TEN POUNDS REWARD.

ROBERT WEST, a native of Yorkshire, and for many years a resident of Prince Edward Island, left his brother, under whose care he then was, at Bradford, Gore District, Upper Canada, in the Fall of 1838, to return, as he said, to this Island, but has not since been heard of by his friends. He had for several years been labouring under mental derangement. He was about 32 years of age; stout built; in height about 5 feet, 7 inches; his hair brown; eyes, grey; and complexion fair.
 The above reward will be paid to any person who will take care of him, and have him forwarded to this Island as soon as possible. Any information respecting him will be thankfully received by his father,
 Little York, P. E. Island, 20th March, 1840.
