Not to be Forgotten.

In a speech to the students at the Oxford Military College, the other day, Lord Welsley said:—"He would beg of them in going out into their future career, to remember—never for a moment to forget—that they were English gentlemen, the sons of English gentlemen, which, after all, was one of the greatest privileges a man could be born to."

A Good Foundation.

Commenting on the Dominion Day celebration, the Toronto Mail says: "Nineteen years ago our public men were busy with the project of the Intercolonial railway. To-day, the first through train from the Eastern Provinces is on its way to the Pacific coast. We have travelled a long distance, therefore, since Confederation was established, and all the signs point to an even greater rate of development in the future."

On a Fishing Expedition.

Smith—Are the whiskey and cigars all right? Brown—Yes, they're under the seat. Smith—And the lunch? Brown—That's under the seat, too. Smith—And the hooks and lines? Brown—By Jove! I forgot them entirely. Smith—That's too bad. Well, I suppose we'll have to get along the best we can without them.—Life.

Wanted to be Boss Again.

"Why, Mary, have you come back to be a hired girl again? I thought you left us to get married and have a house of your own?" "So I did, mum." "Well, what have you come back for?" "Well, you see, mum, John's done purty well, an' we kep' a hired girl, too, an' I'm kind o' tired of the way ay live. I thought I'd like to come back an' be boss again fur a while."

Another of Cupid's Freaks.

Young Lady (who has been protesting for some time that she never was kissed by any one): "I'd like to see any one kiss me, They'd never try it again." Caustic Bachelor (who "thinks the lady doth protest too much," in a tone of innocent inquiry): "Why, is there anything wrong with your breath?" It is said the two are engaged.

AUCTION SALE

Farm on the Hillsborough, Lot 34.

Fine Wood Land and Excellent Farm Land.

The Subscriber will offer for Sale, by Public Auction, his Farm of 110 acres, situated on the Hillsborough River, Township No 34, on WEDNESDAY, the 30th day of JUNE next, at the hour of 12 o'clock, noon.

This Farm is 9 1/2 miles distant from Charlottetown, is in the near neighborhood of Churches, Schools, Wharves and the Railway, within a mile's reach of an abundance of the best Mussel Mud, and contains any quantity of good Marsh Mud. There is between fifty and sixty acres covered with the best and most valuable wood on the Island, consisting of the finest Pine, Hemlock, Spruce and Fir, which has been valued at from \$1,500 to \$2,000. There is no such wood anywhere on the Island for No. 1 boards, shingles and scantling.

The remaining portion of the land is clear, while all is of excellent quality and has not been exhausted by oyster shell mud. There runs through the whole length of the farm a good stream of excellent water, easily available for a Saw Mill and invaluable for general farm purposes, while a marsh on the shore adds to its many other advantages. There is also a most beautiful site, where the residence stands, which overlooks the river and surrounding country. On the whole the Farm is most desirable and the title is guaranteed.

Terms—\$150 cash down, on day of sale, and the balance on execution of deed. For further particulars apply at the office of Mr. W. S. Stewart, Solicitor, Charlottetown, or to the undersigned on the premises. DAVID ROSS, East River, Lot 34, May 18, 1886—law & wy t'ale
