward at the forthcoming Election. It is my most earnest desire to see that Ward One receives a reasonable portion of the City money, and to have all matters pertaining to the finances of the City conducted on an economical basis as possible.

Yours most respectfully, Jan 19—31 pd JAMES EDEN.

To the Electors of Ward 1.

LADIES AND GENTLEMEN.—Having been solicited to again put myself in nomination as your representative in the City Council, I beg leave to ask you for your support. It is needless for me to say anything in reference to my services during the past two years, as what I have accomplished for the Ward is known to you; and if again favored with your confidence I shall in the future, as in the past, look after the interests of every individual resident of the Ward.

Yours respectfully, Jan 17—11 23rd DAVID SMALL.

To the Electors of Ward 3.

LADIES AND GENTLEMEN.—Having been solicited by a large number of voters, I hereby offer myself as a candidate at the coming City Election for your Ward. If elected, I pledge myself to see that Ward Three shall get its fair share of City improvements. I consider the taxation is altogether too high for the benefits derived; that there are too many officials, and that the City Government can be conducted at a very much less cost.

If elected, I shall not only favor the enforcement of the Scott Act, but also all other laws, particularly the law against City Councilors having any interest or emoluments whatever in the City. I shall also use my best endeavors to break up the ring that has been running this city to their own advantage for some time past.

I have the honor to be, Yours truly, Jan 16—11 tues pd T. Z. TAYLOR.

To the Electors of Ward 3.

GENTLEMEN.—The City Accounts for the past year are now before you, and on their merits I ask a continuance of the confidence reposed in me for the past six years. Believing that the revenue should meet the expenditure in each year, I have endeavored, as Chairman of the Finance Committee, to carry that principle into effect, and I think I may claim that I have been fairly successful.

Should you again see fit to return me as your representative, I will use my influence to carry out the same policy in the future as in the past. Soliciting your support, I remain, Yours respectfully, SIMON W. CRABBE.

Ch'town, Jan. 20, 1888—pd

CARD.

Gentlemen Electors of Ward Four.

As it was unexpected, until Mr. Riggs nominated yesterday, that there would be an election in your Ward, I did not deem it necessary to make a personal canvass, which the City Council now prevents.

I now respectfully ask your support on election day, and assure you that if elected I shall do my utmost to forward your interests and that of the City generally.

I am, Gentlemen, Your obedient servant, HENRY DAVISON.

Jan 17—11 23rd pd

To the Electors of Ward 4, Charlottetown.

LADIES AND GENTLEMEN.—I have nominated as a candidate, and intend to contest the approaching election in Ward Four.

As it may be impossible for me to canvass you all personally, I hereby respectfully solicit your support. If I have the honor of being elected, I shall do my utmost to advance your best interests in every respect.

Yours faithfully, WILLIAM N. RIGGS.

To the Electors of Ward 5.

LADIES AND GENTLEMEN.—Having been nominated by a large and influential meeting of the Electors of Ward Five, I shall offer myself as a candidate for Councillor at the forthcoming election.

As I may not be able to see you all personally before election day, I take this means of respectfully soliciting your support. Should you do me the honor to elect me, I shall use my influence to promote the best interests of the Ward and of the City.

Yours faithfully, PHILIP LARGE.

To the Electors of Ward 5.

LADIES AND GENTLEMEN.—Having been nominated as a candidate, and intend to contest the approaching election in Ward Five, I shall offer myself as a candidate for Councillor at the forthcoming election.

Should you do me the honor to elect me, I shall use my influence for the general welfare of the city, will endeavor to cut down all unnecessary expenditures, and will advocate that Ward Five get a fair proportion of the City Improvements. Hoping all the electors will turn out and vote on election day, I have the honor to be, Yours truly, HENRY RACKHAM.
