EVERY first-class tailor has the genuine "Tyke" serges but some also have imitations. Look for the registered trade mark "Tyke" stamp on every 2½ yards.

MISSIONARY SERMONS.—Able and eloquent missionary sermons were preached in the First and Second Methodist Churches yesterday, the preachers being Rev. J. L. Dawson, B. A., of Windsor, N. S., and Rev. Thomas Marshall, of St. John.

THE P. R. A.—The annual meeting of the Provincial Rifle Association of Prince Edward Island, will be held to-morrow, Tuesday evening, the 14th inst., at 7.30 p. m., in the City Court Room, City Hall. A full attendance of members is requested.

CONCERT.—A good programme has been prepared for the concert to be given in St. Patrick's Hall on Wednesday evening, and a large audience is expected and desired. The object is a good one and should be encouraged. Admission only twenty-five cents.

FREIGHTS ADVANCING. — Coastwise freights are up, with the prospect of a further advance. The rate to Boston is $2 25. It is said $3 has been offered for vessels to load at Fredericton for Boston. The rate to New York has come up to $2.50.—St John Sun.

THE WINGED STEED.—It is announced that John S. Johnson, the bicyclist, has been declared to be a professional by the chairman of the National L. A. W. racing board. Johnson will leave for France immediately where he will join the professional contingent and ride for money.

MARKET NOTES.—Oats advanced 2c. in Ontario on Friday. There has been a rise of 4c. in the last fortnight, and oatmeal went up to 20c., in sympathy with the rise in oats. Wheat went higher in Chicago on Friday. July corn closed at 50 3-8, wheat 64, oats 28¼, pork $12.12, lard $6.75.

A DARING ROBBERY—Mrs. Fyfe, of this town, was robbed of a satchel containing about $30, between New Glasgow and Trenton this week. She was walking down the road when a darkie rushed up and snatched away the satchel. The case is now in the hands of Detective Chisholm.—New Glasgow Enterprise.

PHILARMONIC HALL.—The gospel meeting in Philharmonic Hall yesterday was largely attended. Miss Bartlett, Railway Evangelist of Nova Scotia, was present and spoke with her old-time earnestness on the lesson of the day. She will lead the meeting next Sunday. The Railway Convention for 1895 will be held in the railway town of Moncton. There will, no doubt, be a good representation from the P. E. I. Railway.

BICYCLING ACCIDENT. — Mr. James Lemont, of Fredericton, N. B., met with a serious accident while bicycling one day last week. It seems that Mr. Lemont was riding along the road between Lincoln and Fredericton when his wheel struck a rut and he was thrown with considerable force against a truck waggon that was passing. His collar bone was broken and he was pretty severely shaken up. Mr. Lemont is a brother of Mrs. A. S. Johnson, of this city, and has many friends in Charlottetown who will be sorry to hear of the accident.

BIG FISH STORY.—A correspondent of the Guardian says that a fish 28 feet long and girting 15 feet was captured in the vicinity of Mr. John Richards' oyster plantation at Bideford on Thursday afternoon. The fish is thought to be a species of whale. According to the correspondent no less than 25 rounds of ammunition were fired into the sea monster before it succumbed. It took the united efforts of a team of horses and about twenty men to beach the fish after its spirit had fled to the fish heaven. A number of braves from Lennox Island took part in the capture, and their wild shouts, coupled with the noise of the guns, attracted a great number of people to the scene.

UNDER THE BED.—About half-past nine o'clock on Saturday night Mr. Owen Trainor heard a noise in his bed room over his place of business on Queen Street. Suspecting that something was wrong he proceeded to investigate, and found Henry McEwen alias Jackson, a well-known character, hiding under the bed. Mr. Trainor enquired from McEwen what he was doing there, and the latter pleaded drunkenness and asked to be let off claiming that he had not taken anything. Mr. Trainor accordingly let him go. Subsequently McEwen returned and gave up a ring which he had taken from the room after breaking open a drawer in the bureau. The police are enquring into the matter.

REWARDED FOR GOOD SERVICE.—We clip the following from the Brockton (Mass.) Daily Enterprise of a late date. The Mrs. Haskell mentioned below is a daughter of Mr. Ronald Currie, King Street, Charlottetown: "At a meeting of Mayflower Assembly, held Wednesday evening, a very enjoyable time was spent. After routine business was transacted, the president, Mr. Alexander Gillis, in an appropriate speech in behalf of the members and friends of Mr. and Mrs. John R. Haskell, presented them with an elegant French clock and pastel picture. After recovering from their surprise, which was genuine, the recipients fittingly responded. During the evening refreshments were served, and dancing was enjoyed until a late hour. Mrs. Haskell (nee May Currie) has been an earnest and faithful member for the past four years, and it gave the members great pleasure to be able to show their esteem in this manner to herself and husband."

THE WEATHER.—Fresh to strong south and south-west winds; showery at first, then fair.

It is again Chicago's turn with the riot act. Cold steel seems to play a considerable part in the present confusion.

Medical students in China study copper models of men which are pierced with 140 holes, which show the location of an equal number of pulses.

Prof Max Muller knows eighteen different languages to the extent of being able to speak or write in any one of them, and a considerable number in addition less perfectly.

Lady Beresford (Dowager Duchess of Marlboro) proceeded in a most business-like manner, says the Detroit Free Press, and didn't pay a penny on her new husband until after the goods had been delivered.

Cardinal Gibbons delivered an address before the Maryland Temperance Alliance, wherein he stated it was a well known fact that prohibition does not prohibit in our larger communities. He suggested high license and restricting the number of saloons as the best remedy.

The secretary of the navy has relieved Admiral Meade by his own request from the command of the North Atlantic station. The Admiral has also notified the department of his intention to retire June 1. His successor will either be Admiral Walker or Admiral Ramsay.

Five of the largest mining companies of northern Illinois have combined for handling their aggregate output of 3,000,000 tons of coal annually. The first frame of a church edifice in America to be built entirely of rolled steel, discarding all brick and stone, is now being erected for the church of St. Mary the Virgin in New York city. A BAD CASE.—The Moncton Leader says: A commercial traveller in one of our leading hotels placed his boots outside his room door and had them blacked and returned to him. WHEN MARIA JANE IS MAYOR.

Chicago Record.

When Maria Jane's elected to the mayoralty chair
There'll be many wrongs corrected that are now apparent there.
The sidewalks will be carpeted, the streets swept twice a day,
The alleys be as fragrent as fields of newmown hay.
What with parties and receptions and occasionally a ball,
There will be a transformation around the city hall.
And each ward in the city will be represented then
By lovely alderwomen and not horrid aldermen.

When Maria Jane is mayor none but ladies will, of course,
Be appointed members of the city police force;
And in their bloomer uniforms they'll look so very sweet
The gang to be arrested will consider it a treat.
The stores will be compelled to have a bargain sale each day,
And for chewing gum and soda you will not be asked to pay.
Oh, great reforms will be projected, all the wrongs will be corrected,
When Maria Jane's elected to the mayoralty chair.

NO HOME WITHOUT IT.

Miller's Emulsion of Cod Liver Oil should be emblazoned in letters of gold upon the altar of every household. It saves life when every other means for the cure of consumption or lung troubles fail. For many years Cod Liver Oil was held in disfavor on account of its unpleasant taste, and the inferior quality of the preparations. Miller's Emulsion of Cod Liver Oil revived its use because it is pleasant to take and gives immediate results in creating new blood, and thus giving sufferers the strength to overcome the dire enemy. It is the great life giver of the age. Miller's Emulsion is the great nerve strengthener and blood maker, and cures Coughs, Colds, Bronchitis, Scrofula and all Lung affections. In Big Bottles 50c. and $1 at all Drug Stores.
