

Abbies Down Halifax Wanderers 3-0 In Rugby Game Here Saturday

A first half try with one minute of play remaining Saturday gave the Charlottetown Wanderers a 3-0 win over the Halifax Wanderers in an exhibition game on Memorial Field.

Stocky Jimmy Flanagan scored the try after being on the receiving end of a beautiful half line run. Flanagan took a pass from "Red" Howatt about three yards from the line and with two defenders to beat he cut in between the two of them to hit paydirt.

The play commenced from a scrum about 35 to 40 yards from the Wanderers line. Picking quarter George Scantlebury got the ball and passed it to Elmer Blanchard on the right. The run gave it to Howatt and the tricky running redhead broke through only to be tackled by Chaisson on the three yard line, then he passed to Flanagan.

Abbies enjoyed a territorial advantage in a game that produced a good share of smart half line running and aggressive play by the forwards. The Wanderers gave the best display of low and effective tackling that has been seen here this season.

Most of the play was between the two twenty five yard lines with one expected only threatening on one or two occasions. In the first half the Abbies kept the play in the Halifax end most of the time while in the last half play was well divided.

The Abbies had several good opportunities to score on penalty kicks but neither forward Bill Ledwell or backfielder Howatt could put the pigskin through the uprights.

George Scantlebury, despite an injured hand played an aggressive game for the Abbies as time and again he ran for long gains. Eddie Devine was the pick of the forwards with his hard running and tackling.

For the Wanderers fullback Pete Chaisson was a standout with his fast running and long kicking.

The game was capably refereed by James Coyle.

Following are the lineups: Wanderers: Forwards, Found, Bethune and Gordon; backs, Truc, MacDonald; halves, Lordly, Primrose; three quarters, Gray, O'Dell, Corning, MacFarlane; fullback, Chaisson.

Abbies: Forwards, Devine, Rodgers, Wilson, Sark, Ledwell, Ballem, Hennessy; halves, Scantlebury, Blanchard; three quarters, Flanagan, Glover, Howatt, Strain, fullback, Bradley; subs, Murphy, Campbell, Coyle.

Consider New Appeal In Gray, Bonhomme Case

Through the efforts of Dr. F. C. Dougan, President of the Islanders Hockey Club and the assistance of Brigadier "Bill" Reid and others, the C. A. H. A. has consented to consider a new appeal from Charlottetown for the services of "Conny" Bonhomme and Bob Gray.

Doctor Dougan has been in telephone contact with hockey officials from Quebec to British Columbia, and has asked that the vote be polled and that it be possible to know who voted in favor of the Island Club and who voted against it. He considers the Island case so strong that he wants to be able to find out the reason for any opposition.

No doubt exists in the Doctor's mind that the players belong to the "Islanders", and that if impartial consideration is given to the evidence presented, the decision will be favorable to the local organization.

"It is a matter of record" said Dr. Dougan, "that the Glace Bay Miners are a defunct organization and that the club defaulted on depositing its \$1,000. The newspapers," he continued, "recorded the story of Glace Bay's withdrawal at the time."

Unfolding the rest of the case on which the Islanders appeal is based, the Doctor pointed out that Glace Bay re-applied for entry in the league in September. Meantime Bonhomme and Gray, in the opinion of Charlottetown, were free agents, and were signed on that basis. The fact that a new Glace Bay Club, called the Glace Bay Community Club was organized, could not affect the free agent standing of the players.

Doctor Dougan contends, and he is supported by many experienced members of the C. A. H. A. Executive that Gray and Bonhomme were free to sign with any club anywhere the minute Glace Bay Miners folded up.

New Rule Adopted In National League

TORONTO, Oct. 28 — (CP) — A player who closes his fist on the puck in a National Hockey League game no longer will be subject to a penalty unless he does it deliberately to stop the play. Referee-in-chief Carl Voss announced Saturday.

Previously a player received a two-minute penalty even if he merely grabbed a puck flying at his face. Under the new rule, effective last night, grabbing the puck now calls for a face-off on the spot.

The referee now decides if the player merits a penalty.

Islanders Break Into Win Column With 6-2 Victory Over Moncton

MONCTON, N. B., Oct. 28 — (CP) — Charlottetown Islanders broke a seven game losing streak here Saturday night when they defeated Moncton Hawks 6-2.

The goal-hungry Island crew struck for three quick tallies in the first period, added two more in the second and another in the third to rack up their first win of the season in the Maritime Major Hockey League.

Ironically, the first three goals were from the sticks of former Moncton players. Johnny Morrow opened the scoring 39 seconds after the game got underway and Buck Whitlock bagged a pair before the period ended. Both are former Hawks.

The game was fast all the way. Islanders abandoned the slambang type of hockey which had been their forte in the past—and it paid off. They drew only one of the four penalties handed out.

Hawks missed many scoring chances especially in the third period when they outskated Islanders but saw their efforts wiped out by erratic shooting.

Morrow's goal kept Islanders in the lead until the seven minute mark, when Kilby banged in a pass from Lallo. Whitlock was left uncovered in front of the Moncton net and scored both times.

After the second period opened extended the Islanders lead. Marshall added another two minutes later.

Hawks fought back in the third period. A ganging play at the eight-minute mark enabled Marchant to get Hawks' second tally. Beaudry consolidated the victory for the visitors at 12:37.

Lineups: Charlottetown — Goal, Gordon; defence, Vitale, Travis, Dutchak, McEgan; forwards, Trainor, Favero, Beaudry, Whitlock, Smith, Marshall, Bellinger, Morrow, Clements, MacKenzie.

Moncton — Goal, Lockhart; defence, Matthews, Lallo, May, Winemaster, Olson; forwards, Hamilton, Scholes, D. Horeck, J. Horeck, Pirie, Eburnam, Kilby, Marchant, Fillion, Schmidt.

REFEREES CRITICISED

Sir,—On behalf of several spectators at the Forum on Tuesday night, I wish to add our protest to that of Coach Lamoureux at the inept job of refereeing displayed in that game.

This year is considered by many to be the peak in Maritime hockey. We may never again have such a wealth of players or a better class of hockey. The Big Six has become the largest and probably the strongest of the two senior leagues in Canada. Surely it is then obligatory for the M.A.H.A. to provide the best officials in the business. The performance of the referees in last Tuesday's game, indicates two arbiters of the pond hockey variety. We have never witnessed such prejudiced calls. It would appear that the actual play had little to do with the awarding of penalties. The assumption on the part of the referees seemed to be, "The Islanders have a bad reputation, therefore they are responsible for the penalties."

Against such a witless conclusion it seems that replacement of these two officials would be the only adequate remedy. The M.A.H.A. has the resources, they owe it to the clubs, players and spectators, to get the best officials to be had.

However, it is said "charity begins at home". Let us not cast these two gentlemen concerned entirely out into the cold. We nominate them as students for the next Dept. of Physical Fitness School for Referees. When they graduate (and we can only assume that of course) let them be assigned as linesmen in one of our P. E. I. rural leagues where the requirements of officiating are less exacting.

I am Sir, etc., D.C.

Miners Turn On Heat In Third Period; Defeat Halifax St. Mary's 5-1

GLACE BAY, N.S., Oct. 28 — (CP) — Glace Bay Miners scored four third-period goals here last night to decisively defeat Halifax St. Mary's 5-1 in a regular Maritime Major Hockey League game.

Coach Bud Folle's new Rohmer-Haley line provided the drive for Glace Bay. Ron Rohmer, top scorer in the Manitoba Junior League last year, and Len Haley both shot and assisted on another. Ex-pro John Bailey scored Miners' third goal.

Both teams were evenly matched for the first two periods. Grayette and Macey, opened the scoring for Glace Bay within the first three minutes of play.

Halifax didn't tally until 16:30 when Pearson scored on a screened shot. Brown and Nixon assisted on the play.

The second period had all the thrill and spills of good hockey but neither team could punch through the defence long enough to score.

Glace Bay roared ahead in the third when Bailey scored on a play with Rohmer and Haley. Skippy Frezell went in on Frechette two minutes later and slapped the puck between Frechette's legs, putting Miners two goals ahead.

But they didn't stop then. Rohmer and Haley teamed up at 14:53 to score Miner's fourth goal. Leger ended the scoring at the 16:14 mark on a pass from Wywrot.

Lineups: Glace Bay — Goal, Hicks; defence, Cooper, Windley, Bloomer, Macey; forwards, Wywrot, Leger, Anderson, Macey, Frezell, Chorley, Rohmer, Haley, Polle.

S'ide Airmen Capture Maritime Soccer Title

MONCTON, N.B., Oct. 28 — (CP) — Summerside Air Force base won the Maritime soccer championship here Saturday as they fought to a 1-1 tie with the Moncton Athletic Soccer Club.

Summerside took the two game total goal series 3-1. They had a 2-0 win in their favor going into the second game.

Prior to the game, Summerside team officials said they would protest if they lost the series questioning the eligibility of two of the Moncton team. There was no necessity for the action.

The two evenly-matched teams fought through a scoreless first half with the locals unable to take little advantage of a stiff wind.

Following the game the Summerside Captain F.L. W.J.C. Green accepted the Maritime title trophy from Mayor T.B. Parlee of Moncton.

Major Parlee also presented individual trophies to the members of the Moncton team for their win in New Brunswick playoffs where they won both the N.B. title and the Charity Cup.

Mt. A. Edges Out S.D.U. To Retain N.B. - P.E.I. Intercollegiate Title

SACKVILLE, N. B., Oct. 28 — (CP) — Mount Allison University defeated St. Dunstan's University 3-2 Saturday to retain the New Brunswick-Prince Edward Island intercollegiate rugby championship.

The Charlottetown team opened the scoring when Pete Dunphy kicked a field goal for two points.

Mount Allison's Ben MacDonald, on a lateral from Blenis Nicholson, scored a try 10 minutes later. St. Dunstan's missed a penalty kick with only five minutes remaining in the game.

Soon after the opening of the second half, Gerald Clinton of the Saints, a fleet, hard running backfielder, injured his shoulder and was forced to the sidelines for the rest of the game. St. Dunstan's began to press forward and much of the play in this period took place within the Mountie 25-yard line. The Islanders were twice thwarted by the determined New Brunswick team.

When they had reached the goal line with fifteen minutes left to play Phil Coyle of the Saints tried a placement kick from the 30-yard line but the attempt fell short. It was only the tremendous kicking of Bob Goss that kept the Mounties from being repeatedly scored on.

It was a rugged, hard fought encounter, and the win assures the Mount A. team a chance to meet St. Francis Xavier, Nova Scotia intercollegiate winner, for the Maritime title. Although the Mounties will play U. N. B. here next Saturday the result of this encounter will not change the final league standings.

Fast Skating Left Winger Joins Islanders

Jim MacKenzie, the fast skating left winger who joined the Islanders in Moncton Saturday night, is a 21 year old hockey product of Winnipeg, Manitoba.

MacKenzie made an auspicious start with the Islanders as he scored a goal and an assist. He played on a line with "Buck" Whitlock and Len Smith. He arrived in Moncton by train only a few hours before game time.

He came here from Chicoutimi where he had been a member of the Chicoutimi Saguenens of the Q.S.H.L. Last year he played with the Shawinigan Falls Cataracts and was traded to Chicoutimi this year. Two years ago he played with the Winnipeg Junior Canadians.

Those who have seen him play describe him as an unspectacular player with a lot of speed and ability to stickhandle. He is a hard worker and specializes in digging pucks out of the corner for his centreman. A brother Kenny is a professional player.

St. F. X. Wins N.S. Rugby Crown

WOLFVILLE, N.S., Oct. 28 — (CP) — St. Francis Xavier University defeated Acadia University 8-2 Saturday to retain the Nova Scotia intercollegiate rugby crown.

The game was close and Acadia, after a shaky start, controlled the play in the last half. Backfield stars for the winners were Bernie MacKinnon and Jim MacKintosh.

Makes Plea For Sport Nobodies

AMHERST, N.S., Oct. 28 — (CP) — Too many fathers lose interest in Junior because he is not a star, Andy O'Brien, Montreal sportswriter, said here today.

Mr. O'Brien, addressing the annual convention of Maritime Association for Physical Education and Recreation, said today's fan is inclined on "glamor athletes" and forget the little nobodies of sport.

"The boy with a sport background has that extra savvy, extra spirit of fair play and leadership... that pays off," he said.
