President Storey Reviews Board Of Trade Activities

The Board of Trade and Government of this Province must not allow the matter of the tieup of the Borden-Tormentine car ferry service last summer to rest until they have assurance "that the free movement of the citizens of this Province will never again be wilfully or negligently affected," stated Lt. Col. F. J. Storey, President of the Charlottetown Board of Trade, in his presidential report delivered at the Board's annual meeting last evening.

"This Board was very active prior to and during the railway strike," Mr. Storey said. "Communication by telegram and special delivery air mail was almost continuous between the Board and the Prime Minister or his Minister of Transport. The fact that the M. V. Abegweit was placed back in operation by the strikers almost two days prior to the end of their strike proved how unnecessary and how wrong it was to cause so much distress to the citizens and visitors of this Province."

In this connection the President quoted the letter received from Prime Minister St. Laurent, dated 2 Sept., 1950, giving assurance that "the utmost effort will be made to take precautions which would

Lt. Col. F. J. Strong

reduce the likelihood of a similar situation in the future." The letter added that "what the best

Misadventure Ends Happily

She was only three years old and the lovely blond curls were in danger of being thoroughly soaked by the tears streaming down her face. A wild wail finally broke through the sobs, "I lost my Mama." A sympathetic crowd of men soon gathered in front of the Market Building.

One of them suggested ice cream, but that was unimportant at the moment. All offered advice and sympathy; she wanted neither, all she really wanted right then was Mama. They got together to see what could be done. The tiny tot said her mother went away with the carriage and pointed in the general direction of the Post Office. One of the men took her hand and walked around the building. Suddenly 100 yards ahead the little girl recognized a playmate from near her home.

They both called and the second child's mother immediately came over to see what the trouble was. Meantime another man in the group had located the mother who had become separated from the little girl in the market. Eventually the two men, two women and two little girls got together and once more Jennifer was happy. Her mother seemed pleased too.

Former P. E. Island Railwayman Retires

The following item is from the Winnipeg Free Press:

After 40 years service with the C. N. R., the last 33 as supervisor in the motive power shops, Transcona, William H. Renton, 112 Gerald St., Winnipeg, retired on pension recently.

A native of Georgetown, P. E. I. Mr. Renton learned his trade as a machinist with the Dominion Iron and Steel Co., Sydney, N. S., and later worked for several years in Montreal, and for a year with the Canadian Northern Quebec Railway at Shawinigan Junction, Que.

Mr. Renton came West in 1911 and worked for the G. T. P., at Rivers, Man. He was transferred to Transcona in January, 1913. In 1917 he was promoted to the supervisory staff and was appointed foreman of the erecting shop in Dec. 1934 up to the time of his retirement.

In his early days with the railway, Mr. Renton was active in union work and was a signatory for the craft workers on wage agreements.

Fraternally he is a member of Transcona Lodge No. 123 A. F. and A. M., and a past master of the organization.

On the occasion of his retirement he was presented with a wallet from the employees of the erecting shop. Members of the supervisory force of the motive power and car shops met in the office of J. L. Smith, Supt. M.P. Shops to pay tribute to his services on which occasion Mr. Renton was presented with a cheque from the Goodwill Association and a wallet. Presentation was made on behalf of the employees by W. Pettigrew and for the supervisors by W. Kerby.

Mr. Renton plans to continue residing in Winnipeg. (Mr. Renton is a brother of Thomas Renton, Georgetown.)

Visit Yesterday Of C.N.R. President

Mr. Donald Gordon, chairman and President of the Canadian National Railways, left Charlottetown by special train for New Brunswick about one o'clock this morning after speaking at the annual meeting of the Charlottetown Board of Trade and inspecting railway facilities.

Following his arrival here early yesterday afternoon he inspected the local railway facilities and shops, and also the Charlottetown Hotel.

Accompanied by Mr. Montgomery, divisional superintendent, the President and party called upon His Honor Lieutenant-Governor Prowse, Premier Jones, His Worship Mayor MacDonald; Lt.-Colonel Storey, President of the Charlottetown Board of Trade; and also paid a friendly visit to the local newspaper offices.

Mr. Gordon was accompanied by Messrs. S. F. Dingle, assistant vice-president in charge of operations; W. E. Robinson, Vice-President and General Manager of the Atlantic Region; Frank R. Sayer, Moncton, Public Relations Officer for the Atlantic Region, and R. B. Graham, General Superintendent, Atlantic Region.

Personals

Mr. and Mrs. Nelson Oliver of Alberton were visitors over the week-end at the home of Mr. and Mrs. Perley Rayner, Charlottetown. Returning to town with them was Mrs. Marriott, who had spent a few days with them in Alberton.

Miss Echo Lidster, of Vancouver, president of the Canadian Council of 4H Clubs, arrived in the Province for a brief visit. While here she is visiting some of the Island young farmers clubs in company with Miss Maylea Boswell.

Dr. W. J. P. MacMillan, leaves tomorrow morning for Ottawa where he will attend the annual meeting of the Canadian Medical Association. On Monday and Tuesday he will sit in on the two day session of the executive. The rest of the week will be devoted to the general session, Mrs. MacMillan will accompany him to the Dominion capital,

Professional And Business Women's Club Meeting

One of the most enjoyable gatherings of the Professional and Business Women's Club was held Monday evening at the summer home of their president, Mrs. Dorothy Rogers, at Keppoch.

A picnic supper convened by Mrs. Helen Dunbar and Mrs. Tess Garrett, was appreciated by the members, and afterwards the club got together and discussed fully the coming Festive Week and their assignment, the Beauty Contest. Some entries have been received and a committee was appointed to contact other young ladies who are in their eighteenth year. The Charlottetown merchants have been most generous in offering prizes and those entering, although they cannot all be queens, will have a jolly week. Various committees were appointed to look after the young ladies and assist them in every possible way. The judges will be announced at a later date.

Miss Lillian Duchemin gave a short talk on her trip to Ottawa where she attended a meeting of the National Executive. This was most interesting. She also gave a summary of the plans for the National Convention which meets in Vancouver next year.

A most cordial vote of thanks to Mrs. Rogers and the singing of "For She's A Jolly Good Fellow" brought the meeting to a close.

Political Meeting At Afton Hall

A meeting at Afton Hall last night was addressed by Mr. J. Angus MacLean, Progressive Conservative candidate in the forthcoming by-election in Queen's and by Mr. R. R. Bell, Progressive Conservative Party leader in this Province. Mr. James MacDonald was chairman.

Mr. MacLean stressed the importance of the public supporting a clean election, in order that democracy might function in the manner in which it was intended. He urged, too, a protest vote on June 25 to bring to the attention of the Government Ottawa's neglect of the Maritime Provinces in general and of Queen's County in particular.

Mr. Bell dwelt on the need for sending another equally good representative to Ottawa from Queen's County to team up with Mr. W. Chester S. McLure and help him in continuing the good work he is doing for the Province. He asked the electors to support Mr. MacLean on June 25.

Protests Postal Increase On Newspaper Subscribers

OTTAWA, June 12—(Special)—In the House of Commons last night, the Guardian was singled out as a newspaper which would suffer heavily under any appreciable increase in the postal rates on daily newspapers.

W. Chester S. McLure, Progressive Conservative member for Queen's who had vigorously protested a proposed increase which would have seriously threatened the Charlottetown newspaper's position last week, tonight urged that even a reduced postal rate on newspapers would hamper The Guardian's service to its subscribers.

In an amendment seconded by Percy Black, Progressive Conservative member for Cumberland, Mr. McLure proposed that:

(1) "Papers having more than 90 per cent of their circulation within a radius of 75 miles and, (2) which deliver more than 30 per cent of their circulation through the Post Office, be continued at the present rate of a cent and a half a pound."

Amendment Negatived

The amendment was negatived after a long discussion on points of order and the new rate of two and a half cents a pound for newspapers whose advertising content does not exceed 50 per cent prevailed.

In a lengthy exchange with Postmaster General Rinfret, Mr. McLure tried to draw out how much The Guardian would have to pay daily under the new rate for the 8,000 copies it now sends through the mails. The Queen's member gave The Guardian's present mailing costs at between $35 and $40 a day and demanded to know to what extent the increase would boost that figure.

Mr. Rinfret was reluctant to answer, saying that on account of the complex nature of the regulations, it was impossible to give an accurate estimate.

Mr. Black's Support

Supporting Mr. McLure in his championship of The Guardian, Mr. Black said the Postmaster-General should tell the House either what the daily cost of mailing its papers would be or express it in a percentage of the present postal charges.

"The operators of that paper (The Guardian)" said Mr. Black, "certainly deserve credit for what they have done in recent years. They have now not only to meet heavy sales taxes and many other charges that have to be borne by all the newspaper in Canada. I think the Postmaster-General should be able to indicate to the member for Queen's what additional percentage of mailing cost will be imposed upon this paper in Charlottetown."

The Guardian, Mr. McLure told the Chamber, is in a different position to a large metropolitan daily. It does not devote less than 50 per cent of its columns to news and has had to refuse advertising in order to provide adequate news service for its readers..

"This section of the bill," he declared, "is aimed at the smaller newspapers. They should not have to pay the whole shot."

BOARD OF TRADE

Continued from page 1

of Trade.

The President extended a welcome to members of the Souris Montague, Crapaud, Summerside and West Prince Boards of Trade and to visiting members of the Junior Chamber of Commerce. About 230 people attended the meeting.

An interesting and comprehensive review of the year's activities was given by the President. Mr. Frank Curtis capably extended thanks on behalf of the Board to Mr. Gordon.

Following are the Councillors appointed for the coming year: Messrs. James H. Cerry, Gordon T. Clarke, Philip S. Cobb; Frank W. Curtis, Eric G. Dewling, Randolph W. Manning, James C. Montgomery, Keith MacKinnon, Robert C. Parent, Maurice Redmond, B. Graham Rogers, Earl Taylor, J. Gordon MacDonald and Dr. Frank MacKinnon.

Transportation Report

Railway services on the Island during the past several years have been "materially impoved, and the Province is now on its way to "the normally good service we know the Canadian National Railways can render," reported Mr. B. Graham Rogers, chairman of the Transportation Committee.

Among the improvements in recent years Mr. Rogers listed better refrigerator car service, setting up of de-icing plants, diesel locomotive engines, operation of both ferries in summer months, new rest rooms at Borden and Tormentine, fine meals on the car ferries, opening of new dock at Tormentine, improvements at Borden docks, better coaches on some of the trains, good sleeping car arrangement to and from Montreal, setting up of diesel shops at Charlottetown.

Reference was made in Mr. Rogers' report to a request to keep the old pier at Cape Tormentine in good repair. "This has been promised," says his report. "Truck traffic is increasing enormously on the Borden-Tormentine route and will only be a matter of a very short time when a vehicle ferry there will be an absolute necessity.

Brief reference was also made to the Northumberland Ferries Ltd. service at Wood Islands, Maritime Central Airways and bus operations, the Government wharf at Charlottetown and the Hillsboro bridge.

Retail Merchant's Committee

"The main item of importance of the Retail Merchant's Committee this year was the publication in December of our first retail merchant's bad credit reference list," reported Mr. R. Earl Taylor, chairman of the committee.

"While the co-operation received from some of the retailers in this regard leaves much to be desired it is felt that as the use of this publication becomes more general, the idea will sell itself and will prove a most helpful aid to our retailers and well worth the effort they must put into it to make it 100% effective.

"A poll of uptown business houses was held during the year in regards to the installation of parking meters and showed the majority in favour of same. We note with pleasure that such meters have now been installed and are in operation.

"Your Committee notes with approval too the City's intention to go ahead with a start on traffic lights and complements the Police Committee for its progressive policies being brought into being.

"From this Committee was born the idea of Festive Week which will soon be a reality and your Committee has been most active in the plans for same. We feel that such a week will be of tremendous help to all our retailers."

Reports of other committees tabled and their chairmen were: Membership, Mr. J. Gordon MacDonald; Agriculture, Mr. Claude Smith; Industrial Development, Mr. Ernest Reid; National Affairs, Dr. Frank MacKinnon; secretary-treasurer, Mr. A. Walthen Gaudet.

Famous Cow Has Twin Calves

Twin calves were dropped yesterday morning by Abegweit Milady, world famous cow owned by Premier J. Walter Jones. The twin calves, one a male the other a female, were born in the Premier's Bunbury Farm stable.

Abegweit Milady has established two world records in successive years the second of which still stands as a world record for butter fat production for all breeds, all ages regardless of times milked daily. Her progeny have sold for something in the vicinity of $30,000.

City Hospital Graduation Tonight

The annual graduation exercises of the Charlottetown Hospital School of Nursing will be held tonight in St. Dunstan's University gymnasium auditorum where 23 nurses will receive their diplomas and pins from His Excellency, Bishop James Boyle.

The graduates will be addressed by Dr. Lloyd Shaw, Director of Education. Dr. W. J. P. MacMillan, O.B.E., K.C.S.G., Chief of Staff of the Charlottetown Hospital, will be the chairman.

The scholarship for obstetrical nursing equally merited by Miss Mary Rossiter, Morell and Miss Mary Carroll, Charlottetown was drawn by Miss Carroll, it was announced last night. The scholarship was donated by the Junior League of the Charlottetown Hospital.

Last year's winner, Miss Florence MacGuigan, Charlottetown, took her post-graduate course at Boston Lying-In and is now a member of the staff of the obstetrical department of that hospital.

The St. Charles Auxiliary, instead of donating their usual scholarship for post-graduate study in surgery, granted $100 to the Nurses Library.

Rev. Mr. Haslam Plans To Retire

DALHOUSIE, June 12—Rev. P. J. E. Haslam, rector of St. Mary's Anglican Church here for the past 12 years, has resigned his charge due to ill health and with his family will be leaving this parish shortly.

Mr. Haslam has been ill for the past eight months, being in hospital in Montreal for much of this time. His many friends hope for a speedy return to health. In his retirement Mr. Haslam and family will reside in Prince Edward Island for a time.

SARNIA, Ont., June 12 — (CP) —The Sarnia branch of the Canadian Legion proposed today that the bodies of Canadians killed in Korea be returned home for burial. A resolution forwarded to Legion headquarters in Toronto said the task could be undertaken as fatalities so far have been comparatively few. Bereaved families would find it difficult to visit graves in Korea, it said. Korea war dead to date total 44.

Mrs. Gates Heads P. E. Island Drama Festival Ass'n

Mrs. Fred Gates, West Royalty, was elected President of the Prince Edward Island Drama Festival Association by acclamation at the annual meeting held last evening.

Mrs. Gates will succeed Mrs. Harold Laird, Kelvin Grove, who has been President of the Association since its inception four years ago. Dr. L. W. Shaw, Director of Education and Hon. President, expressed the appreciation of the organization to Mrs. Laird for her leadership and efforts which have contributed greatly to the growth of drama in this Province.

In her report for the past year, the retiring President commented on the recent Festival which was, to her mind, by far the most successful to date. An adjudicator from outside this Province was used for the playoffs for the first time, and the report suggested it might be a good policy to continue.

The report continued to say that Mrs. W. E. Scantlebury of Charlottetown had adjudicated the ten junior entries, five of which were from Kinkora. Mr. Robertson, adjudicator of the finals, commented on the diction in these groups proving that junior drama gets results.

Nine senior plays were entered, three of which were from groups entering competition for the first time. Last Spring scholarships to the value of ten dollars each were awarded to the directors of winning plays in the finals. These scholarships were later honored at a Dramatics Short Course sponsored jointly by the Division of Adult Education and the Drama Association.

Mrs. Laid continued by saying, "These short courses are only a small step in our pursuit of drama. Let us not cease in our efforts for the extension of this cultural art until we have at least a part-time director of dramatics for the Island."

Appreciation was expressed to the Department of Education for the annual grant of six hundred dollars, and to the press and radio for their assistance.

Three-Act Plays

One of the main subjects under discussion by the meeting was the feasibility of having a class for three-act plays in the Festival. It was thought many communities preferred plays of this length and it was suggested they might be adjudicated in their own halls for the play-offs.

The entire slate of officers for 1951-52 as presented by Mrs. James Coles, convenor of the Nominating Committee was adopted without changes. These were as follows: Hon. Pres.—Dr. L. W. Shaw; Past President—Mrs. H. Laird; President – Mrs. F. Gates; Vice Pres. (Queens)—Mrs. R. MacLeod; (Kings)—Mrs. Malcolm MacLeod; (Prince)—Mr. David Murphy; Secretary—Mr. J. R. Murphy; Treasurer—Mr. Arnold Walker.

Liaison Officers are; Women's Institute—Mrs. H. Laird; Catholic Women's League—Mrs. L. G. Ramsay; P. E. I. Libraries — Mr. B. Chandler; Young People's Unions —Miss Florine Evans, and Junior Farmers—Mr. Ralph Rayner.

Convenors of committees are; Junior Drama Festival— (Prince) —Miss Estell Bowness; (Queens) Mrs. W. Scantlebury, and Kings was not named. Door and tickets—Mrs. Gordon Rodd; Entertainment—Mrs. Julian Herring; Adjudication — Mrs. M. F. Rodd; Prizes—Mrs. B. Patterson; Membership—Mrs. V. Hudson; Publicity—not named; Stage—Mr. T. H. Morris; Programme—Mrs. Gordon MacMillan; Scholaship—Mrs. Roy Smallman; Drama Information — Mrs. Frank Blatch; Nominating—Mrs. Allison MacMillan; Finance—Mrs. Frank Bagnall; Play reading —Mr. H. Barry Bugden, and Advertising—Mr. A. Vesey.

Two officers not elected will be appointed at the first meeting of the new executive.

Brief reports of the year's activities were also heard from Mrs. M. F. Rodd for Adjudication; Mrs. B. Patterson for prizes; Mr. A. Vesey for Advertising; Mrs. J. P. Millar for Play reading; Mrs. F. Bagnall for Finance; Mrs. F. Gates for Publicity, and Mrs. E. Smallman for Scholarships.

In her report, Mrs. Smallman spoke of the Scholarship Fund which the Association is endeavoring to build to one thousand dollars. It is hoped that when this amount is reached it will be possible to use the interest for annual scholarships and thus make the soliciting of contributions unnecessary.

Here's Menu At Dietitian Dinner

NIAGARA FALLS, Ont., June 12 -(CP)-The gals who look at food from the business end of a vitamin appear to be meat-and-potato people themselves.

The menu for the Canadian Dietetics Association convention banquet here tomorrow calls for celery, olives, radishes and onions.

Then will come a seafood cocktail and consomme au cherry.

The main course--roast turkey, gravy, cranberry sauce, pan-roasted potatoes, asparagus tips--is followed by a chef's salad with Russian dressing, rolls and butter.

Coffee and a frozen cream puff wind it up.

Then the 300 delegates will sit back and listen to an address by Bryne Hope Sanders of Toronto, editor of Chatelaine magazine.
