By JOE REICHLER, Colorado Springs, Colo. (AP)—The Pacific Coast League agreed Monday to accept \$900,000 in damages from the Inland Empire and add three new cities—Spokane, Phoenix and Salt Lake City—to the league. The departed Los Angeles, San Francisco and Hollywood clubs.

league territory during the 1958 season. "I think it's bad," Frick said in reference to the majors' plan. "I pull no punches about that. I think it's possible to make a ruling against it. We'd put it into effect tomorrow. But we have been put on warning by the justice department."

GO TO COURT
Frank J. Shaughnessy, president of the International League, said he intends to get a Supreme Court decision through legal action if the majors go through with the plan. "I think we've got them now," he said. "We can prove that the majors are running any chance we may have of surviving."

Pacific Coast League President Leslie O'Connor's announcement that he would accept the offer together with the new league setup highlighted a busy first day of the winter convention. Earlier in the day, Commissioner Ford Frick added fuel to the rift between the majors and minors when he went on record as supporting the International League in its protest against the majors' plan to telecast a major league game into minor league territory during the 1958 season.

PHILADELPHIA (AP)—Bucky Walters, former major league pitcher and manager, Monday signed a contract with the Philadelphia Phillies to supervise the National League club's farm system.

Walters, 48-year-old infielder who turned pitcher, recently resigned a coaching job with San Francisco Giants. He preferred to "work near home"—which is a suburban Glenside—rather than shift with the Giants from New York.

Hamilton Victory Brought An End To A Western Myth

By THE CANADIAN PRESS
The Grey Cup scoreboard read Winnipeg 21 and Hamilton 23 and sports writers East and West are about that apart on the relative merits of the Eastern Tiger-Cats and the West's Blue Bombers.

If they played tomorrow, who has no doubt that the Blue Bombers would be the Tiger-Cats, wrote Jack Hudson in the Winnipeg Tribune. "But on Saturday," Tiger-Cats were a better football team than the Blue Bombers. Let's face it... "Tiger-Cats played 16 games so healthily it was downright criminal. The Blue Bombers were playing their 22nd game. The sport was willing but the flesh was weak. The West has always sent a patched-up club and it always will as long as there is no real semi-final and a best-of-three final.

Bob (Toronto Telegram) wrote: "I took Hamilton Tiger-Cats only 10 minutes to wipe the West and Winnipeg in the Grey Cup. In the remaining 50 minutes the ferocious, minor-league Cats spent their time battering to overcome the southerners the malarky that the tough, smarter football of the East has only disgruntled allies."

Halifax Boxer Wins Split Decision On R. C. A. F. Card

In the main event of the boxing card at the R. C. A. F. drill hall in Summerside last evening Roy Curtis of Halifax won a split decision in a very close "round" go. Nickerson had all the better of it in the first two rounds and at one point had Arsenalian objections against the fight. But Arsenalian came off atop and carried some of the best of the crowd.

Powerful Amherst Team To Play Royals Here Tonight

The powerful Amherst Ramblers, rated by the experts as the team to beat in the Maritime Senior Amateur League, make their first appearance of the season in Charlottetown tonight when they tangle with the Royals at the Sports Arena.

The game will get underway at 8:15 an important departure in the past the games started at 8:30 but due to longer travelling distances the games are now commencing at 8:15.

The Ramblers set hockey fans a buzzing over the week-end with their strong showings against the Summerside Aces. On Friday night they obliterated the Aces 3-1 in 40 minutes. On Saturday night they came from behind with four goals in their third period to win the Aces 8-3.

A big man in the Ramblers ranks is "Tuffy" Steeves, the veteran goaltender who practically sold the Summerside team on his size last Friday night, holding the Aces to only one goal.

Coach "Buck" Whitlock of the Royals has his defense prepped to halt the fast moving Amherst forwards. The Royals defeated the Ramblers in the first game Amherst played this season when the Ramblers ran out of gas in the third period.

However, Whitlock does not expect any such third period heroics tonight. He knows that Amherst has played themselves into good condition in the past weeks and if their forwards keep moving for the whole game as

game was the toughest Bombers had been in this year, not to mention Hamilton the toughest team he had faced.

JUST LIKE LIONS
"Just ask the players," he said. "They consider the Tiger-Cats Lions on a par with R.C. Lions." (Lions finished fourth in the five-team Western Interprovincial Football Union.)

But Grant wasn't taking anything away from Hamilton's overall play in the Canadian final. "They played a good game to stop us," he said. "They outplayed us in every department. And they are healthy."

Over in a corner a few players were trying to pep up WIFE! All star defensive end Herb Gray, a ring to the physical beating Bombers took in a rugged three game Western final against Edmonton Eskimos and the hard fought semi-final series against Calgary Stampeders.

He then asked the press and radio representatives if they would leave while he spoke to the team. "I guess he shouldn't have been out there either," Jim said. "But who came up from the playing field ranks to lead his club to the Grey Cup in his first year, later told the press he did not consider the first club he ever seen."

They were playing their 22nd game. The sport was willing but the flesh was weak. The West has always sent a patched-up club and it always will as long as there is no real semi-final and a best-of-three final.

These recommendations provide a minimum annual salary of \$5,000, \$30 per game exhibition pay, protection for the players in event of injury in line of duty and recognition of the association as the formal representative of the players.
