POLICY OF THE MINISTRY.

"We have in this country at the present mo-
ment NO IDEA of having a system of Free
Trade."—Hon. A. McKenzie at Toronto.
"The policy of the Government is deter-
mined opposition to the Opposition."—Pre-
mier's Speech at the Drill Shed.
In other words, the policy of the Govern-
ment is to slander their opponents and
do nothing for the good of the country.

THE OPPOSITION PLATFORM.

A RE-ADJUSTMENT OF THE TARIFF.
To make the duties fall more equitably.
To make it the interest of the United States
to accord Reciprocity.
To revive the languishing West India
Trade.
To remove the present barriers to the de-
velopment of our Agricultural, Mining and
other Natural resources; and gener-
ally
To encourage Home Industries with Home
Markets for Home Produce.
To promote our Fishing interests and pro-
tect the rights of our Fishermen.
ECONOMY IN DEPARTMENTAL ADMINISTRATION.
A REPRESENTATIVE OF PRINCE EDWARD
ISLAND IN THE CABINET.

THE PLANK ON WHICH SIR JOHN MCDONALD STANDS.

"NEITHER AT LONDON OR ELSEWHERE
HAVE I GONE BEYOND MY MOTION IN PAR-
LIAMENT, AND HAVE NEVER PROPOSED AN
INCREASE, BUT ONLY A RE-ADJUSTMENT OF
TARIFF."
"JOHN A. McDONALD."
"We can well understand that we may
raise the duty on woollen, cotton and other
goods, but lower the duty on articles of
general consumption which we cannot pro-
duce, and the volume of taxation may be
LESS IN FACT, although it may be raised, at
any given time, higher than it was before.
If a man were obliged to pay a cent more
for his cotton, and had a cent taken off his
tea, it would be found, by calculation, that
he was a gainer by the operation."—Sir John
in Parliament.

MR. TILLEY'S PLANK.

MR. TILLEY then took up the public ex-
penditure, showing that an average ex-
penditure of \$22,500,000 was all that was
necessary, and the expenditure ought to
have been kept within that, instead of an
average, as it has been, of \$24,000,000.
The policy of the Opposition was NOT IN-
CREASED TAXATION, as it had been stated
by their opponents, but a readjustment of
the tariff and REDUCED EXPENDI-
TURES. These were the planks in their
platform, together with encouragement to
our manufacturing industries; ship's ma-
terials, raw materials, machinery not made
in the country, free; 15 PER CENT. on
non-enumerated articles; and an increase
of the tariff on such articles as we can pro-
duce in the country, giving employment to
our people and a HOME MARKET FOR
OUR AGRICULTURAL PRODUCE.

DR. TUPPER'S PLANK.

"I trust I have satisfied the House that
IT IS NOT a question of high or low taxa-
tion, any further than this, that, inasmuch
as we governed the country with a small
taxation, and inasmuch as we are prepared
to govern the country again without those
extravagant expenditures made by the pre-
sent Government since they have been en-
trusted with power, all we ask is, NOT THAT
THE TAXATION OF THE PEOPLE SHALL BE
INCREASED, because we do not require so
much money as the hon. gentlemen oppo-
site, as we have shown by our economy in
the past, and which we are prepared to
practice in the future, but that the money
shall be levied in such a way as to FURNISH
EMPLOYMENT FOR THE PEOPLE AND PROVIDE
THE MEANS OF PAYING THE TAXATION THAT
IS LEVIED UPON THEM."

THE OPPOSITION CANDIDATES.

- Queen's County.
{ Hon. J. C. POPE,
{ Hon. F. DE ST. CROIX BRECKEN, }
Prince County.
{ CORNELIUS HOWATT, Esq. }
{ EDWARD HACKETT, Esq. }
King's County.
{ AUSTIN C. McDONALD, Esq. }
{ DR. MUTTART. }

Precept vs. Practice.

When in Opposition Mr. McKenzie said:
"THE LOWEST TENDERS SHOULD ALWAYS
BE ACCEPTED, and that the people were
robbed of their hard-earned taxes when a
Minister of Public Works conferred upon
partisans and favorites contracts that legiti-
mate tenderers offered to take at a lower
figure."

And when in power Mr. McKenzie said:
"I assert, in the first place, that since
the inauguration of the present Government,
the most scrupulous care has been taken to
have the contract system so administered
that it would be difficult, if NOT IMPOSSI-
BLE, for the public contractors who are
friends of the Government to obtain any
advantage, or that public contractors, who
are opponents of the Government, should
suffer any wrong in the administration of
that Department."

Tenders rec'd by the late Government.	Tenders rec'd by the present Gov't, with 5 per cent. security.

Or an increase of fourteen per cent.

Another Grit Insult to Irishmen.

We referred a few days ago to the insult
offered by Mr. McKenzie to the Irish elec-
tors of the Dominion when he stated in one
of his Maritime Province speeches that Sir
John McDonald's Government had been
held together by the "shillelah," and to the
insults of a Grit newspaper published in
the neighborhood of this city by its black-
guardly allusions to Mr. T. H. McGuire,
whose alleged Irish "brogue" it sneered
at. In the past we have had to refer to
the same treatment accorded to Mr.
Nicholas Flood Davin by organs of the
McKenzie Government, and now we draw
attention to the latest result, taken from
the columns of Mr. McKenzie's chief organ,
the Toronto Globe. Let the Irish electors
read and then ponder over this paragraph,
penned in the office of the "Big Pushers"
of Gritism:—

"If every one who is comparatively ig-
norant, with rather demoralized religious
ideas and a spirit that is content with little
is to be excluded from Canada, for instance,
where shall we begin and where shall we
end? Levy a prohibitory tax upon the
Chinese, is the same thing to be done with
the Negro or the East Indian, with the
Italian or the IRISHMAN?"
Now we have every respect for our fellow-
countrymen of English and Scottish birth
and descent, as much respect as it is pos-
sible to entertain; but we protest against
the insult of Mr. McKenzie's chief organ
in its base efforts to degrade Irishmen in
the estimation of the public. Irishmen are
an important element in the population of
Canada, and have contributed in no small
degree to the development of any great-
ness to which it has attained; and there-
fore, for Mr. McKenzie's leading newspaper
to insult them, as it has done, is simply an
outrage, which every spirited Irishman, be
his creed what it may, should resent. The
insults of Mr. Alexander McKenzie, and
his organ should not be forgotten.—King-
ston News.

United Temperance Association.

The National Lodge continued in busi-
ness session during Saturday and Monday.
The work was done with harmony and
dispatch. The Lodge determined to con-
tinue the publication of the Temperance
Union, the organ of the Association, and
arrangements were made for an efficient and
energetic management. It was determined
to undertake the establishment of a lecture
agency, and a scheme was adopted for the
raising of a guarantee fund. On Sabbath
evening a public meeting was held in the
old Temperance Hall. A good audience
turned out despite the dark and rainy
weather, and stirring addresses were made
by Revs. A. M. Phillips, of Chatham, Ont.;
T. W. Campbell, of Coburg; J. McLeod, of
Fredericton, N. B.; J. Mariner, of Auburn,
Me.; and Prof. Foster. The election of
officers was proceeded with on Monday with
the following result:—

- Rev. A. M. Phillips, Chatham, Ontario,
President.
J. W. Morrison, Esq., Charlottetown, P.
E. I., Vice-President.
G. P. Nelson, Truro, N. S., Secretary-Treasurer.
Rev. D. J. Wetmore, Clifton, N. B.,
Chaplain.
W. W. Atkinson, Woodstock, N. B., Fi-
nancier.
Richard Craig, Truro, N. S., Marshal.
A. Henderson, Woodstock, N. B., Deputy
Marshal.
W. Chalmers, Woodstock, N. B., Guard.
G. P. Nelson, Truro, N. S., Auditor.
The place of meeting for next year is
Montreal, and the time about the 2nd week
of August.—Hc. Chronicle.
EXTRA VALUE in Black Lustras and
Cashmeres—just received. J. & W. BEER.

"You know it as well as I, what we are
in need of is native industry; for our in-
dustries are the representatives of our capi-
tal and our toil. Men will speak to you of
commerce and the restrictions placed upon
it as though it sufficed for a country to pur-
chase in order to boast of its commercial
enterprise. Do not, forget, gentlemen, that
foreign goods simply represent foreign
labor, no matter to what extent we may
flood our country with them. A country
grows rich out of the product of the toil
of its children. An article manufactured
by a mechanic during his day's labor, forms
part of the wealth of the country, and
nothing is lost in its production; it is so
much net gain. If we rest satisfied with
importing foreign products we shall be
obliged to give in exchange for them their
equivalent in money. Thus we might im-
port unceasingly, and yet never do a sound
commercial business unless we ourselves are
manufacturers. Had we manufacturers,
had we the means of giving employment to
the strong arms that are outstretched for
labor, we should see the raw material
around and about us developed into pro-
ducts that would add largely to our wealth.
These products would in their turn de-
velop a commerce far more stable, more
enduring and remunerative than that which
drives our capital out of the country.
Every year there is sent out of Canada over
twenty millions of dollars for the purchase
of articles, the greater part of which could
be manufactured at home. We must en-
deavor to retain the money in our own
land—it is necessary for the support, the
education and the comfort of our families."
—Judge Counsel.

"I am anxious for such Protection as will
be reasonable and just, such as can be ap-
plied, as every one knows, WITHOUT IN-
CREASING THE TAXES THAT ARE
IMPOSED ON THE PEOPLE. Such a
policy of Protection, instead of increasing
the cost of articles of prime necessity, would
necessarily decrease it, for after a time, our
manufactories having acquired strength and
perfection, we could manufacture as cheaply
as our foreign competitors, and would thus
save the cost of transportation and customs
duties, which represent at least a quarter of
the value of imported goods."—Judge
Counsel.

"Our Government has now ruled us for
five years. They took charge of a prosper-
ous country; they now return it to us ex-
hausted, nearly ruined, deprived of its
capital and hampered in its labor. WHAT
HAVE THEY DONE WITH OUR
PROSPERITY."—Judge Counsel.

"I witnessed the advent of the McKenzie
Government, and, if it had not my sympa-
thies, at least it enjoyed my respect, and I
cannot reproach myself with having in any
way trammelled the liberty of its action. If
I to-day interfere it is because I CANNOT
ANY LONGER REMAIN AN UNMOVED
SPECTATOR OF OUR RUIN. I feel
myself called upon to strike the warning
note, and without a pang of regret I quit
the honors and peaceful tranquility of a
seat on the judicial bench to assist, if it be
not too late, in saving our common country."
—Judge Counsel.

Hon. Alex. McKenzie, Prime Minister
of Canada, salary per year, \$8,000; addi-
tional for sessional allowance, \$1,000—total
\$9,000. Sir John A. McDonald, Prime
Minister of Canada, salary \$5,000; addi-
tional for sessional allowance, \$600—\$5,600.
Increased salary per annum of Hon. Alex.
McKenzie, Prime Minister of Canada,

holding the same office, THREE THOUSAND
FOUR HUNDRED DOLLARS. NEXT!

It now transpires that Mr. Cartwright is
not quite so sure of his election in Lennox,
for just before leaving for the Maritime
Provinces he held a lengthy conference
with Mr. Massey, of Newcastle, the result
being that he expressed his willingness to
accept the nomination for West Durham,
providing a satisfactory requisition could
be secured. The requisition, however, is
not yet forthcoming.—Ottawa Citizen.

The Owen Sound Times says the Neebing
Hotel was struck by lightning on the 9th.
But what of that?
Struck by a thousand lightnings, still 'tis
there
As proud in ruin, haughty in despair;
Oh! noblest fabric reared by hands of man,
Since Art's dawn on Canadian shores began!

The Sarnia Canadian thus anticipates
one of the Globe's tariff notes: "Mr.
Jotham Slabides, of the Swampung shingle
mill, last month doubled the capacity of his
establishment by substituting a span of
mules for the blind horse which had pre-
viously furnished the motive power. And
yet the myrmidons of the U. E. Club tell
us that Canadian manufacturers are not
prospering."
