THE CENTURY MAGAZINE.

WITH the November, 1887, issue THE CENTURY commences its thirty-fifth volume with a regular circulation of almost 250,000. The War Papers and the Life of Lincoln increased its monthly edition by 100,000. The latter history having recounted the events of Lincoln's early years, and given the necessary survey of the political condition of the country, reaches a new period, with which his secretaries were most intimately acquainted. Under the caption

Lincoln in the War,

the writers now enter on the more important part of their narrative, viz: the early years of the War and President Lincoln's part therein.

Supplementary War Papers,

following the "battle series" by distinguished generals, will describe interesting features of army life, tunnelling from Libby Prison, narrative of personal adventure, etc. General Sherman will write on "The Grand Strategy of the War."

Kennan on Siberia.

Except the Life of Lincoln and the War Articles, no more important series has ever been undertaken by THE CENTURY than this of Mr. Kennan's. With the previous preparation of four years' travel and study in Russia and Siberia, the author undertook a journey of 15,000 miles for the special investigation here required. An introduction from the Russian Minister of the Interior admitted him to the principal mines and prisons, where he became acquainted with some three hundred State exiles,—Liberals, Nihilists, and others,—and the series will be a startling as well as accurate revelation of the exile system. The many illustrations by the artist and photographer, Mr. George A. Frost, who accompanied the author, will add greatly to the value of the articles.

A Novel by Eggleston

with illustrations will run through the year. Shorter novels will follow by Cable and Stockton. Shorter fictions will appear every month.

Miscellaneous Features

will comprise several illustrated articles on Ireland, by Charles De Kay; papers touching the field of the Sunday School Lessons, illustrated by E. L. Wilson; wild Western life, by Theodore Roosevelt; the English Cathedral, by Mrs. van Rensselaer, with illustrations by Pennell; Dr. Buckley's valuable papers on Dreams, Spiritualism, and Clairvoyance; essays in criticism, art, travel, and biography; poems; cartoons; &c.

By a special offer the numbers for the past year (containing the Lincoln history) may be secured with the year's subscription from November, 1887, twenty-four issues in all, for \$6.00, or with the last year's numbers hand-somely bound, \$7.50.

NASAL BALM. TOTTENHAM, ONT., May 3rd, 1887. I have been troubled with nasal catarrh for the last five years. Seeing Nasal Balm advertised I procured a bottle, and although I have only used part of it, I do not hesitate to pronounce it the best remedy in the world for that loathsome disease, Catarrh. It is easy and pleasant to use, soothing and healing in its action, instant in giving relief, removes and changes the poisonous secretions to a healthy state, stops the droppings from the head into the throat, and removes all the symptoms of Catarrh and Cold in the Head. In fact, if the directions are faithfully followed, nothing but a sure and permanent cure can be the result.

\$500 REWARD. is offered by the manufacturer of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure. SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acid; at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are watery, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with some from the nose; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians. Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

"Entold Agon," from Catarrh. Prof. W. HAUSSNER, the famous mesmerist, of Hhoca, N. Y., writes: "Some ten years ago I suffered a great agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one that every day, towards sunset, my voice would become so hoarse I could hardly speak above a whisper. In the morning my cough and clearing of the throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."
